COMMERCE AND MARINE.

WEDNESDAY MORNING, JUNE 21, 1865.

MARINE ITEMS.—The docks yesterday were very dull, and the weather cloudy and uncomfortable. The Royal Mail steamer Grecian passed down with a heavy load of passengers in the morning. The Champion passed up in the evening. The American Express steamer Cataract passed up in the morning, and the Ontario down in the afternoon. The steamer City of Ottawa left for Jones' Falls. The propeller Perseverance arrived on Monday night, with 20,660 bushels of wheat, from Port Dalhousie, for Glassford, Jones & Co. The barque Waterwitch, from Chicago, with 14,700 bushels of wheat, arrived the same night. The steamer St. Helen passed down on Monday night, and both landed and took on a lot of freight. The propeller St. Lawrence left for Chicago, with sundries from Montreal, on Monday evening. The schooner Maple Leaf left for Cleveland on Monday night, with iron ore shipped by G. Chaffey & Bros. The tugs Wales and Hercules have arrived down with rafts. The former passed on to Prescott.

THE PASSPORT.—Dame rumor had it yesterday that this steamer had run ashore at the upper end of the lake. The rumor was without foundation, as she was telegraphed from Hamilton all right. The report circulated through the captain of a propeller seeing her at anchor during a fog, and imagining that she was aground.

THE OCEAN VESSELS.—The brig Lucy A. Blossom, from Detroit to Boston, left for Quebec by the Government tug steamer, on Monday evening. The barque Jessie Drummond is bound for Hamburg, Germany, not Boston.

The steamer Magnet commences her trips to the Saguenay on Tuesday next.

EARLY HARVEST.—Last week we were shown some fall wheat, fully out in head from the farm of Mr. Clarke, Holland Township. The berry is filling out nicely, and gives promise of an abundant yield. The harvest will be earlier in this section than it has been for a number of years. We learn that some parties in this neighborhood have already commenced haying operations; the yield will be large.—Owen Sound Advertiser.

THE RECIPROCITY TREATY.—The agitation that is springing up in all the chief western cities of the States in favor of the continuance of this treaty leads us to hope that this enlightened measure, with certain modifications, will still remain in force. The approaching meeting of the several Boards of Trade, not only of the States but of the British North American provinces, at Detroit, cannot fail to have a beneficial effect in placing before the American public the great advantages the working of the Reciprocity Treaty has conferred on the commerce of the two countries. We believe its operations have been mutually advantageous, and perhaps a little more so for the States than for the British provinces, but be that as it may, the commercial interests of both being identical, they must as neighbours have the freest intercourse with each other. This was the main object of the Reciprocity Treaty, and we therefore hope to see it perpetuated.—Canadian News.

EXPLOSION.—Boston, June 19.—The tug Fanny Stafford exploded her boiler below Lake Street bridge this afternoon. One man was killed and 13 injured, not fatally. The boat was valued at $18,000.

PORT OF CHICAGO, June 13—Cleared—Schr Gerritt Smith, Kingston, 14,800 bu wheat.

PORT OF MILWAUKIE, June 14—Cleared—Prop Magnet, Montreal, 79 brls flour, 12,752 bushels wheat; sch Jas Navagh, Kingston, 15,000 bushels wheat.

MONTREAL MARKETS—June 19.

CURIOUS IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—(Lowell, Mass.) Sentinel.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo88

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" " " I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" " " Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" " " I have been a great sufferer from Dyspepsia, and had to abandon preaching. " " " The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" " " Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" " " I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" " " The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" " " The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

General Agent, 12 Gold St., New York.
