EDITORIAL NOTES

Local Option is growing in Ontario. It looks as if the bar were destined to an early and not lamented end.—Globe.

The liquor license of the Cavanagh house, Peterborough, was cancelled by the License Commissioners on Saturday. The action was the result of a third conviction inside of two years, for a breach of the Liquor License Act. According to the provincial statute, third conviction makes a license null and void.

At the meeting in Massey Hall, Toronto, on Sunday afternoon the Local Option victories of last week were the theme of various speeches. Controller Spence presided, and declared that the recent victories would but cause renewed efforts until the traffic was banished from Canada. He was given an enthusiastic welcome on rising to speak, the vast audience recognising in his election to the Board of Control a victory for temperance.

The question raised last week at the counting of the ballots on Local Option that the spoiled and blank ballots should be counted, was submitted this week to eminent legal authority. The reply was as follows: "The High Court Judges decided in Cleary vs. Napean, 14 Ontario Law Report, 392, and in Armour vs. Onondaga, 11 Ontario Law Report, 606, that blank and spoiled ballots are not to be taken into consideration for any purpose. An elector who casts a blank or spoils a ballot does not vote." This will settle all doubts or quibbles in the matter.

At the coming meeting of the Ontario Legislature an effort will be made to have some further ammendments to the Liquor License Act. The principal change will be a clause to prohibit the sale of intoxicating drinks on Christmas Day, and possibly Good Friday, and Thanksgiving Day. A fight is to be put up to obtain prohibitive measures for Christmas Day at least. The argument that this will not prevent drunkenness on Christmas Day has been knocked silly by perusal of the police records of Toronto, where a total of 155 drunks for the last three Christmas days is compared with a total of five drunks on New Year's Day when the hotel bars are closed on account of the municipal elections.—Toronto Telegram.

POSITIVE GUARANTEE

There will be a demand for years to come for the beautiful picture "The Soul's Awakening," issued by the Family Herald and Weekly Star of Montreal. There will also be many sorely disappointed when very soon they are told that not another copy can be had. It is a wonderfully charming picture. It touches the heart of mankind. If placed in a show window almost every passer-by will stop at first sight of it, study it and go away feeling better for having seen it. But there is no reason for being without a copy in your own home. The publishers positively guarantee that for some weeks yet. They will mail a copy to every person who remits a dollar for a year's subscription to the Family Herald and Weekly Star. Those who have already subscribed are sure of it. Those who have not should do so now, and be sure, for they will certainly want a copy if they ever see it.

CREWSONS CORNERS

The fine winter weather and the excellent sleighing have made the roads in this vicinity very busy with farmers teaming and pleasure seekers.

There has been considerable change in real estate in this vicinity during the past few weeks. Mr. John Bennett has purchased the Waters farm in Nassagaweya for a fair figure. Mr. Geo. Gordon has purchased Mr. John Kitching's farm adjoining his own. Mr. Thos. Nellis has purchased Mr. M. Cummings' excellent farm in Eramosa. The price paid is considerably over $11,000. Mr. Nellis will remain on the home farm in Nassagaweya and Mr. John Graham will manage the Cummings' farm for him. Mr. Graham has rented his farm to Mr. Wm. Dennis. Mr. Geo. McIlain who recently sold his farm in Erin to Mr. W. Lambert, has purchased Mr. John McGregor's farm near Knatchbull.

Miss M. Williamson, of Acton, spent a few days last week with Mr. and Mrs. Wm. Murray.

Mrs. Jas. Gamble is visiting Guelph friends.

Mr. and Mrs. J. H. Cripps spent New Year's at Mr. D. McPhedran's, Nassagaweya.

THE COUNCIL DOWN TO BUSINESS

Reeve Hynds' Relief But Sensible Remarks to His Associates

A. T. BROWN, FINANCE MINISTER

The Municipal Council met for organization, as per statute, at 11 o'clock on Monday morning. The members, Geo. Hynde, Reeve, A. T. Brown, Alex. Bell, Wm. Cooper and Murray McDonald, were all present; signed the declarations of office and took their seats.

In his inaugural address Reeve Hynds congratulated the members on their election. You have been sent here to serve the town to the best of your ability. Large responsibilities have been entrusted to you. I feel confident from my personal knowledge of you that none of you will shirk your duties. There may be differences of opinion arise respecting the transaction of public business, but let us enter upon our duties with the determination that our differences shall not be allowed to interfere with Council business nor with our social relationships.

During the year important matters of business will come before us. One of these which it will be well to negotiate for as early in the year as possible will be the widening of Mill Street where the properties of E. W. Grace and Mrs. Arthurs have not been moved back to the new street line. Past Councils are to be congratulated upon the very amicable terms they were able to arrange with the owners of the properties already negotiated, and there is no doubt the owners of the properties named will be equally reasonable. The work should be undertaken early so that new cement pavements may be laid from the Arthurs property as far as the Soper store, when the spring opens. I trust the members who will be associated with me on the Cemetery Committee will enter the proposal I made at the nomination to devote all the proceeds of the Cemetery toward the care and improvement of that important property. Other matters will require careful attention. The boiler at the power house is undergoing repairs this week and the steam fire engine is at the works in London being put into first-class condition.

I trust our meetings will be harmonious and pleasant and everything be done in a business-like manner, and that all will leave the Council Chamber each evening as good friends as we are now at the outset of the year's business.

The Reeve and Councillors Bell and Cooper were then appointed a committee to strike the Standing Committees for the year.

The Committee met and reported the Standing Committees for the year as follows:

FINANCE—A. T. Brown, chairman; The Reeve and Alex. Bell.

FIRE AND LIGHT—The Reeve, chairman; Alex. Bell and W. Cooper.

PARK—Murray McDonald, chairman; W. Cooper and A. T. Brown.

STREETS AND WALKS—A. Bell, chairman; The Reeve and Murray McDonald.

TOWN HALL—W. Cooper, chairman; The Reeve and A. T. Brown.

CEMETERY—The Reeve, chairman; Murray McDonald and W. Cooper.

The By-Law appointing Auditors for the current year was introduced and passed. The Reeve nominated A. E. Nicklin, and the Councillors W. H. Denny, as the auditors, and these appointments were confirmed. The salary was fixed at $15 each.

Council resumed at eight o'clock, all the members present.

The Committee on Finance presented their first report and recommended payment of the following accounts:

Pittsburg Buffalo Coal Co., coal	$48 02
G. T. R., freight and duty on coal	95 03
G. T. R., freight on boiler tubes	7 00
W. D. Anderson, hauling coal	11 00
Acton Free Press, printing	28 04
W. D. Smith, feeding tramps	11 25
Municipal World, supplies	72
Ferranti, Limited, metre	10 65
W. Pearson, poll clerk	1 50
James Symon do	1 50
John Cameron, agent at polls	1 50
Robt. Scott, do	1 50
Frank McIntosh do	1 50
H. P. Moore do	1 50
	$214 31

The report was adopted.

The usual by-law to provide for borrowing money for current expenses of the municipality was passed.

A letter from Messrs. Beardmore & Co., stated that they had bills aggregating $510, expended for buildings and electric lighting, etc., at the rink, for which they would accept $300 if the rink was to be handed over to other parties. Mr. A. O. T. Beardmore was present and said the Acton Skating Rink Co., of which he was President and Councillor McDonald, Secretary, had $150 to their credit in the bank. He objected to any other individual being given possession of the property without consideration of their rights. He was willing to take over the rink now, recoup the parties in possession for the work done this season, and run it as a skating rink, without any hockey playing to be allowed.

Reeve Hynds did not feel like cutting out the hockey and disappointing the Junior Club which has been organized. He thought the Council should control the rink as it was located on town property, and let it each year to the highest bidder. The matter will decided during the week.

The Local Option By-Law was then given its third reading and finally passed.

The Council adjourned at a quarter to ten.

BALLINAFAD

At the elections in Erin township last week the following were elected: Reeve—W. Sutton; Deputy—E. Harbour; Councillors—H. Lane, A. M. McKechnie and J. Russell.

Ballinafad is quite proud of the success of her popular son, Mr. James Russell, as a candidate for councillor. Mr. Russell is a young man of excellent parts and will make a valuable member of the township Council. He has his foot on the first rung of the ladder in public life. The future will see him mount up rapidly to positions of trust and responsibility.

Mr. Sunderland Taylor, of Acton, occupied the pulpit of the Methodist Church on Sunday afternoon very acceptably.

ACTON IS CONGRATULATED

Friends Out of Town Rejoice that Acton Carried Local Option

Kindly accept congratulations. Sincerely.—JNO. O. MILLER, Orillia.

Congratulations on Local Option result. Sorry it didn't carry in other places in the County.—A. H. MOORE, Toronto.

Splendid victory you had in carrying Local Option in Acton.—J. A. McGRAIL, Hastings Tanning Co., Hastings, Ont.

Congratulations on your success! We also won out here in Orford. I am satisfied that the bar-rooms are now out to stay.—D. McMACKON, Highgate.

We congratulate Acton upon the success of the Local Option campaign. Sorry for the many places defeated by the three-fifths requirement, but rejoice that so many won for God and home and native land.—R. J. HARE, Milton.

Pleased with results of Local Option vote in Acton. Hope it will be our turn next. We were not as well organized as you were. Love the hotel rates in Acton have gone up already as a result.—CHAS. A. L. NORLE, Norval.

Let me congratulate you upon securing Local Option in Acton. You surely must have had a great campaign. I am glad, we all are here, that Acton was successful in voting out the bar rooms.—ADA FRANCIS, Toronto.

We are glad that Acton won her Local Option campaign. What a blessing the town has gained! How I wish I was there to help celebrate the victory. What a change from four years ago. Sure it was a glorious victory.—Rev. G. W. BARKER, Woodstock.

We were pleased to hear for the credit of Acton and Halton of your great victory in Acton. We are defeated but not vanquished, and are here to fight for future success. According to Anti arguments Georgetown will boom now, we'll see.—R. I. CHEELMAN, Chairman Committee.

Permit me to congratulate you most heartily on the splendid success which attended your Local Option campaign. You may now reckon that the licensed liquor traffic has been banished forever from your town.—H. S. MAGEE, Field Secretary, Department of Temperance and Moral Reform, Toronto.

I have been holding Acton up as a winner for months, and I am very glad you have won out. I wish we had been as fortunate in Eequesing.—I congratulate you all. I am sure the business men will unite and see that the law is enforced, and will take the necessary action toward securing accommodation.—W. J. HUMPHRISS, Norval.

I congratulate the Acton people in passing the Local Option by-law. Acton has been getting a bad reputation for drinking and disorderly conduct. In the old days it was a model village for peace and quietness. It is to be hoped the passing of this by-law will have a restraining influence and Acton will once more be a sober place.—MRS. JENNIE B. WOOD, Guelph.

We rejoice with you that Local Option carried in the dear old home town. You will have plenty of work yet in making it a success, but I know the people of Acton will see that it is carried out. I am sure the time is coming, and will be soon, when prohibition will reign all over our Fair Canada. The temperance people here are working hard all the time, and I think the friends across the line are helping us indirectly. It is wonderful the number of states, counties and towns there are over there where they have Local Option, and they have had much more to undo than we have on this side.—MRS. EDNA KENNEDY, Winnipeg, Man.

We are all delighted with your success in the fight for Local Option. You deserved to win long ago, but success is sweet indeed, even if long delayed. I hope the people will unite to make the by-law successful, and that accommodation for the travelling public will be assured by concentrated action on the part of your business men. Why should an hotel have a bar-room? As a commercial traveller I am quite willing to pay what meals and lodgings are worth without leaving it to some other man to help pay part of my expenses by spending his money for liquor and depriving his wife and children of shoes and clothing.—S. H. MOORE, with Lever Bros., Toronto.

How Local Option has Cleaned up the Town of Hilledale, Michigan

The Hilledale, Mich., News, of January 6th, says:

Justice of the Peace Friable resigned to-day because Local Option has made Hilledale so good that there is nothing for a Justice of the Peace to do. The justice's letter of resignation follows:

To the Hon. Mayor and Common Council of the City of Hilledale:

GENTLEMEN—I hereby most respectfully tender the resignation of my commission as Justice of the Peace of the city of Hilledale, to take effect on March 1, 1910. Cause:—County prohibition, Local Option, no drinks, no vagrants, no disorderlies, no business to further make the office desirable or in any way profitable. Really there is no use for more than one Justice of the Peace in the city of Hilledale under present conditions.

With kindest salutations to all our citizenship, I am,

MI-O-NA

Relieves Stomach Misery Almost Immediately

If the food you ate at your last meal did not digest, but laid for a long time like lead on your stomach, then you have indigestion, and quick action should be taken.

Of course there are many symptoms of indigestion, such as belching up of sour food, heartburn, dizziness, shortness of breath and foul breath, and if you have any of them, your stomach is out of order and should be corrected.

Mi-o-na tablets have cured thousands of cases of indigestion and stomach trouble. If you have any stomach distress, Mi-o-na will relieve instantly.

But Mi-o-na unlike most so-called dyspepsia remedies, does more than relieve; it permanently cures dyspepsia or any stomach trouble by putting energy and strength into the walls of the stomach, where the gastric juices are produced.

A large box of Mi-o-na tablets costs but 50 cents at A. T. Brown's and are guaranteed to cure or money back. When others fail, Mi-o-na cures. It is a producer of flesh when the body is thin; it cleanses the stomach and bowels; purifies the blood and makes rich red blood.

Dear Sirs,—I wish you would send me another box of your "Little Digesters". All the members of my family have been using them and have obtained the most satisfactory results.

I congratulate you on your success in putting up a tablet for the cure of Indigestion. I suffered for years and tried everything that was recommended to me. Nothing gave me relief, until I was persuaded to try "Little Digesters". Now I never suffer from Indigestion. I enjoy my meals and am not afraid to eat, because I know a "Little Digester" after each meal will digest my food.

I recommend them to all my friends who suffer from Indigestion and would further say that you may publish the above if you wish. I know there are thousands of people suffering from Indigestion who will be glad to know there is a safe and sure cure for them.

Yours very truly,

The Way to Catch Flies.

That the flea is elusive is proverbial, but that the bureau of entomology of the department of agriculture in Washington hit upon a plan to eliminate the irritating little insect is not generally known. According to Van Norden's Magazine, the government has discovered a method by which any housekeeper may rid herself of a visitation within a very short time.

Fill a glass three-fourths with water, on top of which pour about an inch of olive oil; then place a night float (a little wick inserted in a cardboard disk or in a cork disk) in the center of the oil. Place the tumbler in the center of a soup plate filled with strong soapsuds. The wick should be lighted at night on retiring or may be used in any dark room. As the soup plate soapsuds trap is placed on the floor of the room it does not interfere with the sleeper, and the fleas which are on the floor are attracted to the light. For outbuildings, such as barns, etc., a large milk pan may be used, and instead of using olive oil and a glass a stable lantern may be placed in the center of the pan, while instead of soapsuds a scum of kerosene may be put on the water in the milk-pan.

This method, it is said, will rid a house of the pests in a few nights.

Making a King's Counsel.

To most people it must often appear that the legal maxim, "Every man knows the law," was invented by some wag. It would be much more correct to say that no man knows the law, and the general public are generally speaking, also totally ignorant of the manner in which a man becomes a K. C. In the ordinary course of things any barrister of ten years' standing is supposed to have the right to apply for silk, and if he thinks that he has any chance of gaining the honor he applies direct to the lord chancellor. But the etiquette of the bar demands that any man who applies for silk shall write and inform every member of his circuit who is of longer standing—that is, who has been called to the bar for a more extended period than himself—of the fact that he has so applied. This intimation gives the senior an opportunity of considering whether he should himself apply and by doing so maintain his right of seniority. The decision of the lord chancellor is final on the question. When he has decided to make a new batch of silks the applicants who have been successful are informed of the fact, and the appointments are duly gazetted.—Dundee Advertiser.

It Didn't Work but Just Right.

I saw the best of intentions become a veritable boomerang on Broadway the other night. A policeman had arrested for some small disturbance two well dressed men who had evidently had too much, but were facing the inevitable trip to the station without any further fuss. A friend saw their plight and rushed up.

"Officer," he piped in a peculiarly effeminate voice, "I beg that you will not arrest these men. Why, they are no more drunk than I am."

"Oh, very well," said the cop. "I'll take you too."

And he did.—New York Telegraph.
