Funeral—In Toronto, on Tuesday, October 1st, Sarah Trench, relict of the late Richard R. Porter, formerly of Milton.

The Acton Free Press

THURSDAY, OCTOBER 5, 1911

EDITORIAL NOTES

SIR JAMES WHITNEY has virtually promised that there will be no general election in Ontario this year. Electors generally will appreciate this very sane decision.

YOUNG MEN'S LIBERAL CLUBS have been formed at Acton, Milton, Oakville and Georgetown. Halton Liberals are not discouraged by the result of the late election, but rather are put on their mettle.

HIS ROYAL HIGHNESS the Duke of Connaught, the new Governor-General of Canada, will arrive in Quebec on Friday, the 13th of October. The Dominion will, from ocean to ocean, extend a right royal welcome to the uncle of His Majesty King George.

THE FIGURES are given out from government quarters in Washington that 20,000,000 gallons of intoxicants were shipped into this country last year by liquor manufacturers and dealers into the "dry territory" of our country. Here is a case in which a comparatively small per cent. of our population—the brewers and liquor dealers—make void the solemn legislative enactments of several millions of our fellow-citizens. There ought to be a way by which this defiance of the will of the people shall be stopped. If, as some claim, there is now no plan by which under the laws this evil can be remedied, by all means the statesmen of the country should not rest until our government machinery is so adjusted as to correct this evil. —Nashville Advocate.

Messrs. Dr. N. Collie and A. L. Mumm, of London, England, have returned to Edmonton after two months in the Canadian Rockies on the line of the Grand Trunk Pacific Railway. These gentlemen have been exploring a hitherto unknown region in the vicinity of Mount Robson, the highest point in the Canadian Rockies, and were accompanied by a train of 20 pack horses, and they state in some places the forest was so impenetrable, that they had to cut their way through. Several discoveries were made. In one locality they came across two great glaciers larger than any known in the Rockies, and sighted a towering peak that had the appearance of being even larger than Mount Robson, which is 13,700 feet above the level of the sea. One of the glaciers was 40 to 50 miles in length, and 7 to 8 miles in width, and of striking formation.

THE SCHOOL'S ROLL OF HONOR

First Record of the Standing of the Pupils in the Schools Since Holidays

76 PUPILS IN THE PRIMARY ROOM

CHURCHILL

Churchill Congregational Church will hold its anniversary and harvest home services next Sunday and Monday. Rev. R. D. Watt, B. D., of Guelph, will preach on Sunday at 11 a. m. and 7 p. m., and on Monday the usual harvest home tea and entertainment will be held. After the serving of the tea addresses will be delivered by Revs. Chas. D. Draper, J. G. Wilson, B. A., and F. G. Burrell, B. A., Acton, and the musical and literary programme will be given by Miss Atwell, soprano, Toronto, Miss Dodgeon, elocutionist, Toronto, and a first-class male quartette.

HYDRO-ELECTRIC FOR ACTON

Hon. Adam Beck to Address Our Citizens on the Possibilities

HYDRO ENGINEER TO VISIT TOWN

The Council met on Tuesday evening, instead of Monday, as usual. The members were all present; Reeve Hynds in the chair.

The Committee on Finance presented their 20th report and recommended payment of accounts as follows:

Robert Storey, work at cemetery	$ 7 65
J. Harvey, supplies, etc.	4 75
R. F. Johnstone, supplies	5 67
Robt. Leahy, teaming	10 14
Acton Free Press, printing and advertising	6 71
Bell Telephone Co., calls	30
D. A. Henderson, lumber and wood	37 82
	$72 44

The report was adopted.

The Clerk was instructed to advertise for tenders for the rent of the skating rink property for the winter.

Caretaker Harvey suggested that Section F in the cemetery, in the north-east corner, from which no plots have yet been sold, and which is surveyed and staked, be graded and put in condition for sale. He also stated that a new location for single graves must be provided, and that this section will provide one.

The Council considered the proposal and the Cemetery Committee will look into the matter and take action if deemed desirable.

Reeve Hynds stated that since last sitting of the Council he had had the Clerk correspond with Hon. Adam Beck, the originator of the Hydro-Electric scheme for securing electrical energy, to invite him to visit Acton and address a meeting of our citizens, explaining the terms and advantages of connection with the Hydro-Electric system.

He had accepted invitation, but stated that he would send one of the electrical engineers of the department to Acton to look over the ground and secure necessary data so that he might be able to discuss the matter intelligently when before our ratepayers.

It is expected this meeting will be held in the near future. Something must be done. Our plant is overloaded, and at least 150 or 200 new lamps are wanted now. Then with the Hydro-Electric system—an all-night service for both private and street lighting would be secured and power would also be available.

Council adjourned at nine o'clock.

OSPRINGE

Rev. R. Fowlie, who has been the pastor of Erin and Ospringe Presbyterian churches for more than a quarter of a century, is about to retire. A farewell entertainment will be held on Wednesday, October 11th, in the church. The following talent has been engaged for the evening: Hugh Guthrie, M. P., Guelph, John Strachan, Guelph, Guelph Male Quartette and the resident ministers. Tea will be served from six to eight o'clock.

NASSAGAWEYA

The Fall Fair to be held at Campbellville on Tuesday next, 10th inst., will undoubtedly be one of the very best if the weather is propitious. The circulation of the prize list has created very favorable comment, both as regards the improved character of the list and increases in prizes and the attractive appearance of the list. Mr. W. J. Akins, the secretary, is leaving no work undone that will ensure success on fair day.

CREWSONS CORNERS

The Misses Crewson, of Portage la Prairie, who have just returned from a trip to England, visited their aunt, Mrs. M. Crewson for a day last week. They were accompanied by their sister Mrs. Harvey, of Simcoe, and Mrs. Peel, of Rockwood. It is thirty years since Mrs. Harvey lived here and she sees a number of changes.

Miss Maggie Crewson is visiting friends in Campbellville.

ROCKWOOD

Rev. W. H. Douglas has arranged for a very comprehensive evangelistic campaign on Rockwood Circuit, commencing at Siloam on October 29th. Two weeks will be spent there, then will follow two weeks at Crewsons Corners, two weeks at Eden Mills and the closing two weeks will be spent in Rockwood. The Misses Sturn, evangelists, will assist the pastor a week in each place. Decision day will be observed in the Sunday Schools the last Sabbath of special services at each of the above appointments. The campaign will close at Rockwood on Sunday, 3rd December.

TERRA COTTA

A number of the neighbors and friends gathered at the home of Mr. and Mrs. E. Little on Tuesday evening, the 28th ult., and gave Miss J. Smith, one of our esteemed residents who is removing from Terra Cotta, a pleasant surprise by presenting her with a beautiful couch and a complimentary address.

Mr. John Townsend was visiting with friends at Cheltenham last week.

Business is still booming in our hamlet. All our local industries are working overtime, in order to keep pace with their orders.

Mr. M. Hollinger, has given up store keeping here and has sold out to Mrs. Haywood.

LORNE SCHOOL REPORT

The Following is the Standing of the Pupils for September

IV CLASS—Virena Massales, Margaret Snyder, Orwell Johnston, Wesley Massales.

SR. III CLASS—Lottie Johnston, Annie Snyder, Mary Massales.

JR. III CLASS—John Watkins, Edna Johnston, Laura McDonald, Robert Dunbar, Herbert Dron.

II CLASS—Isabelle Watkins, Melvin Dunbar.

PR. II CLASS—Alvin Ryder, Effie McEachern, Hugh Brown, Donald McDougall, Elmore Johnstone, Winston Grace.

SR. I CLASS—Caroline Ryder, Wilmer Watkins.

JR. I CLASS—Ronald McEachern, Margaret Morgason.

CLASS A—Florence Morgason, Jessie Ryder, Dick Grace.

N. A. JARDINE, Teacher.

Quality

in tea may mean to you flavor or strength or fragrant richness. Red Rose Tea is blended with such nicety that it is the combination of all three points of merit. Will you try a package.

RED ROSE TEA "is good tea"

NEVER SOLD IN BULK

Your Grocer Will Recommend It

OBITUARY

ARCHIBALD M'PHERSON

The death of Archibald McPherson of this place occurred somewhat suddenly on Sunday evening. About four weeks ago he was feeling unwell and in a few days typhoid developed. This was being gradually overcome when pneumonia set in and on Sunday it was seen he was rapidly failing and the end came about six o'clock that evening.

He was a son of the late Robert McPherson, postmaster at Speyside,—a rugged and highly esteemed Scottish character of last century,—and was born there. Forty years ago he married Eliza Tushingham and their home has been one which the family and friends always felt was home indeed. After spending twelve years at Speyside they moved to the old Stauffer farm on the southerly boundary of Acton where they remained twenty-six years. In the spring of 1910 the fine farm of Joseph Lasby on the northerly boundary of the town was purchased and it was here that Mr. McPherson died. He was an energetic worker and always made ample provision for his large family.

Five sons and six daughters were born into the home, of whom with their mother, are all living and were at their father's funeral, excepting Miss Christina, who died on the 13th July, 1910. The surviving children are Mrs. James Symon, Acton; Robert, George, Mrs. Harry Noble and Mrs. George Warner, Toronto; Mrs R. F. Johnston, Mrs. Wm. Snyder, A. M., Frank and Hubert, all of Acton. Mrs. Geo. Warner was married five weeks ago.

Deceased was a member of Knox Church, also of the Home Circle and Sons of Scotland.

The funeral on Tuesday was very largely attended and was conducted by Rev. J. C. Wilson, B. A., pastor of the church.

The following friends from a distance attended: Rev. H. A. Macpherson, Toronto; Messrs. Thomas and James Tushingham, Mr. and Mrs. Frank Tushingham, Messrs. Fred and Edward Tushingham, Mrs. Frank Colby, Mr. Frank Whitfield, Mr. and Mrs. John McPherson, Mr. Wm. McPherson, Mrs. McKay and Miss McKay, Oakville; Mr. John McPherson, Carsonville, Mich.; Mr. and Mrs. Wm. Noble and Miss Noble, Toronto.

HUGH M'TAVISH

After a brief illness Hugh McTavish died on Saturday afternoon at his home, lot 22, con. 7, Nassagaweya. He was the son of the late Dougald McTavish, and was born on the farm where he died, 72 years ago. He was a quiet man, had never married, and enjoyed the esteem of all who knew him. Thirty-eight years ago, while operating a power cutting box, his right hand was caught in the rollers, and the arm was amputated by the knives to the shoulder. Notwithstanding this handicap he made a success of his operations. Of his father's family Dougald, of Stayner; Peter of Vancouver, and Mrs. Paul Kennedy, Dryden, survive. Mr. McTavish was a member of the Presbyterian Church, Nassagaweya, and the funeral on Tuesday was conducted by his pastor, Rev. A. Blair, B. A.

MRS. LEWIS KENNEDY

Georgetown was shocked on Saturday evening by the sudden death of Mrs. Lewis Kennedy. A few minutes before her death she was in her husband's store chatting in her usual pleasant manner. Mr. H. P. Moore, of the FREE PRESS, who was in Georgetown that evening, had dropped in for a chat with his old friend, Mr. Samuel Worden, on the way to the station. Mrs. Kennedy was there and entered into the conversation, joked the editor about the result of the election, and as he went out said good-bye. He was the last person spoken to, for a moment after he had gone she was suddenly seized with a fainting spell and the heart failed further action. In addition to her sorrowing husband five children are left. The funeral on Monday was conducted by Rev. Mr. Cameron and was very largely attended.

$100 REWARD, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Mill St. — Acton, Ont.

$3,600 in Cash Prizes for Farmers

Your Photograph May Win a Prize

AMONG the prizes we are offering in our big Prize Contest is one of $100.00 (Prize "C") for the farmer in each Province who furnishes us with a photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement. For this prize, work of every description is included.

Now just as soon as you finish that new silo, barn, feeding floor or dairy, that you've been thinking of building, why not photograph it and send the picture to us? The photograph doesn't necessarily have to be taken by a professional or an expert. In fact, your son's or your daughter's camera will do nicely. Or, failing this, you might use the kodak of your neighbor's son nearby. In any event, don't let the idea of having a photograph made deter you from entering the competition. Particularly as we have requested your local dealer to help in cases where it is not convenient for the farmer to procure a camera in the neighborhood. By this means you are placed on an equal footing with every other contestant. Get the circular, which gives you full particulars of the conditions and of the other three prizes. Every dealer who sells "CANADA" Cement will have on hand a supply of these circulars—and he'll give you one if you just ask for it. Or if you prefer, you can use the attached coupon—or a postcard will do—send it to us and you'll receive the complete details of the contest by return mail.

If you haven't received your copy of "What the Farmer Can Do With Concrete," write for that, too. It's a finely illustrated book of 140 pages full of useful and practical information of the uses of concrete.

Write us to-night, and you'll receive the book and the circular promptly.

Do not delay—all right down—take your pen or pencil, and fill out the coupon NOW.

Good Tools Mean Good Work and Good Crops

The difference between a hard day of heavy back-breaking labor and a long day of efficient toil is mostly due to the tools used.

Use Samson Brand Farm Tools

They are strongly made, correctly built and last a lifetime. The demand for Samson Brand goods is steadily growing, which shows better than anything else the satisfaction of the users.

Try the tools. You'll know then what real efficiency is.

Ask your dealer to show you just what Samson Brand means.
