EDITORIAL NOTES

THE COUNTRY REJOICES in the much improved condition of Sir James Whitney. For several days there has been no recurrence of the weak spells. The doctors now hold out strong hopes for the recovery of the Premier.

IN the Canadian Senate there are now 55 Liberals and 31 Conservatives. When the new propositions of the present Premier is ratified, nine more Conservatives will be added to the roll call—making a total of 88 members.

LAST year's Canadian grain values: wheat $123,403,000; oats, $116,096,000; barley, $20,403,000; rye, $2,086,000; peas, $4,647,700; buckwheat, $8,158,000; mixed grains, $10,127,000; flax, $10,626,000; beans, $2,210,000.

DURING the calendar year 1913 the total immigration to Canada was 318,670, made as follows: British, 131,317; American, 90,840; Other countries, 123,014. During the calendar year of 1912 the total number was 302,804, composed of 132,850 British, 140,143 American, and 100,802 from all other countries.

IT is asserted in dairy circles that the new United States Tariff, which permits Canadian milk and cream to enter that country duty free, while taxing Canadian butter and cheese, is giving much anxiety to Canadian creameries and cheese factories. It is reported that already forty factories in Canada have been closed as a consequence.

THERE has been much favorable comment respecting Mr. Samuel Laird's suggestion for the convenience of pupils in the east end of the town. The continuance of Guelph Street, from Hower Avenue to the school grounds as alane one-third the width, is regarded as both feasible and commendable. Some go so far as to suggest that the matter might be accomplished by popular subscription. In any event steps should be promptly taken to secure the desired convenience. If opened, what would be more honoring and euphonious than to name the new foot thoroughfare "Laird's Lane."

The time is at hand when Acton must seriously consider the construction of a water works system, in order to provide more adequate fire protection as well as to supply pure water for domestic purposes. The little village of Tottenham with a population of about 600, has carried a $14,000 water works by-law. Thirty year debentures of $618.72 each will be issued. The Sentinel states that the increased tax will be less than 4 mills, of which the municipality will get back two mills in revenue. The reduction in insurance premiums will likely more than off set the other two mills, the annual saving on the town hall alone being $56.00.

HALTON FIRE INSURANCE CO.

Mr. Richard Graham Elected President at the Meeting here on Monday

1913 WAS A GOOD BUSINESS YEAR

The annual meeting of Halton Union Fire Insurance Company was held in the town hall on Monday afternoon.

There was a large attendance of members of the Company and much interest was manifested in the proceedings.

The annual report of the auditors, presented by Mr. Thomas Moore, Secretary-Treasurer, showed a year of very gratifying business. The receipts of the year aggregated $23,566.54 and the balance in the banks of the company and in the Treasurer's hands was increased from $6,907.03 in 1912, to $14,190.68. The losses for the year were only $6,011.90. The amount of insurance on December 31st was $6,500,010. The assets of the Company total $202,220.

The retiring directors, Messrs. Henry W. Cook, James Kirkwood and Richard Graham were re-elected.

At the subsequent meeting of the Board, Mr. Richard Graham, Ashgrove, the Vice-President of last year, was elected President, and Mr. George Castle, of Milton, was elected Vice-President.

Mr. James Kirkwood, the retiring President, will give his whole attention to the interests of the Company in Erin township as the agent there.

Mr. Thos. Moore, Secretary-Treasurer, whose work of the past year has been so satisfactory, continues in that office.

Mr. Ebenezer Beswick, Ballinafad, and Mr. R. E. Hall, Streetsville, were appointed auditors.

HALTON CONSERVATIVES

The annual convention of the Halton Conservative Association was held in Milton Tuesday afternoon of last week. All parts of the county were represented.

Officers were elected as follows—President, John Dearing; Vice-President, J. A. Willoughby; Secretary, R. L. Hemstreet; Treasurer, J. E. Little.

Addresses were delivered by Dr. A. W. Nixon, M. L. A., Dr. Pearl and M. C. Smith, Burlington, J. A. Willoughby and J. Bingham, Georgetown, and John A. Riggs, Bronte.

By resolution the Secretary was instructed to convey to Lady Whitney the regret of the convention for the illness of Sir James Whitney, and express hope for his speedy recovery.

Another resolution put on record the confidence of the convention in the Dominion and Provincial Governments and the members representing the County of Halton.

REEVE HYNDS IS THE WARDEN

Received the Unanimous Vote of the Members of the County Council

MR. CAMPBELL GRACEFULLY RETIRED

The County Council of Halton assembled at the initial meeting of the year at the Court House, Milton, on Tuesday.

All the members were present, representing the various municipalities as follows:

Acton—George Hynds, Reeve.
Burlington—M. C. Smith, Reeve.
Georgetown—L. E. Fleck, Reeve.
Milton—J. W. Little, Reeve.
Oakville—A. S. Forster, Reeve; Geo. Hillmer, Deputy Reeve.
Esquesing—George Wrigglesworth, Reeve; Thos. Coxe, Deputy Reeve.
Nassagaweya—Duncan Campbell, Reeve.
Nelson—Chas. Readhead, Reeve; Stanley Dynes, Deputy Reeve.
Trafalgar—Alex. Porter, Reeve; C. H. Turner, Deputy Reeve.

The first business was the election of the Warden and as the FREE PRESS predicted months ago, Reeve Hynds, of Acton, was honored with election to the chair of the chief magistrate of the county.

Reeve Hynds was nominated by Reeve Smith, of Burlington, and the nomination was seconded by Deputy Reeve Coxe, of Esquesing.

Reeve Campbell, of Nassagaweya, was nominated by Reeve Little, of Milton, and seconded by Reeve Readhead, of Nelson.

REEVE HYNDS, WARDEN HALTON COUNTY

Mr. Campbell arose and said that while it was Nassagaweya's turn naturally for the bestowal of the honor of the Wardenship he realized that Mr. Hynds was a much older and experienced member of the County Council, and deserved the honour personally, and, after thanking his nominees for his nomination retired in his favor.

The vote was then put and resulted in the unanimous choice of George Hynds, Acton, for this highest honor within the power of the municipalities of the County of Halton to confer.

County Clerk Ranion declared Mr. Hynds elected Warden for the year 1914 and requested H. P. Moore, J. P., of Acton, a former member of the County Council, to take Mr. Hynds' declaration of office.

In assuming his position the new Warden thanked the members very cordially for their election of him to the highest office of the Council. In looking over the membership of the present year's Council he regretted the absence of a number of former members of sound judgment and ripe experience, but he noted with pleasure the return of many of his associates of past years. He desired to welcome very cordially the new members. An outline of the work of the year was then given. Not much unfinished work had been left undone last year. Perhaps the most important matter before them is the proposal to install an up-to-date equipment in the County Registry Office. He hoped that the interests of the county coming under their jurisdiction would be carefully conserved and that the business of the Council would be transacted in the pleasant and gentlemanly manner which had characterized the conduct of past Councils.

The Standing Committees of the year were struck as follows:

FINANCE—Smith, Chairman, Porter, Campbell, Hillmer.

ROADS AND BRIDGES—Campbell, Chairman, Coxe, Forster, Porter, Readhead.

COUNTY BUILDINGS—Forster, Chairman, Readhead, Turner, Fleck.

PRINTING—Readhead, Chairman, Fleck, Wrigglesworth.

EDUCATION—Little, Chairman, Turner, Smith.

SPECIAL COMMUNICATIONS—Coxe, Chairman, Dynes, Hillmer.

RAILWAYS AND LEGISLATION—Wrigglesworth, Chairman, Dynes, Little.

GOOD ROADS—Porter, Chairman, Smith, Forster, Readhead, Coxe, Wrigglesworth, Campbell, Hillmer, Little, Dynes, Fleck, Turner.

The Warden is ex-Officio a member of all committees.

OPINION

A very pleasant evening was spent at the residence of Mr. and Mrs. A. J. Murray, lot 9, con. 2, Erin, Friday evening, the 23rd inst. when about 50 of their friends paid them a surprise visit. The evening was spent in games and dancing. At midnight a dainty lunch was served after which dancing was resumed and kept up till the wee sma' hours when everyone departed tired but happy and voting Mr. and Mrs. Murray admirable host and hostess.

Give one woman two minutes to size another woman up and she can devote two hours to describe what the other had on.
