GREAT EXCITEMENT IN ICE.

Opposition is the Life of Trade

THE UNDERSIGNED, in returning his sincere thanks for the liberal support he has received from the inhabitants of the City of Kingston for the last twenty years, begs to state that he is still able, willing and ready to commence to supply House Keepers, Hotel Keepers, Steamboats, Schooners, &c., &c., &c., on the most reasonable scale. He begs to state at the same time, that he has a good clean supply of Ice. It has not been taken out of the vicinity of Bell's Island, nor yet is it taken from the Vicinity of Morton's Hog Pens, Cattle Stalls and Brewery Suckage, nor that of the Provincial Penitentiary, where the inhabitants of the city can best judge what quality of Ice can be procured in that quarter. His Ice is taken out of a good locality, in the neighborhood of Barriefield, near the landing of the late Major caddler. Hoping to still merit a continuance of that liberal support he has received heretofore,

Respectfully,
ROBT. SPENCER.

N. B.—Ice delivered throughout the whole summer, SUNDAYS NOT EXCEPTED, from 5 o'clock A.M., till 10 P.M., and in cases of emergency can be had at all hours, at his dwelling house, head of Princess Street, opposite to Mr. Denis Branigan's New Brick Block.

FIRE DEPARTMENT.

The Company commenced business in October, 1861, as a Fire Office, and was called into existence to modify the excessive rates demanded by the combined Offices after the Great Fire in Tooley Street, London. The success which has attended the Company's operations has been such as fully to realize the most sanguine expectations of the Directors, and has induced them to extend their operations to Canada, where the General Agents are prepared to take proposals for Insurance against Loss by Fire of Property of every description.

LIFE DEPARTMENT.

The marked preference shown for an Office which studies the interests of the Public as well as of its Proprietary, induced the Directors to transact Life Business with the intention not to favor one class of Policy-holders at the expense of another, but, resolved that the same liberal views which have gained for the Office the confidence of the Public in its Fire Branch, shall guide them in the management of the Life Department, they extend to the Assured every benefit which science warrants or experience suggests.

Among the benefits of this Company may be enumerated—Moderate Rates o Premium—Eighty per cent of the Profits divided among the Assured—Very liberal surrender value given after three years—Thirty days allowed for payment of Premiums, and further extension of time on easy terms—Unchallengeable Policies—Credit System—Service permitted in Volunteer Corps—Convenient and liberal terms, whereby no Policy need lapse, through any temporary difficulty, in the payment of a Premium.

Further and fuller information may be obtained by calling at the Office, Nos. 221 and 223 St. Paul Street.

DR. LA'MERT
ON
Self-Preservation.
Price with Engravings and Cases 25c. by Post, 50c.

SELF-PRESERVATION: a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth or excesses in maturity, which by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence.

By DR. LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigor upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner, whose name stands on the 'Medical Register,' (the sole test of medical qualification,) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety and to any address.

WONDERFUL CURES ARE DAILY EFFECTED.
RADWAY'S READY RELIEF.
ITS THREE METHODS OF APPLICATION.

Either of which for the ailments and diseases prescribed, will afford immediate relief, and consequent cure.

RUBBING THE SPINE.

This method of application should be resorted to in all cases of SPINAL AFFECTIONS, OR WEAKNESS, RHEUMATISM, NERVOUSNESS, NEURALGIA, LUMBAGO, SPASMS, SCIATICA, GOUT, Paralysis, Numbness, Diseases of the Kidneys, Bladder, Uretha, Difficulty of Passing Water, Pain in the Small of the Back, Cramps and Spasms, PAIN in the Hips, Back and Thighs, Weakness and Lameness in the Back or Legs.

And in all Female Complaints, such as Leucorrhœa, Weakening Discharges, Obstructions, Retention, Weakness, Prolapsis Uteri, Hysterics, Headache, &c., &c.

In these cases, the entire length of the Spine should be rubbed for 10 or 20 minutes, three times per day. In many instances the most severe and agonizing pains will cease during the process of the FIRST RUBBING. Its continued use a few times will cure the patient of the most aggravating and long standing diseases.

Persons suffering from either of the above named complaints, should not hesitate a moment to apply the Ready Relief, as directed. *It will surely cure.*

The Rubbing should be continued until a sense of heat and irritation or burning is experienced. If you succeed in securing this action on the skin and back, you may feel perfectly satisfied of a cure—it is a sure sign.

SECOND METHOD OF APPLICATION.
APPLIED EXTERNALLY.

By Rubbing the part or parts of the body where the disease or pain is seated, with the Ready Relief.

In ninety-five cases out of one hundred, the most severe pains will cease by one Rubbing with the Relief.

IN ATTACKS OF SORE THROAT, HOARSENESS, CROUP, DIPTHERIA, INFLUENZA, THE RELIEF SHOULD BE APPLIED TO THE THROAT AND CHEST. IN A FEW MOMENTS THE SORENESS, IRRITATION AND INFLAMMATION WILL CEASE.

Let the Ready Relief be applied in this manner for the following complaints:

RHEUMATISM, TIC DOLOREUX, TOOTH-ACHE, HEADACHE, EARACHE, INFLAMMATION OF THE STOMACH, BOWELS or KIDNEYS, SPRAINS, STRAINS, CUTS, BRUISES, WOUNDS, CRAMPS, BURNS, SCALDS, PIMPLES, BLOTCHES, MOSQUITO BITES, STINGS OF POISONOUS INSECTS, CHILBLAINS, DEAFNESS, SUN STROKE, APOPLEXY, EPILEPTIC FITS, ASTHMA, BALDNESS, SORENESS and PAINS IN THE LEGS, FEET, JOINTS, &c., LAMENESS, SWELLINGS of the KNEES, FEET, LEGS, &c., SORE EYES, and in all cases where there is pain or distress, the READY RELIEF, if applied over the part or parts, will afford immediate ease.

THIRD METHOD OF CURE.

TAKEN INTERNALLY.—One teaspoonful or more, if necessary, to a wineglass of water every hour until relief is afforded. One dose in most cases will prove sufficient.

DIARRHŒA, BILIOUS CHOLIC, LOOSENESS OF THE BOWELS, SICK or NERVOUS HEADACHE, FOUL BREATH, HYSTERICS, WORMS, CHOLERA MORBUS, WIND CHOLIC, SPASMS, PURGING, HEARTBURN, FITS, SEA SICKNESS, DYSENTERY, CRAMPS, VOMITING, SOUR STOMACH, HYSTERIA, CONVULSIONS, BAD DREAMS.

CANADA CHOLERA.

An immediate cure of this complaint is secured by the use of RADWAY'S READY RELIEF. Let those seized with it give it a trial. Use it as follows: Take a teaspoonful of RELIEF in a wine-glass of water, as a drink, every half hour. Two or three doses are generally sufficient. Also bathe the stomach and bowels with the RELIEF, and lay a piece of flannel soaked in RELIEF across the bowels. This will be found an effectual and speedy cure. In 1849 and '54, RADWAY'S READY RELIEF cured the worst cases of Asiatic Cholera after all other remedial agents failed. It has cured thousands of Diarrhœa, Painful Discharges from the Bowels, Cholic, Cramps and Spasms by ONE dose.

One pint of proof spirits, mixed with one bottle of Ready Relief, will give a superior liniment to any in use. This mixture is used by the most celebrated sporting gentlemen in Europe and America, in the treatment of Swellings, Galls, Sprains, Strains, Spavins, &c., on horses. Persons desirous of a good liniment, try it.
