EDITORIAL NOTES

NINETY-SEVEN PER CENT. of grain crop in Canada last year was merchantable, according to this week's bulletin issued by the Census and Statistics Department at Ottawa. Of the wheat crop of 222,000,000 bushels, 223,000,000 were marketable.

A FALLING-OFF in Canadian immigration during the fiscal year just begun is predicted by Mr. W. D. Scott, the Superintendent of Immigration. The total number of immigrants in the year just closed was approximately 350,000, but it is estimated that the total during the present year will be only 250,000.

THE POSTOFFICE DEPARTMENT has issued a public notice calling attention to the fact that all parcel post restrictions with regard to the weight of parcels up to eleven pounds, instead of six pounds as originally provided, have been removed. The additional fee of five cents, which was at first charged on parcels mailed for local delivery in places where the letter-carrier delivery is in operation, has also been abolished.

DEPOSITORS in the Farmers' Bank who lost their money will have it refunded by the government. Hon. W. T. White, minister of finance, has given notice that he will move that it is expedient to provide that there may be paid out of the consolidated revenue fund of Canada a sum not exceeding $1,250,000, to be paid to persons who were creditors for money on deposit in the Farmers' Bank of Canada, the respective amounts standing to their credit in the books of the bank when the bank suspended payment.

ROD AND GUN for May is out with, as usual, an attractive bill of fare for the sportsman. The Dogs of the North, A Hunting Trip to Pocologan, N. B., The History of the Canoe, Building a Sectional Boat, The Swamp Maiden, The Roughneck Fishing Club, Obnoxious Fishing in Lakes and Ponds, Ideal Trout Fishing in Ontario Waters are some of the articles worth special mention while the regular departments are well maintained and the whole of interest to both Canadian and American sportsmen. U. S. AND MEXICO NEGOTIATE

Every Honorable Means Taken to Prevent Further Hostilities

FRIENDLY POWERS ARE NOW MEDIATING

Washington, April 29.—Spanish Ambassador Riano, in charge of the affairs of Mexico in the United States, to-day informed Secretary of State Bryan that Gen. Huerta had unconditionally accepted the principle of mediation as involved in the proposal of the Governments of Brazil, Argentina, and Chili.

Secretary Bryan said Huerta's demands are still unknown, and he refused to announce what steps the United States will take.

The Cabinet for several hours this morning discussed the latest phases of the Mexican situation, and it was decided to go to every honorable length to preserve peace. The President is convinced that war with Mexico would not be popular in the United States.

Vera Cruz, April 29.—Although airship scouts report a force of two thousand Mexicans under General Maas, a few miles from the outposts of the United States troops here, there has been no fighting for twelve hours, and it is thought the Mexicans are holding back until the announcement of the result of mediation. General Funston formally took over the command here from Admiral Fletcher at noon. The blue-jackets were taken back to their ships. The natives here and all the residents have paid their respects to the stars and stripes, and are quite amenable to the discipline of the United States.

Washington, April 29.—Formal acceptance by the Huerta Government of the offer of Argentina, Brazil and Chile to use their good offices to bring about an amicable settlement of the difficulty between the United States and Mexico was cabled to Spanish Ambassador Riano by Portillo Rojas, Foreign Minister in the Huerta Cabinet.

OSPRINGE

On Wednesday evening a meeting of Erin farmers was held at Mr. Wm. Sutton's in connection with the radial railway survey. Representatives were appointed to act with the union: Chairman Wm. Sutton; Vice President, Arch. Reid; Sec.-Treas., Richard McKinnon; Executive to act with the Reeve, A. McKinnon, Ray Hindley, David Root, E. T. Harbour. A petition was signed by all present to have presented to the Council. There will probably be little difficulty in securing the line. There is an excellent opening for a line through this district as no railroad touches within six to eight miles.

Farmers are busy on the land and it is in very nice condition.

Mr. J. M. Canning has moved to his new home.

SUDDEN DEATH OF YOUNG LADY

Miss Clara Bauer Passed Away Very Suddenly on Friday Morning

IN SPLENDID HEALTH THE DAY BEFORE

The announcement of the sudden death of Miss Clara Bauer, at her mother's home on Arthur Street on Friday morning, brought consternation and sorrow to many hearts.

Miss Bauer was at the glove works of W. H. Storey & Son all day Thursday and went home at six o'clock in her usual health. In the evening she was suddenly seized with a paralytic stroke, resulting from a hemorrhage of blood upon the brain. She immediately fell into a condition of coma and passed away early Saturday morning.

Miss Bauer was the youngest daughter of the late Henry Bauer and had her birth in Acton twenty-two years ago. Her widowed mother, and five brothers, and two sisters survive.

Miss Bauer was a bright and popular young lady and was greatly beloved in the circles in which she moved. She was an active and useful member of St. Alban's Church, Choir and Sunday School and its various other activities.

In the home first her sudden passing away is most keenly felt. She was a daughter beloved and a sister esteemed. But in St. Alban's Church her vacant place will be hard indeed to fill. Her consistent Christian character, and her active faithful work in so many spheres in the church render her removal an unusually keen loss to the rector and all concerned in St. Alban's prosperity. In social circles she will also be sadly missed for wherever she went she was a favorite.

The funeral on Monday afternoon was very largely attended and the church was entirely inadequate to accommodate the large number desiring to attend. The service conducted by Rev. Mr. Wilkinson was most impressive.

The pall bearers were the five brothers of the deceased, Alfred Henry, Jacob, John, Walter and Mr. J. Jennings, the fiancee of the deceased. Misses Erie and Ina White, Ailah and Ethel Clarke, and Florence and Madge Chapman were honorary bearers. They were dressed in white with black ribbons and each carried a sheaf of flowers.

The floral offerings were unusually numerous and included the following:

Gates ajar, Family; Cross, W. A. Storey and Employees; Pillow, Basement Employees of W. H. Storey & Son; Wreath, Mr. J. Jennings; Spray, Misses Ellis, Linda and Violet Bauer; Pillow, Choir of St. Alban's Church; Cross, Officers and Scholars of St. Alban's Sunday School; Wreath, Congregation of St. Alban's Church; Wreath, St. Margaret's Guild of St. Alban's Church; Spray, Essie and Griffin Sprowl; Spray, Miss Minnie Nelson; Spray, Mr. and Mrs. L. Williams and Mrs. and Mrs. Geo. J. Chapman; Spray, Mr. and Mrs. A. O. T. Beardsmore; Spray, Misses Erie and Ina White; Wreath, Misses Ailah and Ethel Clarke; Spray, Mr. and Mrs. J. Huffman and family, Buffalo;

The friends from a distance who attended were: Mr. and Mrs. Julius Gerlig, Mrs. Theodore Smith, Mrs. August Dunap, Mrs. Adam Bauer, Mrs. Charles Ebbage, of Berlin, Mr. Nelson Bauer, Mr. George Mayer, Misses Ella, Linda and Violet Bauer and Miss Lena McArthur, of Toronto; Mrs. John Krueger, Hanover, Mrs. J. Grable, Waterloo, Rev. F. E. Mayer, Elmira; Mr. and Mrs. Bauer and Mrs. Chas. Mayer, of Elmwood; and Mrs. Chas. Burrows, Brayeaston.

MAYOR CARTER, THE FAVORITE

As Candidate for the Liberals in South Wellington

NOMINATION DEFERRED FOR THE PRESENT

The Liberals of South Wellington, who met in convention at Guelph on Saturday afternoon to consider the advisability of nominating a candidate for the next Ontario election, failed to nominate a candidate and the matter was left in abeyance.

The only names mentioned were those of Mayor Samuel Carter, of Guelph, and Mr. J. I. MacIntosh, of the Guelph Mercury, the candidate of the last general election. Mr. MacIntosh declined the nomination.

A considerable proportion of the delegates, however, about one-fourth, were opposed to nominating a candidate at the present time, and pressed their views so hard that the convention, the greatest ever held in the riding, concluded to delay nominations for a time.

The majority in favor of Mr. Carter's nomination wanted the meeting to nominate him forthwith but when some held out for no action it was finally decided, after much discussion, not to nominate anyone just now, but to call the convention again during the next couple of months.

DEATH OF AN OSPRINGE FARMER

G. W. Cook, of the First Line, Erin, Found Dead in Bed

LARGE FUNERAL ON SUNDAY AFTERNOON

G. W. Cook, a well known and prosperous farmer, residing on the first line of Erin, between Everton and Ospringe, a man forty-three years of age, was found dead in his bed at his home on Friday morning.

He retired the previous evening in the best of health apparently, but when he did not get up at the usual time in the morning, his daughter went to his room to call him. She received no response and upon examination found that he had passed away during the night. He had been dead some time when found. Death was doubtless due to heart failure.

Mr. Cook was one of the most highly respected farmers in that section of the country and the news of his sudden demise came as a great shock to his friends and neighbors. He leaves a wife and family of five children.

Deceased was a cousin of Mr. William Cook, Frederick street, Acton.

The funeral on Sunday afternoon was one of the largest ever held in Erin township. There were about two hundred conveyances in the cortege. An impressive service was held in Ospringe Presbyterian Church, after which interment took place in Everton Cemetery.

HALTON LIBERAL CONVENTION

To be Held at Milton on Friday, 8th of May

LEADER ROWELL WILL ATTEND

The people of Halton are looking forward with a good deal of interest to the Liberal convention to be held at Milton on Friday, May 8th. In view of a probable election for the Legislature at an early date, the Liberals propose putting in the field at this convention one of their very strongest men. The county is well organized, and they will go into the fight in real good humor.

This convention will be of special interest because Mr. N. W. Rowell is to be present to deliver what will probably be his first public address after the close of the present session. Mr. Rowell holds a warm place in the regard of the Liberals and others of Halton, on account of the splendid fight he is making on behalf of the people of Ontario.
