ACTON ANTI-TREATING LEAGUE

A Branch of This Helpful Organization Established in Acton

At a meeting of men held last Wednesday night it was decided to organize a branch of the Anti-Treating League here. About twenty signatures to the pledge were given at the meeting, and more are being daily secured by those who are taking an interest in the movement. The officers elected are N. W. Hurst, President, J. G. Chapman, Secretary-Treasurer.

The following is the form of pledge which the members are subscribing to:

> ACTON ANTI-TREATING LEAGUE
>
> Realizing that the Treating System is one of the main causes of Intemperance, I hereby pledge myself neither to treat nor be treated to Intoxicating Liquors in any place where they are sold.
>
> Name.....
>
> Acton, ... 190

At the meeting for organization the fact that the treating system is a bane to many a workman was emphasized. One of the speakers stated that it had cost him from thirty-five to seventy-five cents to go into a bar to get a glass of beer for himself, because the treating system expected him to buy drinks for the other fellows in the bar at the time. An instance was cited of a workman in town who went into a bar in town on the way home on pay night with his cheque, and it had cost him $11.00 before he left for home.

The men who are joing the Anti-Treating League propose to wear buttons showing that they have pledged themselves to do no treating to intoxicating liquors.

STOMACH DISTRESS

And all Misery from Indigestion Vanishes Five Minutes Later.

Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any time, day or night.

This harmless preparation will digest anything you eat and overcome a sour stomach five minutes afterwards.

If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Ask your pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper to-night. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or Intestinal griping. This will all go, and besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for all stomach misery, because it will take hold of your food and digest it just the same as if your stomach wasn't there.

Actual, prompt relief for all your stomach misery is at your pharmacist's, waiting for you.

These large 50-cent cases contain more than sufficient to cure a case of Dyspepsia or Indigestion.

Happily Wedded at Gloversville, N.Y.

The Gloversville Herald says: "Clarance Ripton, of Johnstown, and Miss Charlotte Augusta Ebbage, daughter of Mr. and Mrs. Thomas Ebbage, of Acton, Ontario, were married at 7 o'clock last evening at the home of Mr. and Mrs. Walter N. Ripton, of No. 23 Second Avenue, by Rev. Charles Lincoln Hall, pastor of the First M. E. Church, of Johnstown. The wedding was a quiet home affair and took place in the presence of only the immediate relatives and friends of the bride and groom. The front parlor in which the ceremony took place was tastefully ornamented with cut flowers, potted plants and ferns, which added a very pleasing effect to the scene. The bride wore a becoming travelling gown of the fashionable London smoke shade. Following the ceremony a sumptuous wedding supper was served in the dining room, the decorations of which were very appropriate. During the evening amid the hearty congratulations of all, the newly wedded couple left for New York City and adjacent points where they will spend some time. On their return they will reside at No. 123 East Clinton Avenue, Johnstown. The bride is a young lady of charming personality and possesses many sincere friends in this city, where she has resided for the past six years at the home of her sister, Mrs. Walter N. Ripton. Mr. Ripton is one of Johnstown's representative merchants, being a member of the firm of Ripton Brothers, who conduct large retail grocery stores both in Johnstown and Amsterdam." A legion of Acton friends extend the happy couple their heartiest congratulations for a happy future.

The McLam-Garvin Nuptials.

A very pretty wedding was that which visited the lives of Mr. Charles T. McLam, of Johnstown, N.Y., son of the late James McLam, Acton, and Miss Martha E. Garvin, daughter of the late Robert Garvin, also of this town, last Thursday afternoon at three o'clock. The ceremony took place at the home of the bride's mother, Peel Street, in the presence of the immediate relatives, and was performed by Rev. J. C. Wilson, B.A., pastor of the bride. The bride wore a very becoming costume of blue taffeta silk and carried a bouquet of white carnations. She was given away by her brother-in-law, Mr. Norman Magalas, Toronto. Her going away costume included a navy blue broadcloth coat and fur trimmed hat. Miss Margaret Garvin, sister of the bride, was bridesmaid, and carried pink carnations. Mr. George Hildebrand, of Johnstown, supported the groom. The groom's present to the bride was a pearl ring of three whole pearls, to the bridesmaid a gold bracelet, and to the groomsman a pearl tie pin. The bridal pair took the evening train for Toronto, and returned to town on Saturday. They will leave for their home in Johnstown N. Y., next Wednesday. Both the young people have been popular residents of Acton since childhood. Miss Garvin was an active worker in Knox Sunday School and taught a class for a number of years with much acceptance. She was presented by the School with a beautiful cut glass cream and sugar set and gold-lined spoon. The many friends here also remembered the young couple with substantial and beautiful tokens of their regard. The best wishes of the entire community go with Mr. and Mrs. McLam to their new home.

HOCKEY MATCHES THIS WEEK

Seniors - Juniors 9-8: Georgetown-Acton 4-8.

It was a foregone conclusion with many, that the match between the senior and junior teams last Thursday would be an easy victory for the former, but the game proved far from being a pic-nic for anyone. From the ring of the bell the play was hard and fast, and both teams were playing to win, each leading at different times. For a while shots rained at the juniors' goal.

Holmes, right wing of the seniors, was struck in the eye, and Plant laid off with him to balance the teams, each team playing six men.

In spite of the expectations of the spectators the game was comparatively clean, and no ill-feelings are felt over the incidents of the game, though the checking was stiff, and at times heavy.

The junior forwards, encouraged by the crowd, played a great game against their weighty opponents, while the defence met every rush of the senior forwards steadily. The younger team received shout of the credit of the game, and the support of the crowd, but the seniors fought hard and never gave up. The juniors appeared to have more staying power than the seniors in the last half.

Ten minutes' overtime was given to break the tie that stood at the hour's close. The juniors scored once and the seniors twice in that time, and the game ended 9-8 for the seniors. R. M. McDonald, as referee, kept the game clean.

The line-up was as follows: Seniors—Goal, Laird; Point, Brown; C. Point, McIntosh; Rover, Beardmore; Centre, Malone; R. wing, Holmes; L. wing, Taylor. Juniors—Goal, McEachern; Point, Statham; C. Point, Ramshaw; Rover, Williams; Centre, Clark; R. wing, Plant; L. wing, Garden.

A septet of hockeyists, "The Red Sox," juniors, of Georgetown, went down to defeat before the Acton "Rovers" by a score of 8-4 on Tuesday night. The visitors scored the first two goals, but could not stay with it, and the Rovers ran away from them in last part of the game. Score at half 2-2; finish 8-4. Grant of Georgetown refereed the game satisfactorily. Geo. Arnold and W. McNabb were time-keepers. The line up was: Acton—Goal, McEachern; Point, Holmes; C. Point, Ramshaw; Rover, Williams; R. wing, Plant; Centre, Clark; L. wing, Garden; Georgetown—Goal, Watson; Point, Brooks; C. Point, Cole Rover, Guggisberg; R. wing, Finlay; Centre, Ball; L. wing, Drummond.

$1,800 FIRE AT MILTON

The Waterworks Inadequate and the Firemen Powerless for a Time

At one o'clock Tuesday morning fire broke out in the blacksmith shop on Martin Street, owned by John P. Roper, and rented by W. P. Whitney, a woodworker, and it was totally destroyed. The loss is over $1,000. Mr. Roper's fine residence close by was damaged by fire and water to the extent of $800. The damage to both shop and residence was covered by insurance.

On account of the shortness of water in the reservoir, the water has been shut off at night. The firemen were thereby handicapped in their efforts and it was not until some one ran to the end of Main St. and turned on the water that anything could be done. It was then too late to be of any use in saving the blacksmith shop, and only with the greatest difficulty Mr. Roper's residence was saved from total destruction.

The New License Inspector

The Burlington Gazette hears it rumored that W. A. Ferrah, of Oakville, will receive the appointment of license inspector. It was also reported that Dr. L. L. Bennett or Mr. W. R. Brown, of Georgetown, was to be the next license inspector. But there seems to be little ground for any of these reports. Inspector Tracy has so far recovered from his recent illness as to be able to resume his work as inspector and is proceeding with his duties.—Georgetown Herald.

Married at Vancouver, B. C.

The Vancouver World says: "St. Andrew's Presbyterian Church presented a very pretty scene yesterday morning at ten o'clock, when the Rev. J. D. Gillan, pastor of the church, assisted by Mr. W. A. Davis, of Lynn Valley, joined in the holy bonds of matrimony Mr. John Lewis Cripps, of Lynn Valley, and Miss Robina Helen Forsythe, third daughter of the late Robert Forsythe, of Hillhead Grange, Keith, Scotland. A large number of the friends of Mr. Cripps in the Valley were present to witness the ceremony and convey their good wishes to the young married couple. The bride, who was attended by Miss Alice M. Epson, of Mount Pleasant, was very handsomely attired in white net over white silk and wore orange blossoms in her hair. Mr. H. D. McCall, of Lynn Valley, supported the groom. The guests numbered over forty and at the conclusion of the ceremony went to the Hotel North Vancouver, where the wedding breakfast was served. The happy couple left North Vancouver for Victoria at which city they will spend a short honeymoon. On their return they intend taking up their residence in Lynn Valley. Mr. and Mrs. Cripps were the recipients of many beautiful presents and of the good wishes of every person in their acquaintance. Mrs. Cripps has lately arrived from Scotland, and her husband has been a resident of Lynn Valley for a number of years, and is well and favorably known there." Mr. Cripp's Acton friends will have pleasure in extending congratulations.
