SALE
OF VALUABLE PROPERTY
AT KINGSTON.

OVEREND *vs.* CAMERON.

IN Pursuance of a decree made in the above cause, will be sold, with the approbation of James Alexander Henderson, Esquire, Master in Chancery, on Friday, the Fourth day of August next, at twelve o'clock, noon, by James Linton, Auctioneer, at his Auction Rooms, in the City of Kingston, that valuable property known as the "City Brewery," in Kingston, lately in the occupation of Angus Cameron.

This property is composed of part of Water Lot Number Thirty-Four, in the City of Kingston, and comprises also all the land lying between the said lot and Ontario Street, known as Lots Numbers Two and Three in the subdivision of the block by George Herchmer Markland.

It has a frontage on Ontario Street of about one hundred and forty-five feet.

The situation of the property for business or manufacturing purposes is excellent, abutting, as it does, on the harbour, being provided with a wharf, and having also a large frontage on the principal manufacturing Street in Kingston. It adjoins the premises of the Kingston Water Works Company and the Engine Works of Messrs. Davidson and Doran.

The building on the premises formerly used as a Brewery, and which was large and commodious, has lately been consumed by fire, but the walls are still standing and could in part be used in rebuilding.

There are Two Frame Houses standing on Ontario Street upon the property to be sold; also a Stone House, in an unfinished state. The Frame Houses are in good repair.

There is alongside the wharf a sufficient draft of water to accommodate vessels of large draft.

The property will be sold in one block.

The purchaser shall, at the time of sale, pay down one-tenth of the purchase money to the Vendor's Solicitors, and shall pay the remainder of the purchase money in one month from the day of sale, without interest.

The covenants to be given by the vendor to the purchaser shall be stated at the time of sale.

In other respects, the conditions of sale will be the standing conditions of the Court of Chancery.

For further particulars and conditions of sale application may be made at the office of Kirkpatrick and Kirkpatrick, Ontario Street, and O'Reilly & O'Reilly, Anchor Buildings, in the City of Kingston, and to Angus Cameron, Esq., on the premises.

AMERICAN WATCHES.
THE AMERICAN WATCH Co.
OF WALTHAM, MASS.,
Having recently increased their facilities for manufacturing Watches, by large additions to their buildings and to their force of workmen, are desious of introducing their products into Canada, a market which they have hitherto been unable to supply, owing to the large demand for their Watches in the United States.
The reputation which these Watches have acquired in the States, may be judged of by the fact that since the Company began their business, nearly 150,000 Watches of their manufacture have passed into use among the people, and have given, with rare exceptions, the utmost satisfaction to all who have tried them. They have superseded in this market all other Watches coming within the range of their prices.—The Company have attained this result solely by making
GOOD WATCHES,
AND SELLING THEM AT MODERATE PRICES.
At the present rate of Exchange between the two countries, American Watches can be sold for Canada currency at about one half of the currency prices in the States; and as we have not advanced the prices of our Watches since the war commenced in proportion to the rise of gold, this state of exchange renders them cheaper, in reality, than they were before the war.
The Company do not solicit orders for single Watches, but will be happy to furnish every one with full information respecting them, and to fill such orders from the Watch Trade as they may be favored with.
