COMMERCE AND MARINE.

☞ A Glorious Rain.—It rained all day yesterday, and a most glorious rain it was. It came just when it was wanted, making all nature once more gay and exuberant. A few more rains, and a most bountiful harvest is certain.

Marine Items.—The harbor yesterday, like the day before, was extremely dull, the only vessel which arrived being the schooner Queen of the Bay, with sundries. The R. M. steamer Champion passed up in the evening. The American Express steamer Cataract passed up in the morning and the Ontario down in the afternoon. The steamer Rytown arrived from Ottawa in the morning, and left on her return in the afternoon. The propellers Enterprise and Whitby passed down on Wednesday evening. The propeller America and steamer Ottawa passed up the same evening, the former landed 230 bags of salt for J. Carruthers & Co., and the latter a lot of sundries.

The Passport.—The two shafts of this steamer have been adjusted and all other necessary repairs made. She resumes her trips on Saturday, leaving for Toronto and Hamilton in the evening.

☞ The barque Robert Gaskin cleared from Milwaukie on the 12th for Kingston, with 21,000 bushels of wheat, at 10 cents freights.

The Propeller Indian.—This vessel, which sank near East Sister Reef, Lake Erie, has been raised and towed to Detroit, where she was repaired. She left Detroit and discharged her cargo (pig iron), at Cleveland on Tuesday, in good order. She was insured in the Provincial Insurance Company.

Vessels Passed Through The Welland Canal.—June 14.—Propeller Granite State, Toledo to Ogdensburgh, passengers and sundries; schooner S. Robinson, Kingston to Chicago, no cargo; schooner J. S. Clark, Kingston to Chatham, no cargo; schooner D. McInnes, Kingston to Port Colborne, no cargo; barque Jessie Drummond, Port Stanley to Quebec, lumber; schooner Jefferson, Clinton to Clayton, timber; propeller Buck Eye, Ogdensburgh to Chicago, passengers and sundries; schooner Carlton, Oswego to Toledo, lime.

Business at Quebec.—The number of vessels of all classes entered at the Custom House at Quebec, up to date, consist of 517 vessels. The number cleared amounts to 276 vessels.

Quick Despatch.—The Canadian mail steamship Peruvian cleared outward at Quebec on the 12th May, and arrived in Quebec, on her return trip, on the 12th instant, just one calender month after her departure.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 1mo68

A GENTLEMAN cured of Nervous Debility, Premature Decay, and the effects of youthful Indiscretion, will be happy to furnish others with the means of cure (free of charge). This remedy is simple, safe and certain.

For full particulars, by return mail, please address

Chiriqui Images.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsman, above named, informs us that they require their remittances from foreign countries now to be made in silver and gold.—(Lowell, Mass.) Sentinel.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. I. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

AMERICAN WATCHES.

THE AMERICAN WATCH Co.
OF WALTHAM, MASS.,

Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desious of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.

The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making

GOOD WATCHES,
AND SELLING THEM AT MODERATE PRICES.

At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.

The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
