KINGSTON MARKETS.—The Market on Saturday was very lively, there being a very fair attendance of market waggons, with a pretty good supply of everything. The Grain Market is not so very brisk, the farmers not having commenced to thresh their grain. There is, however, a moderate supply. Prices ruled for Wheat 90c, Rye 50c, Barley 55c, Oats 30c, and Pease 62½c. In the retail meat market prices per lb stood for Beef 5 to 10c, according to quality, Mutton 5 to 8c, Lamb, about the same, Veal 5c. The Butchers are offering $8 to $9 per hundred for Pork, but there is none coming to market. Chickens were in fair supply at 30 to 40c, and Fowls from 60 to 75c per pair. Butter ranged from 20 to 22c per lb, with some very fine samples at the latter price. Eggs sold at 15c per dozen. New Potatoes were in very good supply at from 40 to 50c per bushel. THE KINGSTON.—The R. M. Steamer Kingston passed up on Friday evening, having received full repairs from her late accident in the Beauharnois Rapids. The Ladies' Cabin is entirely refitted, and the boat is every bit as good as before her mishap.

THE BARQUE ACORN.—This vessel, reported as having foundered near the Manitoulin Islands, by the Chicago Tribune, is all right in that port. By a letter from the Captain to a friend, we learn that the vessel was safe at the dock in Chicago, when he read the account of the supposed disaster in the Tribune and had it contradicted.

MARINE ITEMS.—A good business was done on Saturday in the steamer line, but very few vessels were moving about. Their time has got to come yet. The R. M. steamer Champion passed down in the morning and the Passport up in the evening. The Am. Ex. steamer Bay State passed up on Friday night, the Cataract passed down on Saturday morning and up the same night. The steamer St. Helen, for Trenton, passed up on Saturday morning. The propeller Brantford passed up on Friday evening, bound for Hamilton, and the propeller Brockville, from Montreal to Chicago, with a load of sundries, passed up Saturday morning. The propeller Bristol from Chicago, with a cargo of wheat and sundries, arrived on Friday night, and lightened some of her cargo (see imports) passing on to Montreal. The propeller Indian, from Milwaukie for Montreal, with 12,000 bushels of wheat, arrived on Saturday morning, and lightened 3,000 bushels at Anderson & Ford's, passing on for Montreal, with balance of cargo. The schooner M. L. Breck, arrived at Garden Island on Friday night, with timber and staves from Wallaceburg & Saginaw (see imports.) The sloop Cora arrived from Oswego the same night, with wheat and flour, for different parties. The barque S. D. Woodruff for Kingsville, barque Cecilia (new) for Port Dalhousie, and schooner Mary Jane for Chatham, left Garden Island on Saturday morning.

VESSELS PASSED THROUGH THE WELLAND CANAL.—Aug. 18.—Schooners—W. B. Hibbert, Chicago to Ogdensburg, corn; Mediterranean, Milwaukee to Oswego, wheat; Caroline, Toronto to Erie, lumber; Fulton, Detroit to Ogdensburg, lumber; J. Platt, Chicago to Oswego, corn; Frank Crawford, Toledo to Ogdensburg, lumber; brigs—Baltimore, Cleveland to Prescott, stone; New York, Wallaceburg to Clayton, timber; barques—London, Chatham to Kingston, timber; Plymouth, Kingston to Milwaukee, no cargo.

OIL STRUCK IN NORTH GOWER.—We are informed by a gentleman from the neighborhood that oil has been struck, after much testing, in the Township of North Gower, in this County, about twenty-two miles from the city. An American Company are now preparing to extract the "ile" by machinery. They have leased 300 acres on the usual conditions, from the owners, in the depths of which the "greasy substance" is supposed to exist in paying quantities, and they will at once commence operations. We trust the news will prove to every particular true, and that an abundant flow will reward the enterprise of the company that have so promptly taken the matter to test. Of course, the greatest excitement prevails among the lucky owners of the 'oil lands.'—Ottawa Citizen.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

The surgeons' reports show that our armies have suffered greatly from chills and fever which is induced by the miasma and change of climate to which they are exposed. They also find Ayer's Ague Cure is an effectual remedy for this distemper, and are urging the government to adopt it within the regulations. The Surgeon-General hesitates, because it is put up in a proprietary form. However great that convenience to the public, he prefers the physicians of the army should give their own directions for the doses. Whatever professional pride may dictate, he knows as well as we do, that Dr. Ayer's "Cure" is an almost perfect antidote for the Ague, and that the soldiers should have the benefit of it, as well as the people.—[Washington (D.C.)
