EDITORIAL NOTES

ON THE MOTION to give a second reading to bills embodying the proposal to give the full municipal franchise to married women who own property there was not a dissenting voice heard in the Legislature last Friday.

THE Counties of Halton, Lincoln, Welland, Haldimand, Wentworth and Brant and the cities of Brantford, St. Catharines Niagara Falls are invited to join Hamilton in petitioning the Legislature to establish a centrally located institution for the care of feeble-minded women. A very desirable and humane act.

THE MINISTER OF MILITIA will introduce a bill extending the time for payment of Fenian Raid volunteer bounty grants to any time prior to December 31st, 1915. It provides for the payment of $100 to all veterans or widows or legal representatives of such volunteers who were still living on April 1st, 1912, and to whom no grant has been previously made.

AFTER January 1, 1916, the manufacture, importation and sale of white phosphorus matches will be prohibited in Canada. The Government bill enacting this prohibition into law was passed by the House of Commons on Friday. In its important particulars the measure is the same as that framed by Hon. W. L. Mackenzie King before the change of Government.

JUDGE ELLIOTT FOR HALTON

The Appointment Announced Last Week. County Greatly Pleased

JUDGE IN HIS NATIVE COUNTY

The announcement was made last week of the appointment of J. W. Elliott, B. A., K. C., to the County Judgeship of Halton, to succeed the late Judge Gorham.

During the illness of Judge Gorham Mr. Elliott was appointed Deputy Judge. Upon his death there was a general desire expressed by residents throughout the county of both political parties that Mr. Elliott be given the Judgeship of the county. The Minister of Justice declared this course would be opposed to the usual precedent, but further representations were made to secure the appointment. Rumors came that Mr. Elliott would probably be appointed Judge of Waterloo County, and again of Norfolk. But the efforts of his friends finally prevailed and Judge Elliott has been appointed for Halton. This course will receive the unanimous approval of the people of Halton.

John Wilson Elliott is fifty-seven years of age. He was born in Nassagaweya and is a son of Thomas Elliott who represented that township in the County Council for a number of years. He received his early education in the public school and attended the old grammar school at Milton when the late Rev. Nelson Burns was principal; also Upper Canada College. He graduated from Toronto University in 1879, with first-class honors in classics. He studied law in Toronto with the firm of Teyle, Pearson & Kingsford, and later with that of Cameron & Appelbe. He was called to the bar in December, 1882, began practice at Milton in 1883 and has been there ever since. He was made a K. C. on Jan. 7th, 1908. He was appointed Deputy Judge for Halton last May, when the late Judge Gorham found himself unable to continue his duties.

He has long been a prominent Conservative and was generally regarded as likely to be Mr. Henderson's successor as the Conservative standard-bearer, when he retired. He is respected and esteemed by the people of Halton generally, irrespective of politics. He is a man honorable and upright in all his dealings. He is a leading member of Knox Church, Milton.

He has filled the position of Deputy Judge to the satisfaction of the legal professions and the public generally.

ROCKWOOD

Mrs. George Corsan, who has spent the winter here with her sister, Miss Stout, left this week for her home at Glen Loney, Alberta. Miss Stout accompanied her.

A citizen was fined $20.00 and costs when he pleaded guilty to having been drunk in a Local Option municipality, before Magistrate Watt at Guelph on Monday. This is the second man among us to be fined on a similar charge lately. License Inspector O'Brien says that he intends to put a stop to the practice, and that he will keep a sharp look-out, and summon every man he finds drunk in Rockwood.

A young married couple who had just returned from their honeymoon to their home in Rockwood, are very indignant at the manner they were used by a party of young men, who charivaried them on their return. To cap the climax, the young men are said to have demand $5.00, which was given them. The matter may result in a police court case.

Mr. Fred Smith, of the Metropolitan Bank Hamilton, has been visiting his grandfather, Mr. W. E. Smith, during the week.

The young people of the Presbyterian Church enjoyed the fraternal visit of half a hundred young people from Knox Church Young Peoples' Society, Acton, last Wednesday evening.

SERIOUS ACCIDENT TO LEWIS RICE

Was Run Down by a Train and Lost his Left Leg

WAS FOUND BY PASSING TRAMP

On Monday Lewis Rice, farmer, of Dolly Varden, about a mile below Acton on the third line, met with an accident while walking on the G. T. R. tracks which will sadly maim him for life.

He had been to Guelph during the day and returned to Acton by the 6.24 p. m. train. He proceeded to walk home down the track and had proceeded about half the distance when a freight train rushed down the grade from Acton. Whether he was walking too near the track or slipped on the ice as the train was passing he is unable to explain. His left foot was caught under the wheels and the flesh and bones were crushed off at the ankle. Some part of the car trucks must have caught him also for his clothing was torn into shreds.

The poor fellow lay in the ditch beside the track from seven o'clock until one next morning. He shouted for help until he was exhausted, and although three passenger trains passed him no person appears to have heard his agonized cries. Finally, about one o'clock a tramp came along and found the unfortunate man. When his condition was explained the man complied with the request to inform Mrs. Rice, who sent word to her father, Mr. Dobbie. They came to his rescue, summoned Dr. Gray and Mr. and Mrs. E. S. Rice, the parents of the young man, and conveyed him home.

Dr. Gray rendered first aid and he was taken to the General Hospital, Guelph, on the eight o'clock train. The injured limb was amputated between the ankle and the knee, and the patient appears to have stood the shock of the injury and amputation very well.

When found the injured man had a bottle of whiskey with him, and this may account for the serious and tragic event which befell him.

OBITUARY NOTICES

MRS. THOMAS BLAIR

Barely five months after her husband's death, Mary Nelson Burns, widow of the late Thomas Blair, passed peacefully away last Saturday near midnight at the home of her son-in-law, Mr. Spencer Husband, Willow Street. Since the death of her husband, on the 28th October last, Mrs. Blair has gradually declined in health. She was able to be about until a day or so before her death. Mrs. Blair was born in County Down, a few miles from Belfast, Ireland, in 1828, and was therefore in her 86th year. She was one of a family of nine, of whom two survive. In her girlhood she learned making Irish lace and embroidery and was an expert maker, of which numerous much prized pieces possessed by the family bear silent testimony. In 1845 she came to Canada going direct to Nelson township where she lived continuously until five years ago last Christmas, when she and her late husband were prevailed upon to come to Acton to live near their three daughters here. She and her husband lived for fifty-five years a very happy life together. Their four daughters and one son all survive and were all present at the funeral on Tuesday to pay the last respects to the memory of a mother beloved. They are Mrs. Spencer Husband and Mrs. W. R. Kenney, Acton, Mrs. L. G. Matthews, Toronto, Mrs. John McCausland, Niagara Falls, N. Y., and Mr. George A. Blair, Rochester, N. Y. Mrs. Blair was a member of the Presbyterian Church from childhood. The funeral on Tuesday afternoon was conducted by Rev. J. G. Wilson, B. A.

MRS. WILDE

Barely has any one who has attained the extreme age of 86 years passed away with the gentle peace and freedom from continued suffering which characterized the death of Mrs. Mary Ann Wilde, who has resided with her daughter, Mrs. David Williamson, for a generation. The dear old lady was not in bed for a day. She was taken with a weak spell last Thursday, but was up each day afterward, and about eleven o'clock Monday evening peacefully slept away. Mrs. Wilde was a daughter of the late John VanVlack, Sr., was born in Wayne County, New York, in 1828 and when a child came with her parents to Canada and settled at Whitby. Here she was married to the late Thomas Wilde and came to Acton fifty-eight years ago. When Mr. and Mrs. David Williamson took up farming in Nassagaweya thirty-seven years ago Mrs. Wilde went with them and for thirty years on the farm she made herself useful and was a comfort to all the family. When they retired and settled in their home on Guelph Street seven years ago, she came with them. The declining years of the gentle old lady have been passed in quiet meditation and well-earned rest. Her wants were few but were always lovingly ministered to. On the 4th March, when she reached her 88th birthday, her grand-daughter, Mrs. R. H. Wanamough, of Guelph, came to Acton and made the old lady a birthday party which she greatly enjoyed. Her three children Mrs. Williamson and Mr. George Wilde, Acton, and Mr. James Wilde, Edmonton, Alta., survive. She was a member of the Methodist Church and greatly loved its courts. The funeral will be conducted this afternoon at 2.30 o'clock by Rev. C. D. Draper.

GREATER ADVANTAGES IN THE COUNTRY

So it was Decided in a Debate at the High School on Friday

At the meeting of the Literary Society of Acton High School on Friday afternoon the programme contained the following:

Current Events were given by Misses Edith Rath, Clara Brown, Tena Henderson and Jean Wilson. A reading by Miss A. O'Brien on "St. Patrick's Day." Brief but interesting speeches were given by Harvey Rath, Misses Margaret Wilson, Vera Harvey, Miss Howie, Mr. Stewart, Harold Mowat, Misses Lorna Kennedy, Clara Brown, Reta Plank, Alicia O'Brien, and Barbara Plank.

An interesting debate was held on the subject "Resolved that it is of greater advantage to be brought up in the country than in the city." The affirmative was upheld by Misses Kathleen Gibbons and Margaret Henderson, The negative by Miss Janie O'Brien and Ethelred White. Many well-proven points were brought forth by both sides. The judges, who were Misses Bennett, Watson and MacPherson, decided the debate in favour of the affirmative.

The Gazette was read by the editor Miss Isabel Anderson. The critic's report, was also given.

PERPETUAL CARE OF THE PLOTS

Growing Interest in the Proposal for Permanent Care of Cemetery Property

THE COUNCIL SHOULD ACT

Much interest has been manifested in the suggestion of Mrs. Jennie Wood, Guelph, respecting the formation of a Committee to undertake, for a reasonable consideration, the permanent care of plots in Fairview Cemetery.

The following was received this week:

Dear Mr. Editor: Last week's FREE PRESS just to hand and I have read with interest the letter from Mrs. Wood, of Guelph, regarding the establishment of a fund for the permanent maintenance of the plots in Fairview Cemetery.

I have often wished such an arrangement could be made and I am sure it would meet with favor from a great many others. Had it not been for the kindness of relatives in Acton I am afraid the appearance of our plot in Fairview would have suffered during the past two or three years as it has been impossible to hire any one as in former years to take charge of it.

I would be very glad to see Mrs. Wood's suggestion carried out and to forward whatever amount might be deemed necessary for the upkeep of the Cobban plot in Fairview.

Yours very sincerely,
CLARA J. COBBAN.

Calgary, Alta., March 16th, 1914.

The Council would be fully warranted in taking the matter up, passing a by-law if necessary, and appointing a committee to put the matter into practical operation. There is still time to inaugurate the proposal for the coming season.

—Harbingers of spring are everywhere manifest.

—R. J. Kerr, lot 19, first line, Erin, will hold his 8th annual sale of pure bred York and Berk hogs, high grade cattle and horses, 30 sows in pig or pigs at foot, on Friday, March 27th. Don't miss this sale to procure the breeds that have made Canadian bacon famous.
