EDITORIAL NOTES

From the statistical report presented to the General Methodist Conference, we take the following figures about the church in Canada: Total church membership, 310,000; number of ministers, 2,580; local preachers, 580; class leaders, 661; preaching appointments 5,318; Sunday schools, 3,500.

To the Boy Scout movement much interest has been attached from the first. But now that its work is to be seen under the direction of Sir R. Baden-Powell it will attract an even greater degree of attention. As a military project this scheme may have value, but it is commendable chiefly because of the training it gives the boy. If we can have in our lads manliness, truthfulness, courtesy, personal honor and patriotism, we need not be worried about the next crop of men.

NURSED BY MISS NIGHTINGALE

Capt. Walter Clarke, of Guelph, a Crimean Veteran, Mourns Her Death

The death of Florence Nightingale, brings sorrow to many hearts, and to none more so than Capt. Walter Clarke, of Guelph, who has many reminiscences of the "angel," as she was known to the soldiers. 'Twas in 1854 that Capt. Clarke came under the kindly care of Florence Nightingale and her heroic staff of nurses.

The tale reads like a romance. One winter's night before Sebastopol, Capt. Clarke, then an ammunition driver, only thirteen years of age, started out with a load of 10 thirteen-inch mortars, for an English battery which was bombarding the Russian redoubts. He was driving a team, tandem, and shells, each shell weighing 100 pounds.

Crossing "The Valley of Death," thus called because the Russians swept it with a hail of shot, knowing that the British and French must cross it to get to the trenches, a round shell killed the leader, which was knocked down by the force of the ball. The horse in its fall dragged down Capt. Clarke, and the rear horse went over him crushing his feet. He was removed to the hospital at Balaclava, and there was the object of the tender care of Florence Nightingale, under whose treatment he recovered.

After his recovery, the Captain became well-known to Miss Nightingale. Each battery provided a driver to escort her around to the various batteries, and he was often chosen.

Some ten years ago the Captain was in England and sought out Miss Nightingale, who was residing in South Kensington. After reminding her of the time when he was in the hospital, she easily recalled him, as he was so young at the time he was hurt. He now, with many other Crimean veterans, feels the loss of a good, dear friend—the friend of thousands.—Mercury.

MANY FINE NEW BUILDINGS

Being Erected in Acton. Contractors and Builders Busy

There is an unusual amount of building going on in Acton at present, despite the prophecies made by some anti-local optionists, when the fight for the measure was on. Instead of the "four blackened walls," which a former proprietor of the Acton House, which was burned down last fall, predicted would be an eye-sore to the town, there is being erected by Mr. Neil Patterson, who purchased the property this spring, a fine two-story brick and stone business block, 40 x 00 feet, which will be a credit to the town. The Metropolitan Bank will occupy the east corner, and will have a thoroughly up-to-date office, 18 x 00 feet. Mr. Patterson will occupy the rest of the ground floor as a first-class butcher shop. Mr. John Leichman has the contract for building the brick and stone and Contractor J. B. McKenzie has the woodwork.....Mr. R. L. Gregory's neat little brick and shingle bungalow, corner Church and Elgin Street is nearing completion. It will be decidedly different from any other house in town, and will vastly improve the appearance of the lot on which an old stable had stood for so many years.....Mr. Jeremiah Bell is erecting a storey and a half frame house on Brock Street. It will be completed shortly.....Mr. Hugh Wallace's new residence on the newly opened Knox Street is nicely under way. It will be a two-storey brick veneer of modern style and will be occupied by Mr. Wallace, who will move off his farm just outside the corporation limits, immediately it is completed.....Mr. Wm. Hamlin, who recently purchased the house and lot opposite the town hall on Willow Street, is having it rapidly transformed into a commodious two-storey, half-timbered residence, with spacious verandahs at both front and back.....Mr. J. B. McKenzie has the contracts for all these building.....Mr. Alex. Bell is building for himself a fine two-story brick veneer residence on Knox Street. He has it about ready for the brick.

GEORGETOWN DEFEATS ACTON

Wins out in Tenth Innings by Score of 7-6 After Acton Had Lead Most of the way

SPLENDID WORK BY BOTH TEAMS

Last Saturday Georgetown witnessed a fast game of ball between their team and the Acton nine. It was a return game for the one played here the week before and the class of ball played compared favorably with that of the previous game. Of course both teams went out to win, but it looked as if Acton had the game on ice until the eighth innings. Up to that time the score always stood in Acton's favor it being at different times: 2-0; 2-1; and 4-1. Perhaps the Acton bunch thought the rest was a cinch, but if they did they were badly mistaken, for as Acton "blew up" in the eighth Georgetown "tightened up" and pulled in four runs, standing one run to the good. Acton came back in the ninth and evened the score, but the damage was already done, as only Georgetown was able to score in the tenth, the winning run being made possible by a two-bagger by Roy Arnold, which brought in a man on second. The line-up and score was as follows:

SOCIETY WOMEN'S HAIR

A Simple Treatment That Will Make It Truly Fascinating. A. T. Brown Guarantees It

Nowadays every up-to-date woman has radiant hair.

What a foolish creature a woman would be if she lost the opportunity to add to her attractions.

Yet in Canada to-day there are hundreds of thousands of women with harsh, faded, characterless hair who do not make any attempt to improve it.

In Paris most women have beautiful hair, and in Canada all women who use Parisian Sage have lustrous and luxuriant hair.

And any woman reader of the FREE PRESS can have attractive and lustrous hair in a few days' time by using this great hair rejuvenator, Parisian Sage.

A. T. Brown sells a large bottle for 50 cents and he guarantees it to banish dandruff, stop falling hair and itching scalp in two weeks or money back.

Parisian Sage is an ideal hair tonic, not sticky or greasy.

Clean Within!

Dr. Morse's Indian Root Pills Purify the Blood and Prolong Life

Vigorous health of 70 due to Dr. Morse's Indian Root Pills.

If as much intelligent care were given to keeping the body clean and pure within as well as without we would see more healthy, vigorous old men and women. The daily bath does its part by keeping the pores of the skin open so that they throw off much of the body's impurities, but it is even more important that the bowels and kidneys should be kept regular and active.

If the bowels fail, as they often do late in life, to move regularly at least once a day, the waste matter from the food accumulates, decays,—poisons the system and upsets the stomach.

If the kidneys are sluggish the impurities which they should filter from the blood remain and cause rheumatism.

Dr. Morse's Indian Root Pills regulate the bowels, stimulate the kidneys and open up the pores of the skin. The result is a body clean within—pure, red blood—good digestion—and a hale and hearty old age.

Three generations have proved the value of Dr. Morse's Indian Root Pills, and their sale is steadily increasing all over the world.

CHEWSONS CORNERS

Quite a number from this vicinity will visit the Toronto Exhibition this week and next.

We regret to state that Miss Jennie Crowson, who returned from St. Joseph's Hospital last week, has suffered a relapse and is now in a very critical condition. Her many friends will hope that she will yet recover.

Mrs. H. Roy Wansborough has returned from St. Joseph's Hospital, Guelph, and is regaining her former health.

Mr. and Mrs. M. Crowson, of Milton, Mr. Joseph Crowson, of Detroit, and Miss Annie, of Burlington, have been called home through the illness of their sister.

Miss E. Barnes, of Toronto, visited at her uncle's, Mr. Robert Wansbrough, last week.

Mrs. J. H. Crippe returned home on Saturday after spending a week very pleasantly with Georgetown friends.

Mrs. W. F. Doran, of Cranbrook, B. C., spent a few days this week with her aunt, Mrs. Jas. Gamble.

Even people who are usually healthy occasionally require some kind of a food tonic. Ferrovim, that excellent combination of beef, iron and sherry wine, if taken when the system is run down from overwork or a slight cold, will prevent a more serious illness. Ferrovim gives strength to convalescents and all thin-blooded people. $1.00 a bottle.

Many watches come to us by mail from all parts of the Dominion, such far and near—Acton, Rockwood, Erin, Elora, Fergus, Ayton, Nassagaweya and in fact every village around within 30 miles, and a large number from Manitoba, Alberta and Saskatchewan. We pay return postage and guarantee a good job, everything being warranted for a year. It is much better to send your watch to some one you know, who is a good workman than to run chances by giving it to some one perhaps nearer home, but who may not have the proper training or experience. No job is too common for us to do. Send us anything in the jeweler's line and we will do our best.—Pringle, the Jeweler, Guelph.

ASHGROVE

The home of Mr. and Mrs. A. J. Johns in Fargo Ave. was the scene of a pretty wedding on Wednesday evening, 17th Aug., at 8 o'clock, when their niece, Miss Carolyn Moshack, was married to Mr. Percy Hugh Morrison, of Boston, the Rev. George Gray Ballard, Jr., officiating. The house was decorated with pink roses and greens, a screen of palms hiding the orchestra which played the wedding music. The bride, who was given away in marriage by her uncle, Mr. A. J. Johns, wore a robe of princess lace and carried lilies of the valley. She also wore the bridegroom's gift, a pearl and sapphire brooch. Miss Florence Moshack was her sister's maid of honor, wearing salmon colored messaline satin and carrying white roses. Mr. C. M. T. Hecklebank, of Toronto, was the best man. Mrs. Johns was gowned in wisteria messaline satin and Mrs. Hugh Morrison, of Ashgrove, Ont., mother of the bridegroom, wore a black silk gown. The bride's table of twelve covers was decorated with pink roses. Among the guests were Mr. and Mrs. Hugh Morrison, of Ashgrove, Ont., and Mr. and Mrs. Edward Jeckel, of Orchard Park. Mr. and Mrs. Morrison will make their home in Boston.—Buffalo Express.

Mr. and Mrs. Hugh Morrison were in Buffalo last week attending the marriage of their son, Percy H., to a lady of that city. Percy and his bride have our best wishes for a long, prosperous and happy wedded life.
