GOOD NEWS FOR DUNVILLE.—We learn from a reliable source that, in a month from this date, the Welland Canal will be led from Lake Erie, the dredging having been completed to the lake level. This welcome announcement is of the greatest importance to this village, as the mills and factories already existing, and others that are to be built here, can be supplied with any quantity of water all the year through. Mr. Richard Clarke, of St. Catharines, is in the village, with the intention of making arrangements for the immediate rebuilding of the sawmill lately destroyed by fire. No doubt other capitalists will soon be attracted here and erect factories, &c, as the advantages of this place for water power are unsurpassed on this peninsula.—Dunville Independent.

AYER'S CATHARTIC PILLS

ARE the most perfect purgative which we are able to produce, or which we think has ever yet been made by anybody. Their effects have abundantly shown to the community how much they excel the ordinary medicines in use. They are safe and pleasant to take, but powerful to cure. Their penetrating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart a healthy tone with strength to the whole system. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and, being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief, were they not substantiated by men of such exalted position and character, as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of our remedies, while others have sent us the assurance of their conviction that our Preparations contribute immensely to the relief of our afflicted, suffering fellow men.

The Agent below named is pleased to furnished gratis our American Almanac, containing directions for the use and certificates of their cures, of the following complaints: Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from foul stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases which require an evacuant medicine. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstruction of its functions.

Do not be put off by unprincipled dealers with other preparations which they make more profit on. Demand Ayer's and take no others. The sick want the best aid there is for them, and they should have it.

Prepared by DR. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo159

The ship Anna Schmidt, which was destroyed by the Alabama off the coast of South America, had on board a quantity of Ayer's Cherry Pectoral for California. Dr. Ayer & Co. now appeal for redress direct to the British Government, as the responsible party in this wicked business, and base their claim for payment and protection on the ground of humanity, as their commodities are wholly for the sick. Their point is well taken, and will doubtless be pressed with the pluck and persistency which characterize the operations of these celebrated chemists.—[Baltimore Clipper. 159

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

*** Tows much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

*** Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,

*** I have been a great sufferer from Dyspepsia, and had to abandon preaching. *** The Plantation Bitters have cured me.

REV. J. S. CATHORN,

*** Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,

*** I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

*** The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

*** The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
