EDITORIAL NOTES.

An amendment to the Ontario Liquor License Act was passed during the session of the Legislature which prorogued on Saturday, which places Christmas on the list of "dry" days, as the bars are to be closed on that day.

Official figures now available show that the amount of whiskey consumed within the United Kingdom last year amounted to 23,450,566 proof gallons, a decrease of 5,953,831 gallons on the previous year, and of 7,214,625 gallons as compared with 1907.

Hamilton refuses to let a high school teacher go until the end of the term. Hamilton is, therefore, settling a point of interest to every school board, namely, that a teacher cannot break a contract when he likes in order to accept a higher salary.

Canada is getting more and more of the limelight in Great Britain. On the first of this month the Aberdeen Free Press issued a special Canadian number containing numerous well written and appreciative articles on the Dominion and its provinces. Ontario is highly recommended as a sphere for Scottish farmers.

It is highly satisfactory to note that David Henderson, the sole member of the Dominion house for Halton County, is lending his assistance toward the Radial electric railway in its fight to obtain an entrance into Toronto. In this he is representing the people of his constituency honestly, and the wish is general that he may succeed.—Oakville Record.

A majority of the members of the County Council of 1910 are in favor of continuing the County Good Roads system as have been their predecessors for several years. At the meeting last week a resolution was introduced by Deputy-Reeve Wrigglesworth, of Esquesing, and Reeve Hutcheon, of Nassagaweya, pointing to the repeal of the County Good Roads By-law. The resolution was defeated by a vote of seven to five. The division was: For repeal—Karl, Featherstone, J. F. Ford, Hutcheon, Wrigglesworth—5. Against—J. C. Ford, Griffin, Hynds, McLaunah, Smith, Thompson, Tuck—7.

A striking article with a number of striking pictures on R. W. Service, Poet of the Yukon, appears in The Westminister for March. It is written by Dr. A. G. Sinclair, of Winnipeg. In the same number Mr. A. S. Riggs, F. R. G. S., contributes a lively sketch, entitled "A Night in Palermo." There are two other illustrated articles, "A Shepody Romance," by Gordon Cogswell, the scene of which is laid in New Brunswick; and "Revivals and Evangelists I Have Known," by Rev. John H. Elliott, D.D. An Easter flavor is given by the frontispiece, Bouguereau's "Women at the Tomb." A new serial by Marian Keith will begin in April.

DEATH OF JAMES HOLLINRAKE

One of the County's Leading Citizens Called to Rest

Mr. James Hollinrake, of Milton, one of the best known merchants in the county, passed away on Wednesday of last week. For over half a century he carried on a very large business in the county town. A few years ago he retired after a successful career, and enjoyed his declining years in a well-earned rest.

During his many years in business Mr. Hollinrake became known in all parts of the county for his honest dealings and business integrity. In religion he was a staunch Methodist and in politics a Conservative. His wife predeceased him a few years ago. Three sons and three daughters survive. The sons are H. J. Hollinrake, merchant, of Ingersoll; Rev. F. W. Hollinrake, of Windsor; Chas. E. Hollinrake, barrister, of Milton. The daughters are Mrs. Brick, of Winnipeg, Misses Clara and Mary at home.

ELECTRIC LIGHT PLANT LOADED

No More Lights Can Be Installed Without Danger to Dynamo

APPLICATIONS FOR MORE LIGHTS

Council met on Tuesday evening in regular session.

Members present: G. Hynds, Reeve, A. Hall, A. T. Brown, Murray McDonald and William Cooper.

The Committee on Finance presented its sixth report and recommended payment of accounts as follows:

N. F. Hurst, repairing fire alarm	$8 10
Geo. Dills, work at hall and cemetery	1 65
W. D. Smith, feeding tramps	3 25
	$13 00

The report was adopted.

A resolution was passed authorizing the School Board to borrow money for current expenses.

The electrician reported that the plant was now loaded to its utmost capacity. The Council decided that no further contracts for light be made. A number of applications have lately been put in for lights to be installed.

The electrician was instructed to submit a list of all supplies, including meters, with the cost and retail prices fixed, for revision.

The Reeve suggested that steps be taken at once to arrange for the widening of Mill Street at the Grace and Arthurs properties, so that the new pavement may be run through at least as far as Mr. Soper's property.

Attention was called to the fact that some of the shade trees had been trimmed off one side to free the electric wires, and the other side of the trees left untrimmed. It was decided to adopt a plan for a general trimming of the shade trees on all the streets.

Council adjourned at 9 o'clock.

CHEWSONS CORNERS

Wedding bells are chiming in all directions this week. It looks as though a wedding epidemic had struck this locality.

There is a general move in this vicinity this week. Mr. John Graham has moved to Mr. McCummings farm above Rockwood; Mr. Wm. Dennis moved to Mr. Graham's farm and Mr. Wm. Miller moved to Mr. Dennis farm; Mr. W. Y. Grey has moved to his farm at Everton and Mr. S. Allison has moved to Mr. Grey's farm; Mr. J. Burnside has moved to Mr. R. Gibbons' farm and Mr. Frier, from below Acton, has moved onto the Robt. Brown farm.

On Wednesday evening last between 70 and 80 of the friends and neighbors of Mr. and Mrs. W. Y. Grey and their family, gathered at their home to bid them good-bye ere they left for their new home at Everton. About 9 o'clock the meeting was called to order by Rev. Mr. Douglas, pastor of the Methodist Church, who after explaining the nature of the visit, read a complimentary address which will appear in next issue. A very interesting evening was spent.

ORANGEVILLE RETAINS LOCAL OPTION

County Judge's Decision is Reversed by Chief Justice Meredith

Chief Justice Meredith has prohibited the County Court Judge of Dufferin, in scrutinizing the Orangeville local option vote, from entering upon any enquiry as to the right to vote of any person whose name is entered on the voters' list, unless subsequently to the list being certified he had become by change of residence disentitled to vote.

The County Judge has taken exception to ten votes, but Chief Justice Meredith's order restrains him from enquiring into more than two, so the local option by-law is actually carried by six votes over the three-fifths. Before the scrutiny, the majority was eight.

RICH RED BLOOD

You Will Never Have It as Long as You Have Dyspepsia

Just as long as you have dyspepsia your food will not properly digest, and the nutritious elements in the food will not be extracted or absorbed, and impoverished or watery blood will follow.

This condition may not be apparent at first, but it will come just as sure as the sun will rise again.

Any stomach ailment, including all forms of indigestion, can be promptly cured by using Mi-o-na tablets, a scientific treatment unsurpassed.

It stops fermentation, belching of gas and taste of sour food almost at once.

The mighty power of Mi-o-na to invigorate and restore the stomach to perfect condition is known everywhere.

Mi-o-na cures by building up—by banishing the cause. For this people it is a great flesh builder, because it causes the stomach to give more and purer nutrition to the blood. It cures sea and car sickness and vomiting of pregnancy almost immediately. A. T. Brown sells Mi-o-na for 50 cents a large box, and guarantees it to cure or money back.

HYOMEI

(PRONOUNCED HIGH-O-ME)

CURES CATARRH, ASTHMA,

Bronchitis, Croup, Coughs and Colds, or money back. Sold and guaranteed by A. T. BROWN, Druggist, Acton.

LIMEHOUSE

The saw mill at the lime works has been running the past week or so and cutting out the stock of elm logs brought in during the winter.

Mr. and Mrs. Thomas Gowdy, of Guelph, were guests of Mr. William Gowdy, Manager of the Toronto Lime Works, on Saturday.

The prospects are good for a big lime business being done here this season. Already the shipments are far ahead of last year.

Mr. Wm. Gowdy is laying the foundations for a neat veranda at his residence.

There was a farewell party at Mr. Angus McDonald's last Saturday night, for Mr. Fred Beaty. A crowd of Chosen Friends were present. They had a very enjoyable time. Tea was served before midnight. Mr. Beaty left for Regina on Tuesday. He will be missed in this vicinity. We wish him success.

BALLINAFAD

A large gathering of neighbors took place last Monday evening at the home of Mr. and Mrs. M. L. Near, to meet with them and spend a pleasant hour before their removal to Georgetown.

Notwithstanding the surprise to the host and hostess, they entertained the party most hospitably and were quite pleased to see the many faces of those with whom they had mingled since childhood.

The enjoyments consisted of a well-rendered programme of music, songs and speech-making, after which Mr. and Mrs. Near were called forward, and the following address was read by Mr. L. Thompson and at a fitting moment Messrs. D. McLean and R. McEnery presented them with a very handsome piece of furniture in the form of a hall-chair and mirror combined.

TO MR. AND MRS. NEAR:—We, your warm friends and acquaintances, have met to express to you both our warmest feelings as we know you are about to sever the strong ties of friendship which have been indelibly printed upon those who have had the pleasure of intermingling with you.

We have found you, Mr. Near, a person of business, honesty and integrity, a man who loved to join with us in our pleasures, and on the other hand you have not been backward in giving a helping hand when dark clouds of sorrow and adversity hung low on our heads. And in you, Mrs. Near, we feel that we, as a community, are losing a real true friend, one who strove to do good whenever the opportunity was possible. We will miss your cheery face which aided in turning the darker shades of life into bright sunshine. The greatest tribute which we can confer upon you, is to say you have shown yourself by your bearing a lady in every sense of the term.

These parting scenes must take place in this world's experiences. Notwithstanding the sad views they reveal before our sight, we must bear adversity and partings, for after triumphantly being borne over we are the better for our trials.

We must simply trust and believe that all things are directed and guided by that super-human Hand, and in the end we will realize that even our sorrows work out for our welfare and advancement.

Now we humbly present and ask you to accept this hall-chair and mirror, in the spirit in which we are giving it to you. We hope that your new acquaintances will find in you the same aid and help that we have experienced. Of course we know that your removal will be their gain and our loss.

In bidding you both farewell we all hope that we all shall ultimately meet together beyond the vale.

Mr. Near's reply was feeling but quite pointed in showing that he felt his departure from his life-long home.

Less tobacco is consumed in Great Britain, in proportion to the inhabitants, than in any other civilized country.
