COMMERCE AND MARINE.

SATURDAY MORNING, SEPT. 23, 1865.

The Daily British Whig is the only Kingston Newspaper which procures the Daily Market Prices of Montreal.

GOLD in New York yesterday was rather more unsettled. The prevailing impression is, however, that as in previous instances of the anticipation of the interest, the privilege will be availed of to only a limited extent, and that consequently the supply of gold will not be apparently affected. It opened in the morning at 141¼ rose to 143¼ and closed 143¼.

MONTREAL MARKETS.

(Special Telegram to the British Whig.)

"PELTS GOING DOWN." — Yesterday morning, 3,000 sheep pelts, were shipped on the steamer Bay State, for Ogdensburgh, being ultimately intended for the American market. They were mostly part of the stocks of Mr. Wm. Ford, Jr., and Mr. John Smith of this city.

MARINE ITEMS.—Yesterday was a beautiful, calm, spring like day, and nature shone forth in all its grandeur. It is somewhat unusual for such fine weather in the very middle of the equinoctial gales. On Monday great coats were hauled out from the closets, but yesterday, the garb for a July day was the one brought into requisition. The Royal Mail str. Passport going down called at the usual hour in the morning.—The Champion, due on Thursday afternoon, did not arrive up till seven o'clock the same morning. She had a very heavy load of freight, and discharged about 50 tons here. The Passport passed up in the evening.—The American Express steamer Ontario passed up at the usual hour on Thursday night and the Bay State down on time yesterday morning. The propeller Brantford, from Montreal to Hamilton, called yesterday morning, and landed a large quantity of freight. The schooner M. L. Breck, with salt for Chicago, left yesterday.

MARINE DISASTER.—The Oswego Times says the tug Wales, with three barges in tow from Toronto for Oswego, with lumber, encountered the late gale, during the prevalence of which the barge England lost her rudder and small boat, parted her line, and was left at the mercy of the waves.—The steamer Bay State, however, fell in with the barge on Monday evening, about ten miles above the Genesee, and took her in tow for Charlotte, but the timber heads of the steamer were soon broken, and the barge was again adrift, and full of water. It is supposed she went ashore. The schooner Caroline Marsh, reports that the Wales was seen to go into the port of Charlotte on Tuesday night with two barges in tow, apparently water logged. The tug Crusader was despatched in search of the England. The Wales and barges belong to Chaffey & Bros. of Kingston. The schooner Iris, bound from Oswego to Hamilton, was driven ashore in the gale of Sunday night at Burlington Beach. Both vessel and cargo are a total loss.

STEAMER LOST.—The steamer Huron, plying between this port and Saginaw, sank at the mouth of the Saginaw river during the late storm. No lives lost. Arrangements are being made to immediately place another steamer upon the route.—Huron Signal.

VESSELS PASSED THROUGH THE WELLAND CANAL.—Sept. 21.—Schooners—Aicha, Milwaukie to Kingston, wheat; Ayr, Chicago to Prescott, corn; Starlight, Stanley to Kingston, peas; Propeller East, Montreal to Chicago; Schooner S. J. Foley, Chicago to Ogdensburgh, corn. Bark Cecilia, Kingston to Windsor, no cargo.

Waltham watches and Ayer's Pills are said to be the highest specimens of American art, each of their kind: one in mechanics and the other in medicine. With a Waltham watch in one pocket and a box of Ayer's Pills in the other, you should be at your work in season with the health to pursue it.—[Advertiser, Norway, Me. 220 & 38

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" " " I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" " " Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" " " I have been a great sufferer from Dyspepsia, and had to abandon preaching. " " " The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" " " Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" " " I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" " " The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" " " The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

MORRISON has 250 barrels Extra Family Flour, from new Wheat.
MORRISON has 300 bags No. 1 Superfine Flour, to arrive this week.
MORRISON sells good Family Flour as low as some of those two-penny half-penny shops sell an inferior article.

Buy your Bran from Morrison; it is fresh ran from fall Wheat—none of your two-year old musty stuff.

Buy your Shorts from Morrison, fresh and sweet; it will do your animals good.

If you happen by accident to drop into one of those two-penny half-penny concerns, dart out at once, and make tracks for Morrison's, where you will find everything to suit you, where everything is well regulated and in good order, where no inferior goods are sold, and you will at once arrive at the conclusion that you have found the Toronto Wholesale FLOUR STORE, and a man that understands his business, in MORRISON.

Kiln-dried Oatmeal, the best in Canada.
Double Bolted Cornmeal for family use.
Wheatmeal from picked new Fall Wheat.
Cracked Wheat from fresh ground best white Winter Wheat.

The above goods are specially manufactured for my customers, and I defy competition.

SELF-RISING OR PATENT FLOUR.

I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merly mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.

N. B.—I have a few choice SUGAR-CURED HAMS still on hand.
