CHRISTMAS

Every succeeding Christmas brings new and joyous thoughts. The happy season never loses its interest. It always sheds gleams of light on the dreary lot of thousands whose lives are rarely brightened with the sunshine of gladness. Every Christmas is enriched and blest by memories of past Christmas seasons that were crowned with the light of joy, or chastened and made sacred by the shadow of sorrow, absence of friends far away, or perhaps called away to the eternal home.

Christmas is the time of family gatherings, and memory tenderly recalls the absent and loving through all the pleasant merry-making.

It is essentially the children's day and previous visits of Santa Claus fill their minds with bright anticipations of his expected visits this year. It has become the season of the giving of gifts and remembrances, and if every gift is the token of a personal thought, a friendly feeling, and an unselfish interest in the joy of others, then the thought, the feeling, the interest, may remain after the gift is made.

But the religious associations of Christmas are its most precious influences. We rejoice because a Saviour was born and we sincerely enjoy all the happiness associated with His advent. His birth changed the whole current of the world's history, and it is fitting that it should be especially marked by a social anniversary. No other day has taken so firm a hold upon the heart of humanity the world over, as Christmas.

We wish all our readers, young and old, the compliments of the season and much happiness and prosperity during the coming year.

EDITORIAL NOTES

It appears to be very generally conceded that it will be wisdom on the part of the town to re-elect the present Council by acclamation. No new names are being put forward aggressively. It will be a very agreeable and economical procedure to secure a Council for next year without the trouble of an election on a holiday.

Municipal matters in Esquesing township are beginning to warm up. The present Reeve, Mr. Wm. Thompson will again be a candidate for the Reeveship. He will, in all probability, be opposed by Deputy-Reeve Wrigglesworth. Mr. John Bingham will be a candidate for Deputy-Reeve. The other members of the Council, Messrs. Campbell, Cox and Brown are all likely to stand. It is rumored that Mr. D. Reid, of Glenwilliams, Mr. Robert Hoar, Union, and ex-Reeve McGibbon may also be candidates.—Herald.

The Advance Annual issued as a Christmas number of the Advance Printing Co., of Kemptville, Ontario, is one of the finest productions of a weekly paper we have seen for some time. From a mechanical standpoint it is highly creditable, while its literary character is most worthy. The Advance celebrated the year 1910 by removing into a commodious new office fitted and arranged with all the modern labor saving devices and conveniences. The Free Press has pleasure in congratulating Mr. B. A. Seely, the manager, upon his enterprise and success.

PRESENTATION AND ADDRESS

Interesting Family Gathering at the Home of Mr. and Mrs. James Moore, Crewsons Corners

On Friday evening, 16th inst., at Mount Pleasant Farm, the home of Mr. James Moore, Sr., a very pleasant evening was spent by the members of the family. During the evening the gathering was called to order by Mr. J. H. Denny, who acted as chairman, and after a short speech he called on Mr. A. T. Moore to read the following address:

Dear Father and Mother:

As we are approaching another Christmas season, and realizing, too, that God in His wisdom and goodness has been pleased not only to spare you both, but also every member of your family, and as we meet to-night in the old home and recall pleasant memories of the happy days spent around the old fireside, we would desire to express our sincerest gratitude to Almighty God for long life and the continued enjoyment of good health to you both.

As a token of our love and good wishes we ask you to accept these fur coats, not for their intrinsic value, but to express a slight token of our love for you. We would pray that the Giver of all good may spare us all to enjoy many family re-unions here, and when life is over to meet, an unbroken family in the home above.

(Signed) THE FAMILY.

Mr. and Mrs. Moore, who were completely taken by surprise, thanked the family for their beautiful presents, after which short speeches were made by Messrs. Wilde, Cooper and James Moore, Jr. The remainder of the evening was spent in games and music by the company.

—The piano recital in the Methodist School room on Christmas evening—next Monday—will be unique and highly enjoyable.

PRINCIPAL STEWART REMAINS

Board Offered Higher Salary and he has Accepted Re-Engagement

FORTUNATE FOR OUR SCHOOLS

After advertising in the leading dailies for over a week and receiving only one application for the position of Principal of Acton Public and Continuation Schools, and the applicant a lady, the Board of Education concluded the situation was critical, and called a special meeting last Friday evening to discuss the most advisable steps to take.

All the members were present, Mr. Mowat, Chairman, presiding.

A letter was read from J. S. Deacon, Inspector, who had been requested to aid the Board in the securing of a Principal, stating that he feared it would be impossible for him to give the Board assistance as he had no knowledge of any properly qualified teacher available.

The Board would not entertain the application from the lady for the Principalship.

Trustee Williams felt that the Board had made a mistake in accepting the resignation of Principal Stewart.

Mr. A. E. Nicklin suggested that a committee composed of the Chairman and Dr. Ault should wait upon Mr. Stewart and ascertain if he would entertain a proposal to reconsider his resignation, and if so upon what terms.

This was concurred in and the committee visited Mr. Stewart who accompanied them to the meeting.

After a lengthy consultation an agreement was arrived at and the following resolution was carried, Principal Stewart accepting the terms:

Moved by J. Williams, seconded by A. E. Nicklin, that this Board hereby accepts the proposal of Mr. W. H. Stewart, for re-engagement as Principal, at the salary of $1,100.00 for initial salary from January 1st, 1911, with an annual increase of $50.00 until the salary shall reach $1,200.00.—Carried.

The fourteenth report of the Committee on Finance passed the following accounts:

R. Whitelaw, set of grate bars, 275 lbs.	$7 57
W. E. Moore, 2 doz. pairs scissors for primary department	3 60
Globe Printing Co., adv. for teacher	1 10
Mail Printing Co., adv. for teacher	1 05
The Secretary, postage and stationery, six months	2 51
George H. Wheeler, freight on grates	65
Corporation of Acton, 25 boiler tubes	6 25
	$22 40

Reference was made to the very harmonious sessions of the year and the cordial thanks of the Board was tendered to Mr. John A. Mowat for his able and courteous fulfilment of the duties of Chairman.

The Board then adjourned.

FARMERS' BANK HAS SUSPENDED

$148,000 of the $567,357 Capital Stock Held by Residents of Halton

A FEW THOUSANDS IN ACTON AND VICINITY

The Farmers' Bank of Canada, with headquarters at Toronto, suspended payment on Monday afternoon.

The Farmers' Bank began business Jan. 2, 1907. The authorized capital is $1,000,000, of which $581,500 has been subscribed and $507,570 paid up. The directors are:

Lt.-Col. James Munro, Embro, (president) $10,100 worth of stock.

W. R. Travers, Toronto, (vice-president) $8,200.

Allan Eaton, Mt. Nemo, Ont., $11,800.

Burge Gundy, Kilbride, Ont., $22,000.

W. G. Sinclair, Zimmerman, Ont., $10,000.

A. Grooves, M. D., Fergus, Ont., $5,000.

John F. Ford, Omagh, Ont., $5,000.

General Manager Travers says the cause of the trouble was the remarks of Judge Harding from the bench at Lindsay, where three ex-employees of the Farmers' Bank are on trial for conspiracy in connection with the Keeley mine, which were so damaging to the credit of the Farmers' Bank that confidence waned, and throughout the province among the 20 branches the demand for funds on the part of depositors were so great that he saw that to be fair to all and to give preference to no creditors, it was necessary to suspend payment.

"If I am given a chance," continued Mr. Travers, "to take care of the assets of the bank, and especially of the Keeley Mine, which I understand and highly value, I can pay 100 cents on the dollar and have a profit.

"What I would like would be 90 days of hard work, in co-operation with the curator, in order that the Farmers' Bank might resume business. If I am given some latitude, with my intimate knowledge of the assets of the bank, I know that within the 90 days I could straighten things out and have sufficient funds on hand to pay every creditor. My ambition is to put the bank into such shape that it can resume its position."

Of the 700 shareholders 152 are resident in Halton County and hold stock to the amount of $148,000, more than one-fourth of the paid up capital of the bank. Four of the directors are Halton men, Messrs. Burge Gundy, Kilbride; Allan Eaton, Mt. Nemo; W. G. Sinclair, Zimmerman, and Reeve Ford, of Trafalgar.

The majority of the county stock is held in the vicinity of Milton. About $2000 is held in Acton and vicinity. The Farmers' Bank has branches at Milton and Norval.

DUBLIN

The annual meeting and oyster supper of Dublin Beef Ring Association was held last Friday evening at the home of the President, Mr. John McDonald, third-line. A very enjoyable evening was spent by the members and their ladies.

The past year has been a most satisfactory one for the members of the Beef Ring. Twenty very fine young animals were slaughtered, and prime beef was supplied every week from the 1st June until late in October.

The officers for the coming year are John McDonald, President; Jos. Flynn, Secretary.

POOR ED. NEILSON'S SAD ENDING

Took Carbolic Acid in Toronto and Died on Saturday Night in St. Michael's Hospital

"SICK, BROKE, BOOZE, JUST BOOZE"

Monday's dailies reported that a Toronto policeman was walking his beat Saturday night when he came across a man sitting on the sidewalk at the corner of Queen and Church Streets. Noticing a peculiar odor, he bent over the man and asked him if he had taken any carbolic acid.

Rising to his feet, the man said, "Don't say anything." Then he was taken to St. Michael's Hospital, where everything was done that was possible for him, but he died within twenty minutes without giving his name or saying anything more about himself.

When the man's clothes were searched, the pocketbook with his last message written in it, was found, besides a small leather wallet containing three trunk or valise keys, a lead pencil, two shoe laces and a horn-handled pocket knife. The message was as follows:

"Sick, broke.

"I will cross the divide for my Christmas.

"P. S.—Booze, just booze."

His body was taken to the morgue, and there it was found that on his collar and shirt were the initials J. E. N. The man was about 55 years old, grey hair, grey eyebrows and black moustache streaked with grey. He was about 5 feet 11 inches in height.

His clothes were of good quality and his linen clean. He wore a brown suit, dark grey cravenette overcoat, red and green necktie, with opal tie-pin, blue negligee shirt, black shoes and a wide-brimmed black hat.

On Monday the unfortunate man was indentified by a sister as J. E. Neilson.

Deceased had lived in Acton for a couple of years. He was an intelligent well-read man, had been a school teacher, but had gone gradually down owing to his drinking habit. He was for a time porter and hostler at the Dominion Hotel and was for a month or two employed by Mr. G. A. Black, and subsequently worked at one of the tanneries. Several months ago, owing to ill-health, he went to the Guelph Hospital and subsequently to Toronto. He has relatives in Esquesing. His sad, tragic ending is much regretted.

A GREAT RAILWAY SYSTEM

Hardly a town, village or city in Ontario that does not receive daily benefit from the operation of the Grand Trunk Railway System, and considering the net work of Branch line connections, it is wonderful with what regularity trains run. Not only is a good service provided between points in Ontario, but this line also reaches nearly all the important cities of Michigan, viz: Flint, Saginaw, Bay City, Lansing, Jackson, Grand Rapids and Muskegon, South Bend, Ind., and the second city in America, viz: Chicago, Illinois, the gateway to the Northwest, West and South, bringing Ontario in close connection. On the East, the Grand Trunk connects Ontario with Montreal, Quebec, the Maritime Provinces and Boston, Mass.

With a double-track line all the way from Chicago to Montreal, and also to Niagara, connecting with Lehigh Valley for New York, the Grand Trunk reaches out in all directions for your patronage, and well deserves it, for its vestibule coaches, Parlor and Dining cars and modern Pullmans, give the service desired.

Consult your nearest Grand Trunk Agent for information regarding your next trip.

CREWSONS CORNERS

We join in wishing the Free Press, its editor and staff, together with the large circle of readers, a Merry Xmas and a Happy New Year.

The Christmas Number of the Free Press to hand and it is certainly a beautiful paper. While we expected something grand from the Free Press yet this number far exceeded our expectations. Each reader, old and new will be proud of this number, in fact they can well be proud of the Free Press, as it is one of the best, if not the best paper, edited in any town in our fair Dominion.

The patrons of the Bell Telephone in this locality are more than delighted with the telephone service and now wonder how they have done without it so long.

The rumble of the municipal election wagon is again heard in the land. In Erin Township ex-Deputy Reeve A. B. Murray is in the field and we are hopeful for his election, as the township certainly needs a representative in this locality.

In Eramosa and Nassagaweya the electors will be acting very wisely if they elect the present councils by acclamation. These townships are certainly well represented and there is no need of a change.

Mr. F. Day, who was quite ill during the past week, has recovered.

THE BODY OF NEIL KEITH FOUND

By His Brother Angus Who Left Acton Several Weeks Ago to Search

A WELL-KNOWN CONTRACTOR

The friends here of Neil Keith received the news last week that his body had been found in the hills, several miles from his camp at Maryfield, south-west of Moose Jaw.

When he disappeared Mr. Keith was in poor health, and was proceeding from one camp on the line of the C. N. R. to another. He evidently lost his way and died through exposure. His team returned to camp alone.

Immediately upon receiving intimation of his brother's disappearance Mr. Angus Keith left Acton determined to search for him until he found him or his body. It was six weeks after he left camp that his frozen remains were discovered.

Neil Keith was a son of the late Neil Keith, Sr., and has been contracting in the North West for many years. He was one of the most successful and best known contractors in the west and was much thought of by those who knew him. His many friends here will regret his untimely end. There has been no intimation as to the interment of the remains.
