THURSDAY, FEBRUARY 2, 1911

BRIEF LOCAL ITEMS

—February—second month.

—The prolonged January thaw did not end the winter.

—Halton Protective Association has 125 members enrolled.

—H. P. Moore issues marriage licenses, at his office or residence.

—The week opened with very cold, blizzardy weather after the mild spell.

—Monday was the Chinese New Year's Day. This is also their leap year.

—It is proposed to transform the Imperial Hotel, Guelph, into three stores.

—The weekly Choral Society rehearsal has been withdrawn for next Monday evening.

—The teaming of wood and logs to town has been resumed with the improved sleighing.

—The ice men have been busy with their harvest lately. The crop is very good this season.

—Governor McGibbon reports sixteen vagrants in Milton jail, with nothing for them to do.

—The Bank of Montreal, Guelph, is to be improved by the expenditure of $17,000 in alterations.

—The snow fall on Monday saved the sleighing again and it is now quite passable in most places.

—The Holmes & Garden billiard rooms have been removed to the second floor of Geo. Wallace's store.

—Miss Doty is training Oakville Methodist Sunday School for a concert to be given next Monday evening.

—The annual report shows that the receipts at Oakville Fair last fall were $200 in advance of any previous year.

—The big thaw of last week almost annihilated the sleighing, after two full months of better winter roads than usual.

—Mr. Charlot, of Toronto, will deliver an address on "Ideals" in Knox Church this evening. He will also render several solos.

—The special services in the Methodist Church are being continued from night to night this week. They may close, however, any night.

—The members of Wellington County Council have voted themselves $5.00 per day for their services. They have four sessions of about six days each.

—The congregation of the Methodist Church will attend the Baptist Church next Sunday morning and enjoy the anniversary sermon of Rev. Prof. Matthews.

—Principal Stewart is expected home from Parry Sound on Saturday. He will resume his duties here next Monday. Mr. Howard Black has proven a very satisfactory substitute.

—Cobourg complains of the large number of children who are allowed to run the streets at night, and the Town Council has been petitioned to pass a curfew by-law. Same here.

—Mr. J. H. Peacock, Milton, has been appointed census taker for the County of Halton for the Dominion census. There will be besides about 30 enumerators for the county.

—The first annual banquet of Nelson and Burlington Agricultural Society will be held at the Hotel Brant, Burlington, to-morrow evening. The President, ex-Warden Smith, will preside.

—The Annual Convention of the Ontario Branch of the Dominion Alliance will be held in Cooke's Presbyterian Church, Toronto, on Tuesday, Wednesday, Thursday, February 14, 15, 16, 1911.

Local Option for Berlin and Waterloo

At a convention of temperance workers of Waterloo county in Berlin on Monday, it was unanimously decided to recommend that every municipality in the county, at present under license and not debarred by the three-year prohibitory clause, inaugurate a local option campaign as speedily as possible with a view to submitting the by-law in January, 1912. Mr. Thomas Hilliard, Manager Dominion Life Assurance Co., Waterloo, was elected President and Rev. J. E. Lynn, Berlin, Secretary-Treasurer. Addresses were delivered at the sessions held afternoon and evening by Rev. B. H. Spence, General Secretary of the Dominion Alliance, and Rev. W. Kittlewell. The convention was largely attended and very enthusiastic.

A Georgetown Philanthropist

The generosity of Mr. J. A. Willoughby in donating that beautiful site on Mill Street on which to erect a new public library, is a further evidence that he has a deep interest in the welfare of the town in which he has made his home. Since he became a citizen he has spent thousands of dollars in building and improving his properties, and, besides being instrumental in helping establish industries, has always taken a deep interest in anything that would tend to the building up of Georgetown. It is to be hoped that the Public Library Board may be able to make satisfactory arrangements regarding the necessary capital required for the erection of a suitable building, and that ere long our citizens may point with pride to a model library and a further mark of progress in the history of our town. If a few more of our citizens would follow Jack's example and "loosen up," it would hardly be necessary to call on "Andy" for assistance.—Herald.

NEWS OF LOCAL IMPORT.

Annual Meeting of Bible Society

The annual meeting of Acton Branch of the Bible Society will be held in the Methodist Church on Thursday evening, 9th inst. Rev. A. Blair, B. A., of Nassagaweya, will deliver the annual address.

Lively Work Handling Bark

The influx of hemlock bark is unusually large at present. Messrs. Beardmore & Co., had 300 cars in the G. T. R. yards here and en route, the first of the week. Foreman Macdonald has more men at work now than ever before. He gave out cheques to between 70 and 80 men last Friday night.

They Put up Their Signs

There were very ample manifestations about town on Thursday morning that the liquor dealers of Milton did a big business with certain citizens who accompanied the hockey enthusiasts to the Victoria-Milton game. It is only fair to say that the hangers-on referred to are seldom if ever in a condition to play hockey, though they generally take a "skate" when they get into whisky-dispensing territory.

Rev. Dr. Clark to Retire in June

The Herald says: "We understand from Rev. Dr. Clark that he intends at the close of the present conference year to retire from regular circuit work. Dr. Clark has been in the regular work for 45 years without a break." Dr. Clark has been pastor of the Methodist Church, Georgetown, the past three years.

Old Cannon on Lake Shore

The two large cannon were drawn from the old fort, Toronto, to Oakville on Tuesday and now decorate the lake bank and point out into the lake, so if those Grimsby people become fractious we shall be obliged to drive a shell or two into their midst and teach them to behave. The guns weigh four tons each and were built for seige purposes instead of field work.—Oakville Star.

Municipal Officer Harvey Re-engaged

At a special meeting of the Municipal Council on Monday evening, all the members being present, John Harvey was re-engaged as municipal officer for another year. Mr. Harvey has just completed his first year, and his services have been eminently satisfactory. In recognition of the splendid work of the past year, and his careful keeping of the books and accounts pertaining to his department, his salary was increased to $650.

Baptist Anniversary—Next Sunday

Anniversary services will be held in the Baptist Church next Sunday. Rev. Prof. Matthews, of McMaster University, Toronto, will preach at 11 a. m. and 7 p. m. Special music will be given by the choir. On Monday evening Mr. Thos. McGillicuddy, of Toronto, will deliver his lecture on "The Centre of the World." Both Prof. Matthews and Mr. McGillicuddy are popular and acceptable speakers. The congregation is asked to contribute a free-will offering of $180 to cover the balance due on the erection of the church sheds.

Competition in Sewing, Mending, etc.

The regular monthly meeting of the Woman's Institute will be held in the Council Chamber on Friday afternoon, 3rd February. The exhibition of entries for prizes in the competition in plain sewing, mending, darning and making button holes by young lady members or daughters of the members of the institute will take place. The prizes offered have been on exhibition in the windows of the Free Press the past week. Competitors may enter in each of the classes, but only one prize will be awarded to any one competitor. All entries and exhibits must be at the hall by two o'clock in the afternoon.

Remains Brought from Laura, Sask.

Thomas Miller, for many years a resident of Acton, died at his home at Laura, Sask., on Sunday, 22nd January, after a long illness from cancer in the stomach. The remains were brought to Acton, arriving here on Tuesday morning accompanied by Mr. Orville Millar, son, and Mrs. W. N. Kennedy, the daughter, and her husband. In conveying the remains from Laura to Saskatoon, the terrible storm last week was encountered, and a delay of several days in getting through was caused. They left Saskatoon last Friday and reached Acton on the 10.15 train on Tuesday morning. Mr. and Mrs. Millar settled in Acton about twenty-five years ago. Mrs. Millar died at their home on Lake Avenue fifteen years ago. In 1907 Mr. Millar and his children, Mrs. Kennedy, now of Winnipeg, and Alfred, Orville and Clarence, all of whom survive, and resident in Saskatchewan, went to the west. The boys are all farming in Saskatchewan, near Saskatoon. Mr. Millar will be remembered by our older citizens as a hard-working man, who had a good word for everybody. Mr. and Mrs. Kennedy and Mr. Orville spent yesterday and Tuesday with friends at Georgetown and Hornby and leave on their return trip homeward this morning.

Installation of Officers—S. O. E.

The following officers were installed to their respective chairs by D. D. P. P., J. Hainsworth, of Berlin, assisted by Pres. Bro. Stericker, of Berlin:

Past President—W. Coles.
President—J. R. Stones.
Vice-Pres.—A Littley.
Chaplain—Rev. R. F. Kelleman.
Secretary—S. G. Gunton.
Treasurer—Rev. R. F. Kelleman.
1st Com., G. Cook; 2nd Com., C. Churchill; 3rd Com., R. Churchill; 4th Com., W. Daniels; 5th Com., H. Watts; 6th Com., S. E. Barnes.
Inside Guard—S. Taylor.
Outside Guard—T. G. Monckton.
Auditors—S. Taylor, A. Capon, W. Coles.

After installation all the brethren sat down to a well laden table of cold viands, which was provided by Retiring President Coles and the newly-elected President, J. R. Stones. The toast list included: "The King," by Rev. R. F. Kelleman; "The Visitors," by R. B. Evans, D. D. P. P., J. Hainsworth responded. S. Taylor toasted "Woodgreen Lodge, 302." Speeches were made by Messrs. Bowden, Pipple and Stericker, of Berlin, and W. Coles and R. B. Evans, of Acton. Recitations and songs were given by Messrs. W. Coles, H. Watt, J. R. Stones and F. Bush. D. D. P. P. Hainsworth made some very appropriate remarks about Woodgreen Lodge 302, regarding its progress, and stated that it was one of the best in the district.

FUNERAL OF HERBIE GAMBLE

Largely Attended by Friends and Citizens and the Fire Brigade

The funeral last Thursday afternoon of Herbert Stanley Gamble, the seventeen-year-old son of Mr. Thomas Gamble, Church Street, whose bright young life was so suddenly terminated as a result of a coasting accident the Monday evening previous, was very largely attended. It is a long time since any event has so thoroughly stirred up the feelings and sympathies of the community at large. The sorrowing parents and brother and sisters were the recipients of many expressions of tender and sympathetic interest and kindly intentioned acts.

The floral tributes were numerous and beautiful and were contributed as follows:

Helmet, from Acton Fire Brigade; wreath, from his friend Jack; wreath, from Miss Inma MacPherson; wreath, "Our Comrade," from his boy chums; pillow, from the family; wreath, from Beardmore & Co.; wreath, from the Light Leather Department, Acton Tanning Co.; wreath, from the Rounding Department, Acton Tanning Co.; wreath, from his fellow employees, at the Sole Leather Tannery; wreath, from No. 3 Beardmore Crescent; wreath, from Knox Sabbath School and Knox Guild; spray, from Mr. and Mrs. R. M. McDonald; spray, from Mr. and Mrs. W. R. Kenney and family; spray, from Susie and Willie Gamble; spray, from Mr. and Mrs. Joseph Holmes; spray, from Mr. and Mrs. G. C. Campbell; spray, from Mr. Percy Ham, Toronto; spray, from Miss Janie Massies, Toronto; spray, from Mr. and Mrs. I. Coon and family; spray, from Miss Mary McCuaig; spray, from Mrs. Geo. Campbell and Mrs. Collier; spray, from Mr. W. Worden and family; spray, from Mr. and Mrs. Geo. Lantz, Guelph; spray, from Mr. and Mrs. Chas. Gamble; spray, from Mrs. Will Millar and Mrs. Will Van Norman.

The funeral was held at two o'clock in the afternoon and was very largely attended. The Acton Fire Brigade, of which the deceased had been a torch-bearer for five years, acted as a guard of honor, under command of Chief McLeod. They wore their neat black uniforms with mourning badges.

The service was conducted by Rev. F. G. Burrell, B. A., assisted by Rev. Dr. Antliff. Mr. Burrell delivered a very tender and sympathetic address and referred to the splendid character of the young man, his love for his home; his regard for his parents; his active connection with Knox Church and Sunday School, and the high esteem in which he was held by everybody. He concluded with the following:

"Eve nor could blight or sorrow fade,
Death came with pleasing care;
The opening flower to heaven conveyed,
And bade it blossom there."

The pall bearers were six of Herbie's most intimate friends: John Moore, John Clark, William and Arthur Kenney, Arlof Dills and Victor Coleman. Misses Laura and Bessie Coon, Lena May and Myrtle Allan and Helen Warren and Dora Harvey acted as flower girls and accompanied the bearers with sprays of flowers from the residence to the hearse. The remains were interred in the family plot at Fairview Cemetery.

The following friends from a distance were in attendance:

Mrs. MacDonald, Miss M. Tompkins, Miss P. Ballantyne, Mr. W. W. Gamble and Mr. Samuel Worden, Georgetown; Mr. Woods, Miss Janie Massies and Mr. and Mrs. Norman Massies, Toronto; Mr. Erle Garvin, Milton; Mr. and Mrs. Geo. Lantz, Mr. and Mrs. W. Van Norman and Mrs. James Taylor, Guelph; Mr. and Mrs. W. Gamble, Rockwood.

THE ESQUESING AGRICULTURAL SOCIETY

Came out Even in Finances Notwithstanding the Wet Weather

The annual meeting of the Esquesing Agricultural Society was held in the Council Chamber here on Saturday afternoon, 21st inst.

The President, John Cunningham, occupied the chair. The financial statement, presented by the Treasurer was most satisfactory. During the year the Society held the most successful Spring Fair in its history and paid the prizes out of the balance. The Fall Fair was held on the worst days of the season, and after paying the largest prize list ever given, in full, the balance was slightly increased.

The following officers were elected:

President—William Cleave.
1st Vice-Pres.—Thomas Moffatt.
2nd Vice-Pres.—Hodgin Barnes.
Directors—Ward No. 1, G. A. Fisher; Ward No. 2, John Cunningham; Ward No. 3, E. G. Huffman; Ward No. 4, John L. Moore; Ward No. 5, A. G. Clarridge; Ward No. 6, H. G. Clark; Georgetown, S. H. McGibbon and Jas. A. McClure; Acton, William Johnstone.
Auditors—F. J. Barber and J. A. Devereaux.
Honorary Directors—G. A. Wrigglesworth, J. A. Willoughby, W. A. Wilson, Major Grant, Neil Gillies, John Hingham, William Thompson, R. C. McCullough and Thomas Cook.

THE INSTITUTE MEETINGS

The Farmers' and the Women's Institute Programmes Last Thursday

MANY PRACTICAL AND HELPFUL HINTS

Weather conditions and other claims upon the attention of the community that afternoon interfered with a large attendance at the meetings of the Farmers' and Women's Institute in the town hall last Thursday. However, there was a fairly good attendance at both the ladies' and the men's meetings.

Mrs. F. M. Watts, of Clinton, met the ladies in the Council Chamber and gave a most impressive and suggestive address on "What Mothers and Daughters Should Know and Remember." Many hints were given in the matter of home life, home training and impressions, the care of children, provisions to be made for emergencies to meet possible accidents or illness, and numerous other thoughts well worthy of emulation.

Mrs. A. T. Brown gave a much appreciated reading at the meeting. Mrs. G. A. Black, Vice-President, presided.

At the men's meeting Mr. G. Barbour, of Crosshill, who is a practical and successful stock-raiser, gave a splendid address on "Beef Cattle," furnishing information and experiences of value to all in the cattle business. Mr. R. M. McCurdy, of Vienna, explained and demonstrated the value of "Farm Drainage." He emphasized the added value to the average farm secured by proper drainage, explained methods of laying tile, and gave those present numerous hints of practical use.

The evening session was a very interesting one, and was more largely attended than those of the afternoon.

"Strawberry Culture" was the subject of Mr. McCurdy's address, and he showed very clearly how the raising of this luscious fruit can be made both pleasant and profitable. The different varities of plants, and best methods of planting and caring for them were fully explained.

Mrs. Watts' evening address was on "Happiness in the Home," and contained many practical hints on how to promote it. One of the reasons that so many children are on the streets at night, she affirms, is because their parents do nothing to entertain them in the home. There should also be more cheerfulness, and especially should this spirit prevail as we leave the home for our work, because we have no guarantee that we shall ever enter it again. Her address throughout was most helpful.

In his address on "Seed Grain" Mr. Barbour pointed out very definitely the advantages to be derived from sowing seed which was thoroughly clean and of the one variety, and urged that the farmers pay more attention to this part of the work, that greater and more satisfactory results might be attained.

The Methodist Sunday School Orchestra rendered numerous selections during the evening.

Secretary Nixon, of Ashgrove, reported on the progress made by the societies during the year.

Mr. W. A. Wilson, of Georgetown, the President of the Farmers' Institute, was chairman.

Voting Out Whisky is Wast Too

Mrs. A. M. Donnistoun, of Redwood Falls, Minn., in renewing her FREE PRESS subscription says: "I saw by the FREE PRESS that Acton is "dry" again. We also are here in Red Falls; the first time since 1878. They had a wholesale liquor house last year, but at the elections recently the city was ridden of this and many people are very thankful. We have had sleighing since the first of January, but a thaw is now prevailing and it is not likely to last. We moved into our new house at the city limits on January 2nd and are very comfortable."

AUCTION SALE REGISTER

Saturday, February 4th—Sale of valuable lands, the west half of lot 30, in the first concession of Esquesing, and the west half of lot 29, in the same concession and township, altogether 200 acres, more or less, at Lehman's Hotel, Acton, at 2 p. m. R. J. KING, Auctioneer.

You will notice that, we are continually talking about our ability to repair watches and clocks. Well, that is because we have the confidence that we can do it and do it better than most watchmakers. First, because we served our full term of apprenticeship and afterwards worked under the best makers in Toronto, and 40 years experience gives us such a great advantage over most others, that we come to you in full confidence that it will be carefully and quickly done.—Pringle the Jeweler, Guelph.

SOCIAL AND PERSONAL

Mrs. H. P. Moore returned home from Toronto on Monday evening.

Mr. John Kinnard and family are removing to-day to their new home in Guelph.

Mr. Blaine McDonald, of Branchbridge, visited Acton friends during the week.

Mr. and Mrs. Fred H. Storey returned from a visit to Gloversville, N. Y., on Monday.

Miss Irene Matthews, of Berlin, spent several days this week with Acton friends.

Mrs. L. G. Matthews spent several days during the week with her daughter and other friends in Toronto.

Miss Annie McLeod returned home last week, after spending a couple of weeks with her sister in Hamilton.

Mr. John Folster, Jr., of Hamilton, and Miss Vida Folster, of Toronto Normal School, were home for the week-end.

Mr. Levi Havens and Miss Havens, of Wawota, Sask., were in town last Wednesday visiting Mrs. A. W. Franklin-Benton.

Mrs. E. Marshall, of Limehouse, was in town last Wednesday and spent the day with her neice, Mrs. A. W. Franklin-Benton.

Rev. J. C. Wilson, B. A., arrived home from Boston on Tuesday. His daughter Jean will remain in Boston with her aunt for some months.

Mr. H. V. A. Grassett, who has been teller in the Metropolitan Bank here for the past six months, has been transferred to Toronto. Mr. Alfred Storey is in the cage now.

Mr. H. P. Moore occupied the pulpits of the Zion Tabernacle and Emerald Street Methodist Churches, Hamilton, on Sunday, in connection with the missionary campaign in the Methodist Churches of the city.

OPERATION HER ONLY CHANCE

Was Cured by Lydia E. Pinkham's Vegetable Compound

Lindsay, Ont.—"I think it is no more than right for me to thank Mrs. Pinkham for what her kind advice and Lydia E. Pinkham's Vegetable Compound has done for me. When I wrote to her some time ago I was a very sick woman, suffering from female troubles. I had inflammation of the female organs, and could not stand or walk any distance. At last I was confined to my bed, and the doctor said I would have to go through an operation, but this I refused to do. A friend advised Lydia E. Pinkham's Vegetable Compound, and now, after using three bottles of it, I feel like a new woman. I most heartily recommend this medicine to all women who suffer with female troubles. I have also taken Lydia E. Pinkham's Liver Pills and think they are fine."—Mrs. FRANK EMSLEY, Lindsay, Ontario.

We cannot understand why women will take chances with an operation or drag out a sickly half-hearted existence, missing three-fourths of the joy of living, without first trying Lydia E. Pinkham's Vegetable Compound.

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration.

Try a 50c. Bottle FREE

From Your Druggist: Psychine, the great Vitality-Builder

(PRONOUNCED SI-KEEN)

You know what it would mean to us were Psychine a preparation without a definite, beneficial action.

After the first bottle which we would buy, no more would be purchased.

And we would go out of business. But we're not going out of business, and our confidence that we're not is based upon our third of a century's experience with Psychine.

Ten years after Confederation we commenced compounding Psychine.

Since that time, we have sold many millions of bottles.

We have cured many hundreds of thousands of virulent and oftentimes fatal cases of diseases.

We have in our files many hundreds of thousands of unsolicited testimonials.

And we have grown from a small beginning to be one of the largest proprietary manufacturers in this country.

Here then is proof that we have in Psychine a preparation with abundant and demonstrated effectiveness, more so than any other preparation we, or anyone else, ever heard of.

Here then is the reason of our unalterable confidence in Psychine, that it is in fact the greatest preparation of its kind in the world.

Here then is why we have inaugurated a policy of actually buying hundreds of thousands of bottles of Psychine to give to those who should use.

To those who are blindly groping in the dark for relief from their misery, who may perhaps be using wrong methods to recover their health and their strength.

* * *

LA GRIPPE

The greatest and most effective agents for the bodily health are the white corpuscles, phagocytes.

These white corpuscles eat any germ of disease that gains an entrance to the body, when they're in large enough numbers and sufficiently strong.

When they're not sufficiently strong, the disease germs devour them and disease holds the body.

* * *

For centuries almost, herbs, nature's own remedies, have been the most efficient foe to disease.

We have not known very definitely just how.

But now science tells us that certain of these herbs increase the number of the white corpuscles and their strength.

These certain herbs are incorporated in Psychine.

We go to the ends of the earth for these herbs—to Arabia, to South America, to China and to Japan.

They are compounded in the most costly chemical appliances in this country.

And the result is Psychine—for a third of a century the most effective vitality-builder the world has known.

The one preparation that has cured many thousands of the following diseases:

La Grippe	Bronchial Coughs
Bronchitis	Weak Lungs
Hemorrhages	Weak Voice
Sore Throat	Spring Weakness
Anæmia	Early Decline
Female Weakness	Catarrhal Affections
Indigestion	Catarrh of Stomach
Poor Appetite	Night Sweats
Chills and Fevers	Obstinate Coughs
Sleeplessness and	Laryngitis and
Nervous Troubles	Dyspepsia
After-effects of Pleurisy, Pneumonia and La Grippe	

Now we don't ask you to take our word for the tremendously beneficial effect of Psychine. Fill out the coupon below, mail it to us and we'll give your druggist an order (for which we pay him the regular retail price) for a 50-cent bottle of Psychine to be given you free of cost.

We will undoubtedly buy and distribute in this manner hundreds of thousands of these 50-cent bottles of Psychine.

And we do that to show our entire confidence in this wonderful preparation.

A confidence that has been based on our 30 years' experience with this splendid preparation, with a full knowledge of the hundreds of thousands of cures it has made.

Free to Stock and Poultry Raisers

We will send, absolutely free, for the asking, postpaid, one of our large thirty-two-page booklets on the common diseases of stock and poultry. Tells you how to feed all kinds of heavy and light horses, colts and mares, milch cows, calves and fattening steers, also how to keep and feed poultry so that they will lay just as well in winter as in summer. No farmer should be without it.

At a cost of only two-thirds of a cent a day per Animal, Royal Purple Stock Specific makes each Animal worth 25 per cent. more.

You never heard of any other Specific, or "Stock Food," doing likewise.

Royal Purple will permanently cure the Hots, Colic, Worms, Skin Diseases and Debility, and restore run-down Animals to plumpness and vigor.

It will increase the milk yield three to five pounds per cow a day inside of from two to three weeks. It makes the milk richer than ever before.

MR. ANDREW WEIGRICH, of Weisdale, Ont., says: "This is to certify that I have tried your Royal Purple Stock Specific for two weeks, on one cow. On the 16th I weighed her milk as 17 pounds. I noticed a change after 5 or 6 days, as there was an extra weight of milk. On the 20th, I carefully weighed the milk, and she gave 22 pounds. I am giving an order for 5 boxes, as I consider it the best I have ever used."

"Stock Food" will not do this. Because "Stock Food" is nothing more or less than a mixture of the very things which you, yourself, grow on your own farm.

It is not more food your Animals need. They must have something to help their bodies get all the nourishment from the food they are getting. So that they will fatten, and stay fat, all the year 'round.

They need something to prevent disease, to cure disease, and to keep them in the best of health, all the time.

Not a Stock Food

Royal Purple is not a "Stock Food," nor a "medicine." It is a Conditioner.

It does not contain Grain, nor farm products. Nor does it contain "Dope," or any other injurious ingredient. Royal Purple does not merely temporarily bloat or inspire the Animal. It fattens and strengthens it, permanently.

No other Specific known adds flesh so quickly as Royal Purple. It makes 6-weeks-old Calves as large as ordinary 3-mo'l Calves are at 10 weeks.

Royal Purple makes naturally-thin Animals fat and heavy. And it builds up the health and restores the former plumpness and vigor of run-down stock, in little or no time.

The very best time to use this Conditioner is NOW. It digests the hard food properly and prevents the animals getting indigestion or losing flesh.

50 per cent. Cheaper

One 50-cent Package of Royal Purple will last one Animal 70 days. This figures a little over two-thirds of a cent per day.

Most "Stock Foods" in 50-cent Packages last but 50 days, and are given three times a day.

But Royal Purple Specific is given only once a day, and lasts 50 per cent. longer. (A $1.50 Pail, containing four times the amount of the 50-cent Package, lasts 250 days.)

So, you see, it is only necessary to give Royal Purple Specific once each day.

Just think of making each Animal worth 25 per cent. over its cost! What will that mean to you, Mr. Stock Owner?

It makes the Hens lay Eggs in Winter as well as in the Summer.

MRS. WM. BURNHAM, Hanford, Ont., says: "Dear Sirs,—This is to certify that I have used two boxes of your Poultry Specific for my hens. They laid so well while feeding it to them. I wondered if you would mind sending me word how or where I could get some this winter. I bought it from your agent last winter. I had 32 hens, and some days I got two dozen eggs a day in February and March, while feeding them the Specific."

Royal Purple Poultry Specific prevents Fowls losing flesh at moulting time, and permanently cures every poultry disease. It makes their plumage bright and keeps them always in prime condition.

It makes your Poultry worth more than they could ever be without it.

Yet one 50-cent Package will last 25 Hens 70 days. Or a $1.50 Pail will do 25 Hens 280 days. This is four times more material at only three times the cost.

The W. A. Jenkins Mfg. Co., London, Ont.:

Gentlemen,—We have been using Royal Purple Poultry and Stock Specific for the last three weeks, and must say that results are remarkable. After feeding the Stock Specific to two milking cows, and they have increased 30 per cent. in their milk. The Poultry results are even more marked than this. We have about 60 hens, laying age. When we commenced feeding, we were getting five and six eggs a day, and in the last five days the same flock of hens laid 150 eggs, almost an average of 31 each day, and those five days have been the coldest this winter.

You can see results plainly in two or three days after the use of "Royal Purple," and the poultry have the same hustle and appearance now as in the summer time. With cows and poultry, am using exactly the same feed and care as before starting to feed "Royal Purple."

When farmers and stockmen get acquainted with Royal Purple, it will have a greater demand than all other tonics and stock foods on the market combined.

Yours truly, ANDREW HICKS.

Gentlemen,—Last Fall we had in our stables a young mare belonging to Miss Clouston, of Montreal. We could not feed her any bran on account of causing violent scouring, consequently causing her to become weak and thin. We commenced using your Royal Purple Stock Specific, and the results were wonderful. After using it three weeks, we found we could feed the animal bran or any other soft feed without scouring her, and she actually took on in this time twenty-five pounds of flesh, we working her at the same time through the hunt. I can heartily recommend your Stock Specific.

Trainer for the Hon. Adam Beck.

Royal Purple
STOCK AND POULTRY SPECIFICS

Royal Purple creates an appetite for food, and helps nature to digest and turn it into flesh and muscle.

As a Hog fattener, Royal Purple has no equal.

Never Off Feed

Dan McEwen, the horseman, says: "I have used Royal Purple Stock Specific persistently in feeding 'The Kel,' 2.04¼, largest winner of any pacer on Grand Circuit in 1909 and 1910, and 'Henry Winters,' 2.10¼, brother of 'Allen Winters,' winner of $34,000 in trotting stakes, in 1910.

"These horses have never been off their feed since I started using Royal Purple Specific. I will always have it in my stables. Your Cough Powder works like magic."

For Poultry

Royal Purple Poultry Specific is our other Specific. It is for Poultry—not for stock.

Make This Test

Every ounce of Royal Purple Stock and Poultry Specific is guaranteed.

To prove that Royal Purple has no equal, we want you to make this test:

Feed Royal Purple to any one of your Animals for four weeks. And at the same time feed any other preparation to any other Animal in the same condition.

If Royal Purple does not prove to you, by actual results, that it is the best you ever used, We'll return your money.

And we'll ask no questions—make no excuses. You will be the judge—not us.

This is an honest test, isn't it? We ask you to make it because we know that Royal Purple is the best Conditioner on the market.

If you are not satisfied, after testing it, you don't lose anything, do you?
