EDITORIAL NOTES

"You have called me to leadership," concluded Mr. Rowell, at the London meeting on Monday, "and I am prepared to lead. I care nothing for the opposition of the liquor business; I am not concerned about the hospitality of selfish interests. I am appealing to the citizenhood of Ontario, to the men who love their country with true devotion and are eager for its permanent well-being. To you I say, 'I will lead if you will follow, and together we will wipe out this great evil of the licensed bar.'"

"TIME will not permit me to mention other social and industrial reforms greatly needed for the benefit of the people of the Province," said Mr. Rowell at the London Mass Meeting on Monday. "But all our measures for social and industrial reform will fail to secure the results we desire so long as we continue in our midst an institution which impairs the efficiency of the workingman; curtails the output of the manufacturer; diverts from productive and beneficial industries a large amount of capital; destroys homes; wrecks lives; makes paupers and criminals—the licensed bar. Liberalism, if true to its mission and work for social reform, must rid the Province of the open bar."

DECIDEDLY re-assuring news continues to come from the western provinces regarding the condition of the growing crops. It is as yet too early to make any safe prophecies as to the ultimate yield but the growth has so far been excellent both in the matter of height of stalk and quality. During the earlier part of spring much rain fell and the germination proceeded under the most favorable circumstances. The moisture continued until the stalk was well above ground and as a result roots were well nourished and strengthened. The last week or so has seen the arrival of really hot weather, the kind that is needed for forcing the further growth of the plant and the development of the head. Business now is generally throughout the West are well pleased with crop prospects.

THE CHIEF ORGAN of the Conservative party has declared editorially that if we show that public opinion is against the bar Sir James Whitney will abolish it. I make this appeal to Sir James Whitney: 'Join with me and let both political parties unite to wipe it out. Then we will witness this magnificent spectacle of Ontario leading the Dominion in a great reform, unitedly supported by both parties. I invite Sir James Whitney to join us to quote his straining for an instructive and inefficient substitute. He can accomplish nothing great, by weak measures. Let him grapple with this big problem in an earnest, thorough, and capable manner and he will have our hearty support; we want from this policy not power; we want the public good.'—N. W. Rowell, K. C., Leader of the Opposition at the Mass Meeting in the Queen's Park, London, on Dominion Day.

CREWSONS CORNERS

Dominion Day passed off very quietly in our burgh. A number from here took in the sports at Acton.

Quite a number from Silcoam were shipped with the congregation here on Sunday morning to hear Rev. Mr. Douglas' farewell sermon. Mr. Douglas delivered an excellent discourse on "God's Providence and Man's Perseverance," taking his text from Gen. 45: 5. Mr. Douglas has endeared himself to the members of his congregation here who are sorry to lose him. The best wishes of all follow him and his family to their new charge at Port Elgin. Rev. Mr. Clark, the new pastor, preached his initial sermon at Silcoam on Sunday, July 7th.

Miss Zella Bennett spent a few days during the week with Guelph friends.

Mrs. James Dow and children, of Wanless, spent the holiday at the home of her father, Mr. R. Cleave, Silcoam.

Miss Amanda Wansbrough was in Toronto for the holidays.

Miss Edith Dennis has been visiting in Guelph the past week.

You will notice that we [illegible] our ability to repair watches and clocks. Well, then [illegible] that we can do it and do it better than most people [illegible] Bring them [illegible] Prices [illegible] Satisfaction guaranteed. [illegible] Acton.

SCHOOL STAFF NOW COMPLETE

Miss Foister Regrets but Miss Ina White is Engaged for New Department

RESOLUTION OF CONDOLENCE TO MR. KENNEY

The Board of Education met on Tuesday evening at the call of the chair.

The Secretary reported that acceptances of re-engagement on the teaching staff had been received from Misses Rowena B. Humphries, Minnie Z. Bennett, Minnie R. Holmes, Ruby Clark, and Florence Holmes, and Miss Elma Robertson, of Ashgrove, had also accepted engagement.

Miss Vida Foister declined to accept re-engagement at the increase of $50.00 passed by the Board.

Miss Ina White, Acton, who is a Normal graduate, and who taught with much acceptance at school section No. 10, Equesing, last year, applied for a position on the Board.

Moved by John Kenney, seconded by John R. Kennedy, that inasmuch as Miss Vida Foister declines to accept re-engagement at the increase of salary fixed by the Board, that Miss Ina White be engaged for that department at the salary of $450 per annum.

The Property Committee was requested to proceed with their work of securing a suitable room for the junior half of the over-crowded primary department.

The Board then adjourned.

THE FIREMEN'S CELEBRATION

Exciting Base Ball Matches, Judeans, of Toronto vs. Acton

A WELL CONTESTED LIST OF SPORTS

The Dominion Day celebration under the direction of Acton Fire Brigade was quite a success. The attendance was very satisfactory and the day's base ball contests and athletic events were quite exciting. Toronto and Guelph sent large representations of visitors to accompany their base ballists and athletes.

Two very interesting games were played between the Acton team and the Judeans, of Toronto. In the morning the Judeans defeated the local players quite decisively. The batteries were: Judeans, Brown, Miller, Freeman; Acton, Burrell, Waddell, and Laird. The score was 6 to 2.

In the second game, which was in the afternoon, which was attended by a large crowd, the Acton team won by a big score of 16 to 14. The Judeans desire the FREE PRESS to express their heartiest thanks for the kindness shown to them by Acton citizens during the holiday.

In the athletic sports Guelph men cleaned up ten of the medals competed for. Lloyd Spalding, of the Mercury staff, ran second in the 100 yards dash, second in the 220 yards and third in the mile. J. Kaust was second in the running broad jump, second in hop, step and jump, and third in the half mile run. Duncan McGibbon took second in the five miles, and his brother, Fred, finished on his heels in this event, winning third. A number of the medals were won by Toronto men.

The day's proceedings ended with an assembly in the town hall, which was fairly well patronised for a hot night.

RIGHT LEG BADLY FRACTURED

Eddie Waddell Sustained Serious Injuries at Tuesday Afternoon's Base Ball Match

HE IS NOW IN GUELPH HOSPITAL

In the last play of the last innings of the base ball match in the park on Monday afternoon a very serious accident befel Eddie Waddell, of the Acton team.

He was playing third base, caught the ball thrown by the pitcher, his brother Lee, and put out the runner who slid to the base. In the slide both fell, and it was found Waddell was seriously hurt. Both bones of the right leg were fractured between knee and ankle, and internal injuries are feared. Dr. Holmes reduced the fractures and the young man was taken to the General Hospital, Guelph, on Tuesday.

Waddell was employed as a baker by Statham & Son. He was pitcher of the Methodist team in the Church League. It is rather a remarkable coincidence that Jack Englin, who was playing third base for the Methodist team at the beginning of the season also had his leg broken in a match about the first of June.

NASSAGAWEYA.

Mr. Marshall Holmes was taken seriously ill last week and was removed to the Hospital at Guelph where he was successfully operated upon on Saturday for an internal abscess.

The Sunday School at Knatchbull is having a very successful season. The true spirit of Christian union prevails, and the Christian men and women of the community are unitedly endeavoring to provide a very helpful service each Sunday afternoon. The quarterly review service last Sunday was full of interest.

The big annual garden party of the Presbyterian Church will be held on the Church lawn on Friday evening. Splendid professional talent has been engaged.

TERRIBLE CYCLONE AT REGINA

Forty Lives Lost, Two Hundred Injured; 2,000 Homeless and $8,000,000 Worth of Property Destroyed

FIRST CYCLONE IN NORTH WEST

Regina, Sask., July 2—When two immense black clouds came together on Sunday afternoon and with a swoop a cyclonic pillar descended on the city the magnificent $100,000 Methodist Church was shattered by the force of the storm into an unrecognizable wreck. The Y. W. C. A. followed and while left partly standing was badly wrecked. Then the new Public Library fell a prey to the storm fiend. The walls stand, but the roof was shattered and the interior badly wrecked. Next came the Presbyterian Church and windows and roof went with a crash and at the same time the Baptist Church went down. The three churches went in a second of time. If the storm had come two and a half hours later, during church hour, the loss of life would have been appalling.

The Donahee block, a steel frame building stood against the storm, though there was not a whole window left in the building. Across the street the Telephone Exchange was directly in the path of the whirlwind centre. In it were working nine girls and two men. The building shuddered and shook for an instant, then the roof toppled loose and the south wall crashed in flattening the building to a heap of twisted timbers and shattered bricks. Underneath were buried some ten humpe beings, imprisoned beneath the walls and floors. A heavy switchboard crashed through the basement where a man was working, carrying three girls with it. The four escaped out of a basement window.

The storm passed from this building to the C. P. R. yards. Of the row of grain elevators upon which the farmers of the district were depending for the handling of this year's crop, only one remained standing. One of them was picked up and carried across a track, collapsing upon a standing train. The yards were swept almost clear. Whole trains were overturned, and cars were tossed about in the air like chips.

The business section and the most select residential section were devastated by the storm which was accompanied by a cloud burst. Between $5,000,000 and $6,000,000 of damage was done in less time than it takes to tell. The full extent of the loss is not yet realized, and rescuers are still searching the debris.

The hospitals are full of the injured and dying, and temporary hospitals have been established. The known dead has reached thirty and there are still a number of persons missing.

All Canada sympathizes with the stricken city in its calamitous experience.

SERIOUS FIRE IN NASSAGAWEYA

The Residence of Mr. George Nelles Destroyed on Dominion Day

THE BARN NARROWLY ESCAPED

On Dominion Day, while seated at dinner, a neighbor ran to tell George Nelles, of lot 25, con. 7, Nassagaweya, that his house was on fire. Mrs. Nelles had gone to Norval to visit friends that morning and he had come in early and prepared dinner.

In a few minutes the house was in flames and the easterly wind was blowing sparks to the barn. For this reason Mr. Nelles was obliged to hasten to protect the barn, which several times was ignited. The neighboring farmers assisted Mr. Nelles in his efforts and the barn was saved. During their absence from the house Mrs. John Williamson organized the women into a salvage corps and most of the furniture and household effects were removed, though in a more or less damaged condition.

Mr. Nelles is unable to account for the origin of the fire. The house was insured for $800 and the contents for $400.

HALTON FARMERS' INSTITUTE

Mitchell Holmes, Nassagaweya, Elected President, and R. F. Nixon, Ashgrove, Sec.-Treas.

Halton Farmers' Institute held its annual meeting in the town hall, Milton, Saturday, June 22nd. The retiring president, Mr. Lawrence, of Sheridan, gave a very favorable report of the work during the year.

The Sec'y-Treasurer's report was received with a membership of 351, and $281.51 on hand.

Regular meetings will be arranged in Esquesing and McCurdy's Corners. Supplementary meetings at Norval, Ballinafad, Palermo, Postville, Nelson Village, Kilbride and Sheridan. Also Milton is asking the Institute Branch of the Department of Agriculture to hold one day Judging Class in December.

Considerable discussion took place as to the advisability of asking for a District Representative for Halton. Conditions are such that it was thought wise to leave the matter over for one year. The Institute still affiliates with the Provincial Winter Fair. Directors were appointed throughout the county. Election of officers resulted in the following: President, M. Holmes, Nassagaweya; Vice President, Jas. Wilson, Milton; Sec'y-Treasurer, R. F. Nixon, Ashgrove.

ROCKWOOD

The last of the June weddings in this village took place at the Presbyterian church on Saturday afternoon last, when Miss Elizabeth Pearen, youngest daughter of the late Henry Pearen, became the wife of Mr. Addison F. Johns, of East Toronto, formerly Principal of the Public Schools here. The ceremony was performed by the pastor, Rev. Mr. Dodds, assisted by the Rev. Amos Tovell, of Guelph, cousin of the bride. The bride was gowned in dainty white marquisette over white silk, veil arranged in mob cap fashion and wreath of orange blossoms. She carried a huge bouquet of white roses. There were no attendants save the two little flower girls, Alva Pearen and Elizabeth McPhedran, nieces of bride, who wore white lingerie dresses, pink sashes and carried baskets of pink roses. Preceding the entrance of the bridal couple Mrs. Edward Pearen rendered several organ selections and the Mendelsohn wedding march on their arrival. After the ceremony Miss Ruth Auld sang pleasingly the Presbyterian Marriage Hymn. The guests then repaired to the home of the bride's mother, where they showered congratulations and good wishes on the happy couple. In the receiving line also were the mothers of the bride and groom, Mrs. Pearen and Mrs. Johns, of Clinton, both gowned in black silk. The many gifts were then inspected and admired, the number of bank notes being a notable feature. As at the church the floral decorations consisted of marguerites and green foliage. Refreshments were served in a large marquise on the lawn, the bride's table centered by the wedding cake, being surrounded by several smaller tables, all daintily appointed. Happy speeches were made at the conclusion of the repast, and a toast to the bride was drunk in sparkling water, the groom responding most felicitously. The newly-married couple then left on the evening train en route to Montreal. The going-away suit was a becoming navy blue cloth, smart hat to match. They will reside in East Toronto, where they will be at home to their friends after September first.
