The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER,
Madrid, N. Y."

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.
Thy Friend, ASA CURRIN,
Philadelphia, Pa."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. J. S. CATHORN,
Rochester, N. Y."

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.
SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

"* * * The Plantation Bitters have cured me of liver complaint; with which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.
DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.
Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,
For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers; indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by E. H. Parker, Kingston, and all Druggists. Northrup & Lyman, Newcastle, General Agents. 1mo191 & 33

Buy your Shorts from Morrison, fresh and sweet; it will do your animals good.

If you happen by accident to drop into one of those two-penny half-penny concerns, dart out at once, and make tracks for Morrison's, where you will find everything to suit you, where everything is well regulated and in good order, where no inferior goods are sold, and you will at once arrive at the conclusion that you have found the Toronto Wholesale FLOUR STORE, and a man that understands his business, in MORRISON.

Kiln-dried Oatmeal, the best in Canada.
Double Bolted Cornmeal for family use.
Wheatmeal from picked new Fall Wheat.
Cracked Wheat from fresh ground best white Winter Wheat.

The above goods are specially manufactured for my customers, and I defy competition.

SELF-RISING OR PATENT FLOUR.

I have received a small quantity of Patent Flour, and as most of my customers are fond of good things, I would recommend it as being very good for bread, Windsor tea cake, very superior luncheon cake, pastry, &c., &c. An excellent pudding may be made by merly mixing some of the flour and water together, boiling it in a cloth, or steaming it, with room for expansion, and using a little nice melted butter with sugar for sauce. Pancake fritters &c. are very superior when made of this flour—no eggs need be used.
