BURGLARY IN CHATHAM.—The dry goods store of Messrs Lamont & Coate, Chatham, was entered by burglars on Monday night and about $600 worth stolen. The thieves are at large.

A SERIOUS STABBING CASE.—Windsor, June 27.—Last night two men, named G. B. P. Sharp, and Charles Tessier, got into a quarrel when Tessier stabbed Sharp in the abdomen, causing a wound about two inches long and three deep. The assassin was immediately arrested and lodged in gaol. The wounded man now lies in a very precarious condition.

To such a pass have the affairs of the corporation of Quebec been brought that the question has for some time been raised whether it would not be better to supersede the functions of the corporation by an administrative committee. Messrs. Baring Bros., as large creditors of the corporation are reported to favor this expedient.

CURIOSITIES OF THE ENGLISH REGISTER.—The returns relating to marriages have lately been completed for 1861. In that year 35 girls were married at 15 years of age, one to a man above 42, and another to a man above 55; 5 widows married a second time at 19, and 23 widows married again after 74; 26 women were married after they had seen three-score years and ten, one of them to a man under 35. A lad of 16 married a woman of five-and-twenty, and two men above 80 married women 20 and 21. 15 men married at 16, 56 at 17, 473 at 18, 137 above 70. 35 girls married at 15, 292 at 16, 1,206 at 17, and two women at above 85, making the marrying time of women extend over 65 years. These statements are much below the real fact, for the precise ages of persons marrying were stated in less than two-thirds of the marriages of the year. The returns relating to persons married in 1861 distinguish 6 of the men as divorced men, and 5 of the women as divorced women. In one instance, in 56 Pancras, a marriage is returned as being of a divorced man to a divorced woman.

COMMERCE AND MARINE.

THURSDAY MORNING, JUNE 29, 1865.

Gold closed yesterday at New York at 139½.

MARINE ITEMS.—The gale of Tuesday subsided the same night sufficient to allow the wind bound vessels to leave. The steamer Champion was detained three hours, and the steamer Cataract passed down the American channel yesterday morning twelve hours behind her time to arrive here. The wind yesterday was strong, but not too strong for vessels to come down the lake. The barque British Lion, for Chicago, with 2,900 bags of salt, shipped by Glassford, Janes & Co.; the barque Arabia, for Chicago, with salt in bulk, and schooner Linnie Powell, for Cleveland, with iron ore, the cargoes of the last two shipped by G. Chaffey & Bros., left on Tuesday night. The schooner James Navagh, from Milwaukie, with 15,000 bushels of wheat for E. Berry & Co., arrived the same night. M. steamer Grecian passed down yesterday morning and the Spartan up in the evening.

AMERICAN EXPRESS STEAMERS.—The steamer Bay State will arrive here on Friday morning going down, from which time it is expected that these steamers will run daily between Ogdensburgh and Lewiston.

THE CROPS IN THE WEST.—At the time we write rain is sadly wanted in the country. The spring crops are looking stunted and suffering. Grass, which a few days since was green and flourishing, has become dry and brown. Potatoes have held their own so far. Some farmers talk of the weevil showing, and others speak of the pea-bug making an unwelcome appearance. But from what we gathered on Saturday onwards we may say that nothing is yet so far injured as to cause anything like apprehension, though a few more days of dry weather would jeopardize the spring crop greatly. Before this reaches the public eye we hope that the heavens will have poured a welcome treasure on the earth.—London Free Press.

CHIRIQUI IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—[Lowell, Mass. Sentinel.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo86

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
