...ritish Whig is the only ... Newspaper which procures the Daily Market Prices of Montreal.

Gold in New York on Saturday was weak. The demand for customs has been less active during the past week, but the falling off must be considered as only temporary, as the imports continue very heavy. The receipts for the present week, exclusive of to-day, have been $2,474,424. The price in the morning ranged at 142½ to 143.

MONTREAL MARKETS.

Barley offering at 75c per 50 lbs for Lower Canada. Ashes—very few arriving, but no upward movement yet. Butter unchanged. Peas unchanged.

WEEKLY REVIEW OF THE KINGSTON MARKETS.—The market on Saturday was far better supplied than on the previous market day. There was plenty of every kind of produce, and a good demand was made. The grain market was very lively, though farmers are anything but rushing in with their crops. Wheat is not in very good supply, Spring selling at $1 05 a $1 10 per bushel; Fall, $1 20. Rye plenty, 55c offering. Barley scarce, fetching 65 to 68c. Oats good supply. Peas 62½c, steady. The prices in the meat market are very steady. Beef still keeps the same price, though it will soon rise to the high rate it was sold at last winter. Mutton and Lamb 6 to 8c per lb. There is scarcely any Pork coming into market at all, and what comes in is quickly snapped up at $8 to $9 per 100 lbs. Chickens, good supply, at from 18 to 30c per pair. Fowls per pair 50 to 60c. Turkeys each 75 to 80c. A large lot of live wild pigeons caught in nets were offered for sale, retail at 12½c per pair. This is a new way of supplying the market, and a very wise plan. Butter is very dear, and some good lots sold for 26c, and prices ranged from 23½ to 25c. Packed by the tub, was offered at 20c per lb. Eggs were 14 to 15c per dozen. Home made Cheese 9 to 10c. Potatoes 40 to 45c. Onions 70 to 90c per bushel. Tomatoes 50c per bushel, with an excellent supply. Cooking Apples, on the market, 60 to 80c per bushel. R. Town retails—American Apples $2 50 to $3 50 per barrel. Peaches $2 50 to $3 00 per crate. Pears have gone up considerable, selling at $3 a bushel. The Wool and Hide market is very firm; Wool can be disposed of readily at 35 to 37½c per lb.; Hides $4; Sheep Skins 50 to 75c; Calf Skins 10c per lb.

MARINE NEWS.—Saturday was another fine Autumn day, and the docks were lively. A large amount of freight is daily landed here, and business is flourishing. The American Express steamer Bay State passed up on Friday night, and the Cataract down on Saturday morning. The Royal Mail steamer Passport passed down same morning, and the Kingston up in the evening. The steamer St. Helen passed up in the morning, with a heavy load of freight. She discharged and also took on board a large quantity of freight. The tug Ellswood arrived from the Rideau Canal with a tow of barges.

THE CORINTHIAN.—This steamer made a trial trip on Saturday afternoon, and her machinery was found to work very well. She left for Coburg on Saturday night, and resumes her trips from thence to Rochester to-day.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed to health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 2mo191 & 33

The surgeons' reports show that our armies have suffered greatly from chills and fever which is induced by the miasma and change of climate to which they are exposed. They also find Ayer's Ague Cure is an effectual remedy for this distemper, and are urging the government to adopt it within the regulations. The Surgeon-General hesitates, because it is put up in a proprietary form. However great that convenience to the public, he prefers the physicians of the army should give their own directions for the doses. Whatever professional pride may dictate, he knows as well as we do, that Dr. Ayer's "Cure" is an almost perfect antidote for the Ague, and that the soldiers should have the benefit of it, as well as the people.—(Washington (D.C.) Correspondent. 191 & 33

They are purely vegetable, pleasant to take, prompt and salutary in their effects on the broken down and shattered constitution. Old and young can take them with advantage. DR. BUCHAN'S ENGLISH SPECIFIC PILLS cure in less than 30 days, the worst cases of NERVOUSNESS, Impotency, Premature Decay, General Weakness, Insanity, and all Urinary, Sexual and Nervous Affections, no matter from what cause produced. Buy your Shorts from Morrison, fresh and sweet; it will do your animals good.

If you happen by accident to drop into one of those two-penny half-penny concerns, dart out at once, and make tracks for Morrison's, where you will find everything to suit you, where everything is well regulated and in good order, where no inferior goods are sold, and you will at once arrive at the conclusion that you have found the Toronto Wholesale FLOUR STORE, and a man that understands his business, in MORRISON.

Kiln-dried Oatmeal, the best in Canada.
Double Bolted Cornmeal for family use.
Wheatmeal from picked new Fall Wheat.
Cracked Wheat from fresh ground best white Winter Wheat.

The above goods are specially manufactured for my customers, and I defy competition.

SELF-RISING OR PATENT FLOUR.

I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merely mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.

N. B.—I have a few choice SUGAR-CURED HAMS still on hand.
