COMMERCE AND MARINE.

SATURDAY MORNING, JULY 8, 1865.

Gold closed yesterday at New York at 139½.

MARINE ITEMS.—There was a tolerable fair business done in the steamboat line yesterday. The Royal Mail steamer Spartan, and the American Express steamer Bay State passed down in the morning, with very good loads of passengers. The propeller Bristol for Chicago, the steamer Huron for Montreal, and steamer Ranger from Montreal, for Hamilton, passed in the morning, and landed some miscellaneous freight. The steamer City of Ottawa arrived from Ottawa, and left on return in the afternoon. The Royal Mail steamer Champion passed up in the evening. The American Express steamer Ontario passed up on Thursday night. The barques Canada, from Wallaceburg, and Mary Jane, from Port Ryerse, have arrived with timber for Calvin & Breck. The schooner Mediator arrived from Chicago yesterday afternoon, with 14,800 bushels of wheat for G. Chaffey & Bros. The schooner Elizabeth left for Oswego also in the afternoon, with 75,500 feet lumber, shipped by James Swift. The steamer Rochester from Belleville, bound for Oswego, called in the afternoon at Anderson & Ford's wharf. She will not call in Kingston in future, not wishing to stir up an opposition to the Bay of Quinte. The latter boat, it is thought, will be able to resume her trips to-day.

ARRIVAL FROM EUROPE.—The barque Jaques de Molay, from Liverpool May 31, arrived at Quebec on Thursday last with a cargo for Montreal, Toronto and Detroit. The Jaques de Molay is the vessel whose launch at Liverpool we noticed a month or so since, as being the pioneer of a new line of packets between Detroit and Liverpool.

BOARD OF TRADE FOR BELLEVILLE.—On Tuesday last, a Public Meeting was held in Belleville for the purpose of forming a Board of Trade for the town. The Meeting resolved itself into a Board of Trade, and the following officers were elected:—PRESIDENT, E. W. Holden, Esq.; VICE PRESIDENTS, Thomas Kelso and James Glass; TREASURER, George Vair; SECRETARY, J. Thomas; CORRESPONDING SECRETARY, A. Diamond. DIRECTORS, The Hon. Robt. Read, Hon. Billa Flint, and Messrs. H. Corby, R. Patterson, M. Bowell, Geo. Neilson and Dr. Holden. Nine Delegates were appointed to attend the Detroit Convention, viz: The Hon. Robert Read, Hon. Billa Flint, Messrs. Geo. Neilson, H. Corby, James Brown, Geo. Vair, Thomas Kelso, M. Bowell and A. Diamond. These gentlemen are expected to lay before the Convention all information respecting the mineral wealth, on which the County prides itself so greatly.

MADAWASKA TIMBER.—Timber still continues to arrive at the mouth of the Madawaska, but in consequence of the rapid fall of the water it is coming down rather slowly. There will be a large quantity stuck on the upper waters this year, which will come hard on the owners; but, it will be all the better for the lumbermen who succeed in reaching market with their timber. About thirty rafts will leave the mouth of the Madawaska this spring.

NEW ROUTE.—A new steamboat route has been established between Belleville and Oswego. The steamer Silver Spray, which was formerly on the route between Toronto and Port Dalhousie, has been purchased for the new route, and the steamer Rochester has commenced her regular trips on it. Having been in use but two years, and being an exceedingly steady boat, with her obliging commander, Capt. Dainty, cannot but become a favorite with the travelling community.

CHIRIQUI IMAGES.—We have had the pleasure of examining a quantity of gold received by Dr. J. C. Ayer & Co., from Honduras, in payment for their medicines, which are extensively sold throughout Central America. Among massive crosses, bracelets, and chains, are the rude images which have been taken from the graves of the Chiriqui chiefs—birds, turtles, serpents, bugs and reptiles done in solid gold. They carry us back beyond historic times, to periods and places where barbarism reigned supreme. They seem to come here now in mute appeal from the winding sheets of their ancestors, to ask for the simple Indians in the mountains, medical protection from cultivated skill, against diseases which gather them up in too early graves. Ignorant and unlettered as they are, they have learned of the white man enough to know where to apply for relief, and what will bring it. Our well known townsmen, above named, inform us that they require their remittances from foreign countries now to be made in silver and gold.—(Lowell, Mass.) Sentinel.

IN THE YEAR 1845

Mr. Mathews first prepared the VENETIAN HAIR DYE; since that time it has been used by thousands, and in no instance has it failed to give entire satisfaction.

The VENETIAN DYE is the cheapest in the world. Its price is only Fifty Cents, and each bottle contains double the quantity of dye in those usually sold for $1.

The VENETIAN DYE is warranted not to injure the hair or the scalp in the slightest degree.

The VENETIAN DYE works with rapidity and certainty, the hair requiring no preparation whatever.

The VENETIAN DYE produces any shade that may be desired—one that will not fade, crock or wash out—one that is as permanent as the hair itself. For sale by all druggists.—Price 50 cents.

A. L. MATHEWS,
General Agent, 12 Gold St., New York.

Also, Manufacturer of Mathews' Arnica Hair Gloss, the best hair dressing in use. In large bottles, price 50c. 13

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impester. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

P. H. DRAKE & Co.,
New York.

J. F. Henry & Co., Montreal, sole agents in Canada and sold by all Druggists.

AYER'S SARSAPARILLA

IS a concentrated extract of the choice root, so combined with other substances of still greater alterative power, as to afford an effectual antidote for diseases Sarsaparilla is reputed to cure. Such a remedy is surely wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove, as this has, of immense service to this large class of our afflicted fellow-citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

Scrofula, Scrofulous Swellings and Sores, Skin Diseases, Pimples, Pustules, Blotches, Eruptions, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ringworm, &c.

Syphilis or Venerial Disease is expelled from the system by the prolonged use of this Sarsaparilla, and the patient is left in comparative health.

Female Diseases are caused by Scrofula in the blood, and are often soon cured by this Extract of Sarsaparilla.

Do not discard this invaluable medicine, because you have been imposed upon by something pretending to be Sarsaparilla, while it was not. When you have used Ayer's—then, and not till then, you will know the virtues of Sarsaparilla. For minute particulars of the diseases it cures, we refer you to Ayer's American Almanac, which the agent below named will furnish gratis to all who call for it.

Ayer's Cathartic Pills, for the cure of Costiveness, Jaundice, Dyspepsia, Indigestion, Dysentery, Foul Stomach, Headache, Piles, Rheumatism, Heartburn, arising from Disordered Stomach, Pain or Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Liver Complaint, Dropsy, Worms, Gout, Neuralgia, and for a Dinner Pill.

They are sugar coated, so that the most sensitive can take them pleasantly, and they are the best Aperient in the world for all the purposes of a family physic.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 1mo88
