COMMERCE AND MARINE.

MONDAY MORNING, JUNE 26, 1865.

Gold closed yesterday at New York at 143¼. Some of the larger holders are offering more freely, and the movements of operators indicated an expression of yielding in quotations. The rate on gold loans is one fourth of 1 per cent per day. The quotations opened at 142¼, went down to 141¼, and up again to 143¼.

Marine Items.—The shipping on Saturday was very stagnant. The weather was warm, and there was a light breeze, but not strong enough for vessels to leave. The Royal Mail steamer Champion passed down, and Grecian up at usual hours. The American Express steamer Cataract passed up in the morning, and the Ontario down in the afternoon. The steamer St. Helen passed up in the morning. The steamer City of Ottawa arrived from Ottawa in the morning, and left on return in the afternoon. The steamer William left on Friday for Montreal with barge England, loaded with staves, flour, pork, &c., from G. Chaffey & Bros., and barge Arrow, with 2,700 barrels flour from J. H. Henderson & Co. The schooner Hercules left on Friday for Cleveland, with 234 tons iron ore from Glassford, Jones & Co. The schooner Alfred Allen, with iron ore shipped by the same firm, left for Cleveland on Saturday night.

Dismasted.—The barque Great West No. 2, is at Detroit partially dismasted.

Chicago—Vessels arrived from Canadian Ports, June 20.—Prop. Bristol, Montreal, 251 tons pig iron and sundries.

Milwaukie—Vessels arrived from Canadian Ports, June 20.—Prop. East, Montreal, 10 kegs liquors, 444 pkgs. rice, 240 kegs soda nuts. Cleared.—Prop. Wade, Goldsmith, Sarnia. Schr. Son and Heir, Kingston, 11,300 bush. wheat.

Fire at Oswego.—The Oswego Palladium states that a fire took place on Wednesday on board the Northern Transportation Company's propeller "Prairie State." A large number of passengers were on board at the time, but all landed on the dock safely. The loss is $2,500.

Crops in the States.—Advices from all parts of the United States speak in the most promising terms of the abundance and luxuriance of the crops in every State and Territory of the Union. The whole continent, from our own Northern region to the Gulf of Mexico, if we except those portions of the South not under crop on account of the late war, is one vast cultivated farm, filled with the luxuriant evidences of a rich and bountiful harvest. The reports are universally good from the great Middle States and the North-west. The Indian corn crop is looking well, but is still subject to contingencies later in the season. The wool harvest in Western New York, Vermont, Michigan, Ohio, &c., is perhaps the largest ever gathered. From Middle and Western Tennessee, we hear that cotton planting was resumed with much confidence in the spring, and that the crop in the neighborhood of Nashville and Memphis promises favorably.

AYER'S SARSAPARILLA

Is a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. B. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 1mo88

Current Issues.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—(Lowell, Mass.) Bostiled.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE, since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. T. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

"* * * Thou will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
