EDITORIAL NOTES

WORKMEN'S COMPENSATION held the attention of the Legislature on Tuesday. After seven years of waiting on the part of the working classes of the Province, the House has adopted the principle of an up-to-date measure, and the bill has gone into the committe stage to be considered in detail.

NORTHUMBERLAND and Perth County Temperance Alliances held their annual convention this week. The latter decided on a Canada Temperance Act campaign in the county and possibly also in the city of Stratford next autumn. Halton County will evidently be in good company in its campaign.

IT IS REPORTED that Hon. W. J. Hanna contemplates two important changes in the Liquor License Act during the present session. One is the closing of all bars on Saturday afternoons, and the other is the establishment of a central commission for the Province to deal with hotel licenses, and thus have the issuing of licenses removed as far as possible from political influence.

DIVORCE is certainly not easily obtained in Canadian Courts. For the third year the Canadian Senate has refused to grant a divorce to Andrew Lorne Hamilton, of Quebec, and formerly of Portage la Prairie, Man., from his wife. Three times the divorce committee of the Senate has recommended it, but the advice has been rejected by a decreasing majority each time. This time the vote was a tie, which means that the motion had failed of adoption.

IN ORDER to make its business policy harmonize with its editorial utterance the Pittsburg, Pa., Gazette-Times states that it will hereafter neither seek nor accept any advertisements of intoxicating liquors. All existing liquor advertising contracts will be cancelled, if possible; those that cannot be cancelled will not be renewed upon their expiration. It would be a happy thing if all newspapers in Canada would take this consistent course.

THE ENORMOUS TOTAL of 222,847,860 bushels of grain was shipped from the elevators at Fort William and Port Arthur during the year 1913, by lake and rail route. What is claimed to be the largest grain-carrying steamship in the world, named the W. Grant Morden, will be launched at Port Arthur on April 4th for the Canadian Steamship Lines. Its capacity will be 800,000 bushels of wheat. Canada is evidently going in for big things these days.

THE RESIGNATION of Mr. Eventural from his place in the Legislature had just taken place when it was discovered that the man who preferred the charge had committed an act which carried with it forfeiture of his own seat. Mr. Ferguson, of Grenville, was the man who laid the charge against Mr. Eventural, and Mr. Ferguson's violation of the law consisted in accepting pay from the Dominion Government for investigating irregularities on the Trent Valley Canal, while holding a seat in the Legislature of Ontario. A bill was rushed through the Legislature in one day which not only relieved that member of the penalties he had incurred but relieved others who had made themselves liable to like penalties as well.

THE POST OFFICES IN HALTON

Revenues, Salaries, Money Order Business and Other Finances of Last Fiscal Year

ACTON ISSUES THE MOST MONEY ORDERS

The annual report of the Postmaster General, just issued, for the last fiscal year, gives much interesting information.

The postal revenues of the Dominion aggregated $14,112,027.63, an increase of $2,078,987.63 over the previous year.

Canada now has 14,178 post offices. Last year 522,475,600 letters, 60,644,000 post cards, and 14,586,000 registered letters were posted. The amount of money on deposit in the Post Office savings bank is $42,728,041.82. The letters sent to Dead Letter Office numbered 167,742.

ACTON LAWN BOWLING CLUB

Dr. Lake, President, E. J. Hassard, Secretary for 1914

THE SKIPS ARE TO BE SELECTED

The annual meeting of Acton Lawn Bowling Club last Thursday evening was well attended and the interest manifested promises a very interesting season on the green.

Secretary Hynds read the annual report which showed the club's finances to be in good condition with a balance in the treasury.

When the election of officers for the present year was announced Reeve Hynds said he found it would be impossible for him to accept the Secretaryship for the present year. His numerous public duties including those of the Wardenship of the County, caused him to be unusually busy and he declined to accept nomination for the office for the coming season. Mr. E. J. Hassard was consequently elected to the office. His well-known enthusiasm as a bowler will qualify him for the position.

The officers elected were:

Hon. Pres.—W. A. Storey.
President—Dr. Lake.
Vice-President—John Cole.
Sec.-Treas.—E. J. Hassard.

Green Committee—John Williams, A. J. Mackinnon W. J. Gould and the Secretary.

Committee to Select Skips—A. J. Mackinnon, W. J. Gould and the Secretary.

Membership in the Central Lawn Bowling Association will be continued.

The Green Committee will proceed as soon as spring opens to put the lawns in good condition.

The entertainment here last Tuesday night was very successful, notwithstanding that Rev. A. I. Snyder was unable to appear. Rev. Mr. Evans, Eramosa, gave an excellent address on "Ireland and the Irish," which was listened to with great interest in view of the present disturbed conditions in Ulster. Mr. J. P. Searrow, Acton, gave a very good address on all nations. Mrs. Clarke rendered several vocal selections, and there were also selections by Lehrman's orchestra and the Baptist Sunday School quartette, of Acton. Rev. T. R. Clarke made an efficient chairman.

Misses E. and C. Cripps, Eramosa, spent Monday at Mrs. M. Crewson's.
