COMMERCE AND MARINE.

SATURDAY MORNING, AUG. 19, 1865.

Gold in New York yesterday continued firmer without speculative movements, the the transactions being chiefly regular and on account of customs demand. The average quotation in the morning was 142¼.

MARINE ITEMS.—Business along the wharves is getting duller and duller every day. Yesterday there was nothing to report worth noticing. The Royal Mail steamer Grecian and American Express steamer Bay State passed down early in the morning. The steamer Ontario passed up the night before. The barque S. D. Woodruff, from Wallaceburg, with oak timber for Calvin and Breck, reported yesterday. The tug Advance left for Oswego on Thursday night, with the barge England in tow. The England was loaded with lumber at Brockville. The steamer City of Ottawa arrived from Ottawa yesterday afternoon, and left on return in a couple of hours. The barque Sarah Ann Marsh, for Chatham, light, left yesterday afternoon.

THE REPORTED ACCIDENT TO THE PASSPORT.—Capt. Kelley, Commander of this favorite steamer, assures us that no such accident, as the Montreal Transcript lately reported, has occurred to his steamer, and to our certain knowledge he has his mate and crew to back him. Instead of striking a rock in the Lachine Rapids and almost careening, the steamer simply lurched a little, which is very often caused by the swift current in the Rapids. The Captains and Pilots of the Mail steamers have learnt too many good lessons to be anything but very careful in running the Rapids, and no more accidents may be feared.

BARK ACORN FOUNDERED.—The Chicago Tribune says the bark Acorn, Captain Muir, Port Dalhousie, for that port, in ballast was foundered on Lake Michigan, about thirty miles from the Manitoulin Islands. The Captain and four of the crew were lost. Two men were picked up by a propeller and taken to Milwaukie.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo191 & 33

A GENTLEMAN cured of Nervous Debility, Premature Decay, and the effects of youthful Indiscretion, will be happy to furnish others with the means of cure (free of charge). This remedy is simple, safe and certain.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" * * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" * * * Thou will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" * * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" * * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" * * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" * * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" * * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

Wilson, of Williamsburgh, New York, was completely restored to health, after having suffered several years with that dread disease, Consumption. To Consumptive sufferers, this remedy is worthy of an immediate trial. It will cost nothing, and may be the means of their perfect restoration. Those desiring the same will please address REV. EDWARD A. WILSON, 165 SOUTH SECOND STREET, Williamsburgh, Kings County, New York.

The surgeons' reports show that our armies have suffered greatly from chills and fever which is induced by the miasma and change of climate to which they are exposed. They also find Ayer's Ague Cure is an effectual remedy for this distemper, and are urging the government to adopt it within the regulations. The Surgeon-General hesitates, because it is put up in a proprietary form. However great that convenience to the public, he prefers the physicians of the army should give their own directions for the doses. Whatever professional pride may dictate, he knows as well as we do, that Dr. Ayer's "Cure" is an almost perfect antidote for the Ague, and that the soldiers should have the benefit of it, as well as the people.—[Washington (D.C.) Correspondent. 191 & 33
