VOTE FOR THE SCHOOL BY-LAW

The vote on the school by-law providing for the addition of three rooms to our school will be taken next Monday, 12th May. The by-law commends itself to all thoughtful citizens who are alive to the needs of the rising generation and the credit of the town. The members of the Board are giving their time, their talents and careful study to the problem of providing adequate and satisfactory educational advantages for the children and young people of the community. That their efforts have been successful the high standing of Acton School, and the splendid achievements of the pupils at the various examinations from year to year, give ample proof. They are reasonable in their request for the general support of our citizens to the by-law to be voted on next Monday. Added to this is the fact that the Education Department demands that the extra accommodation be provided.

MOTHERS' DAY

Mother's Day—next Sunday—is an anniversary every man, young and old, should observe. James Whitcomb Riley says: "The heaven that lies about us in our infancy is Motherhood, and no matter how exalted or how depraved we may become we are always attended by the grace of a Mother's love. Nor does that splendid vision ever fade into the light of common day. Every great man has glorified a great Mother." In the tragedy of Calvary it is beautiful to see the Master looking down upon His Mother in tenderest solicitude, telling her to comfort His best-beloved disciple, and him to comfort her. On this day let each of us honor the hallowed memory of his Mother, wearing in token thereof the floral symbol of purity. Of other blessings we may have had great store, but of that most precious Influence there was but One.

EDITORIAL NOTES

IT DOES NOT require much investigation or calculation to ascertain that opposition to the School By-law is "a penny wise and a pound foolish" attitude. The opposition which defeated the by-law last year cost the town at least $300 unnecessary expense, and delayed the work needed, and which the Provincial Education Department demands, for a year.

THE COST of defence in Great Britain has increased in five years by eighty million dollars, the army being responsible for only six million of this. Education and other civil service charges have increased by more than twenty millions, while old-age pensions, insurance and labor exchanges account for no less than ninety million dollars' increase.

THE PROPOSED PLACING of meats on the free list and cattle on a lower tariff basis, by the Democratic Government of the United States promises to open up for Canadian beef cattle producers a very much stronger home market for cattle and a stronger foreign market. The same bill lets in milk and cream free of duty and imposes a reduced duty on butter and cheese. For the producer of diary cattle, a strong home market will be maintained, and a very strong foreign market should be available.

IN THE CENSUS of Canada there is no place for Canadians. There is no place in that census for anyone born on this continent, with the exception of Indians. We are all, in this official record of our people, with the exception noted, traced back to our European or Asiatic ancestry, no matter how far back the tracing has to go to find the beginning of the family tree. The great majority of those now living in the English-speaking Provinces are the descendants of immigrants who came here in the first sixty years of the last century. These are, for the most part, not only Canadian-born but are the children who were also born here. Still, none of these are classed in the census as Canadians.

LIMEHOUSE

About half a dozen of the ardent Liberals of Limehouse and vicinity went to Toronto Monday afternoon to hear Sir Wilfred Laurier that evening. They are more enthusiastic Grits than ever since their return.

The fishermen are putting in full time these days, and often nights. No big catches have yet been reported.

The builders are rushing up the new houses at "The Dolly" to replace those torn down for the electric railway.

Electric railway construction is being rushed now, but there is a big lot of work yet necessary hereabouts in grading and filling.

CREWSONS CORNERS

There was quite a large attendance at the Quarterly Communion services in the Methodist Church here on Sunday.

Mr. Jas. McMillan is building an addition to his residence.

Mrs. A. Currie and children, of Acton, are visiting at the home of Mr. Geo. Graham.

Mr. H. H. Brown, of Guelph, spent Sunday at his home here.

Mr. and Mrs. W. Lambert and family, of Acton, spent the week-end with friends here.

THE COUNCIL LIKELY TO COMPLY

Council met in regular session Monday evening. All the members were present, Reeve Hynds in the Chair.

The ninth report of the Committee on Finance, recommended payment of accounts as follows:

Electric Plant—

Packard Electric Co., metres	45.00
	$131.93

A By-law was passed authorizing the borrowing of money for current expenses.

Monday, 2nd June, was the date fixed for the holding of the Court of Revision on Assessment Roll.

Mrs. Donald McDonald waited upon the Council to request that the Main Street drain by extended so that her property at the corner of Main Street and Bower Avenue may be drained.

A petition from K. Cooper, Wm. Leichman and others was presented praying that a cement walk four feet wide be laid on the north side of Arthur Street from Young Street to the easterly limit of the street.

The matter was left over to allow of any other petitions to be presented, so that all pavement work may be done when the contractors are at this work.

Clerk Mackinnon reported that the license for the sale of cigarettes, held by R. J. Hassard, had expired. He said Mr. Hassard had stated, that owing to the fact that the hotel licenses carry the right to sell cigarettes this cut seriously into the trade, and there is not sufficient profit to pay the $37.-50 license fee fixed last year. Unless the Council reduced the fee to $20.00, he would not take out a license.

The Reeve was opposed to the constant change of fee. A fee under such a by-law should be fixed and adhered to.

Councillor Brown similarly expressed himself. The other three Councillors thought Mr. Hassard's request should be complied with. They would not like to take the responsibility of forcing cigarette users into the barrooms to secure their supplies.

The Clerk was instructed to prepare a by-law with the fee reduced as requested.

Council then adjourned.

OBITUARY

MRS. W. P. CAMPBELL

After several months of illness from pernicious anemes, Mrs. W. P. Campbell passed away at the family residence, 537 Logan Avenue, Toronto, on Friday, May 2nd. The remains were brought to Acton on the Monday morning train and interment was made in the family plot in Fairview Cemetery, Rev. C. D. Draper officiating. Her maiden name was Sarah Allan. She was the daughter of the late Joseph Allan, lot 3, con. 2, Erin, and the old home there was her birthplace. She was joined in wedlock to her late husband, William P. Campbell in 1866. Six sons and three daughters were born to them, of whom the following survive: William J., at Cayuga; Wilson, at Erin; Leonard, in Toronto; Allan, at Johnstown, N. Y.; Florence at home and Mrs. William Jackson, Toronto. All were present at the funeral here on Monday. The family resided in Acton for many years and because of the erection by Mr. Campbell of so many houses in Cook's survey that part of the town is familiarly known as Mount Campbell. Mrs. Campbell was a woman of many fine qualities. Her home was always her first consideration and her children rise up and call her blessed. She was for many years a member of the Methodist Church. In addition to the members of the family the following friends from a distance attended the funeral: Messrs. William Jackson, Geo. T. Forbes, Richard Sherlock, Mrs. John Lyons, Mrs. James Halland Misses Ella and Ada Campbell, Toronto.

MRS. ALLAN HOLMES

There passed away at the home of her daughter, Mrs. J. A. Saunders, St. Paul, Minn., on Wednesday, April 23rd, Jane Crawford, relict of the late Allan Holmes, and a highly respected resident of Georgetown. Deceased was 72 years of age and had been ill with pneumonia some eight days previous to her death. After the death of her husband about ten years ago Mrs. Holmes went to reside with her daughter in St. Paul, where she has since made her home. She was a member of the Methodist Church, a devout Christian and a kind and loving mother and will be much missed by her two children, Mrs. J. A. Saunders, of St. Paul, and Mr. Allan Holmes, of the Herald Printing Co., Prince Albert.

A funeral service was held at St. Paul on Thursday, 24th, at which two of the deceased's brothers, Wm. Crawford, of Minneapolis, and Thomas Crawford, of Tower City, N. D., were present. The remains were then brought to Georgetown and were accompanied by Mr. Allan Holmes, Mr. and Mrs. J. A. Saunders and Miss Lillian Saunders.

The funeral which took place on Sunday afternoon last from the home of Mr. W. H. Willson, to Greenwood Cemetery, was largely attended, the service at Ashgrove Methodist Church being withdrawn on account of the funeral. Rev. Mr. Roadhouse, assisted by Rev. A. T. Ingram, of Toronto, a relative of the deceased, conducted the service. The pall bearers were: H. W. Kennedy, R. D. Warren, John Thompson, L. L. Bennett, John Wrigglesworth, S. O. Ruddell.

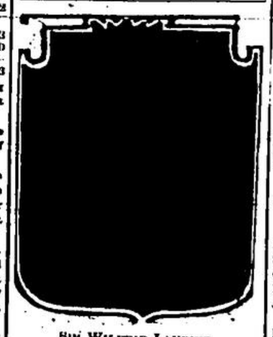
Among those from outside who attended the funeral were: E. A. Crawford, Guelph, and F. H. Crawford, Milford, Mich., brothers; Rev. and Mrs. A. T. Ingram, Mr. D. Williams Toronto; Mr. Jas. Holmes and Mr. Frank Holmes, Acton; Wm. Holmes and Wm. Early, Brampton.—Herald.

TORONTO'S GREAT LIBERAL MEETING

Sir Wilfrid Laurier Declares the Naval Question Can only be Settled by the Electors

WERE 8,000 PERSONS IN ARENA

The Laurier demonstration in the Arena, Toronto, was an inspiring rally of Ontario Liberalism. The issues were broad and important and Sir Wilfrid and the other speakers rose splendidly to the occasion. Between eight and nine thousand people, according to the testimony of the manager of the Arena, were present inside the building when the Liberal chief and his colleagues arrived on the platform amidst thrilling cheers. Several thousands outside were unable to gain



SIR WILFRID LAURIER

admission. There was a small sprinkling of Conservatives but when the fever gripped the audience it was clear to all observers that one of the greatest gatherings in the memory of Toronto had declared its adherence to Liberal doctrines, and expressed the determination of Canadians to maintain the national platform built by the Fathers of Confederation: As a demonstration of the strength and unity of Liberalism in Ontario the meeting achieved its purpose.

Among Sir Wilfrid's most striking utterances were these:

"My country is not alone the Province where I was born. My country is wherever in any part of the world the British flag flies. You cannot appear to be indifferent because you sleep with security. Whatever concerns British subjects here concerns British subjects everywhere."

"It is the part of Canada to come forward and take her share of the defence that the boats shall be built, so far as it may be done, by Canadian labor, equipped and maintained by Canadian labor as well, manned by Canadian sailors under control of the Canadian Government, of the Canadian Parliament and of the Canadian people."

"I decided it was the duty of the Canadian people to take up the matter of defence, and at either shore to relieve Great Britain to that extent and take up our share of the burden. I took that stand; I have done it, and does it to my cost. I was Prime Minister then; I am now in Opposition. For you men here in Ontario at the last election the question was that of reciprocity. In Quebec it was not reciprocity, but was a question of the navy. The Nationalists denounced me."

"Years ago, you will remember, Toronto had her garrison. Quebec had her garrison. Montreal had her garrison. These garrisons have been withdrawn, and Canada has filled up the gap with our own militia. (Applause.) Should not we young nations of Empire strengthen the motherland by replacing her overseas fleets by squadrons built and manned by the young nations? (Renewed applause.) This was the policy laid down in 1909. This is the policy followed by Liberalism in 1913. But what are we told? What does the Government say now? No, we cannot do it."

Hon. George Graham and Dr. Clark, M. P., of Red Deer, also made emphatic and able speeches.

DO YOU KNOW THESE?

What is that of which the common sort is the best? Sense.

Enough for one, too much for two, and nothing for three; takes one to make and two to keep? A secret.

Why is a girl not a noun? Because a lass (alas) is an interjection.

Why are lazy persons' beds too short for them? Because they lie too long in them.

Why is a kiss like a rumor? Because it goes from mouth to mouth.

When is it easy to read in the woods? When Dame Autumn turns the leaves.

Which is the largest room in the world? Room for improvement.

Why are the Western prairies flat? Because the sun sets on them every evening.

Why are laws like the ocean? Because most trouble is caused by the breakers.

Why are the stars the best astronomers? Because they have studded (studied) the heavens since creation.

Why is a schoolmistress like the letter "O"? Because she forms lasses into classes.

Why is a young lady dependent on the letter Y? Because without it she would be a young lad.

What is that which works while it plays and plays while it works? A fountain.

What two flowers should decorate a menagerie? The dandelion and the tiger lily.—Exchange.

Kidneys Wrong?—If they are you are in danger. When through weakness or disease the kidneys fail to filter the impurities from the blood, trouble comes at once. Backache, Rheumatism, Sciatica, Gravel, Diabetes, Gall Stones and the deadly Bright's Disease are some of the results of neglected kidneys. Dr. Morse's Indian Root Pills contain a most effective diuretic which strengthens and stimulates the kidneys so that they do their work thoroughly and well. Try **Dr. Morse's Indian Root Pills**

There is Nothing that will Freshen Up a Room Like New Clean Wallpaper

WE are showing thousands of rolls of beautiful Wall Paper in our large, well-lighted department on the third floor. Do you realise how much the Wall Paper of a room has to do with its cheeriness? It isn't the cost that counts—there are plenty of room palaces. It's the taste, the harmony, the fitness of things, and when it comes to knowing what's what we've had experience enough to be able to advise intelligently. If you want something really artistic in Wall Papers we claim your interest. It needs no argument to prove that the first requisite to successful home decorating is proper paper hangings. The walls should be in harmony with the general furnishing effect. They can be made so at little expense if purchased at Macdonald's. You live with the Wall Paper of a room even more than with the carpet. It's face to face with you at every turn. Do you pick it out with this thought in mind? We did when placing our order.

The new Wall Papers have new beauties. Many delicate color-plays are seen, light grounds strewn with white blossoms and new effects generally. Among the many parlor papers shown are two beautifully embossed, and exquisite silk effects in the new French Grey and Champagne shades. These are specially imported papers, and make first class parlor decoration. In papers suitable for bedroom decorations, we are showing a splendid assortment of plain ground goods, such as Jaspe stripes, Grasscloth effects, and Chambray grounds, to be panelled upon with their respective strappings. In the showing of heavier goods is a splendid variety of heavy embossed leathers in many beautiful designs and colors, with bright or dull surfaces, for use as "Lowers" or "Dados" in dining rooms, libraries and halls; one of the specials among these being a heavy black steel embossed leather, in one of the very newest designs. Ask to see these particular lines.

If you want your home to be really artistic we can help you to new and pleasing effects, without much expense. All we ask is a chance to show you what we have and what we can do. Come and see if only to see. You can believe the evidence of your own eyes. Our stock comprises as rich papers as you'll care to buy; as low priced papers as you can afford to buy. As a matter of fact there is nothing anywhere in this vicinity, to compare with our assortment, and we will gladly give suggestions about decorating a room or a whole house.
