Messrs. Grummet and Boles are busy grading the road opposite Mr. Jas. Carnahan's farm and making it ready for the crushed stone.

Mr. T. Sherwood moved the stone crusher to Mr. Carnahan's farm on Saturday. They will commence crushing stone there this week.

Messrs. Gilbertson Brothers have the contract for crushing stone for part of the 4th concession, opposite Mr. Jas. Looker's.

Miss Stewart and Mr. Naff, of O. A. C., Guelph, spent Sunday with friends in Nassagaweya.

A pretty wedding took place at the residence of the bride's parents, Mr. and Mrs. Adam Anderson on Wednesday, June 3rd, at three o'clock, when their eldest daughter, Sarah Jane, was united in marriage to Mr. Wm. Gilbertson, eldest son of Mr. and Mrs. D. J. Gilbertson. At the appointed time the bridal party entered the parlor to the strains of the wedding march played by Miss Rena Sherwood, and took their places under an arch of evergreens and flowers. Rev. Dr. Blair performed the ceremony. The bride looked charming in a gown of silk embroidered voile, bridal veil and orange blossoms. She carried a shower bouquet of bridal roses and lily of the valley. Little Miss Nella Wilson, of Guelph, cousin of the bride, made a very pretty flower girl, dressed in silk embroidered voile. After congratulations the guests to the number of about ninety retired to the dining room where a sumptuous wedding tea was served. The groom's gift to the bride was a pearl necklace; to the flower girl an amethyst ring, and to the organist a cameo brooch. The bride was the recipient of many useful and costly presents. The bride's travelling suit was of Alice blue cloth and white hat with taupe flowers and butterfly bow. The happy couple left on their honeymoon to Norwood and points east amid showers of rice and best wishes. On their return they will reside in Eden Mills.

Beware of Ointments For Catarrh That Contain Mercury

Hall's Catarrh Cure, manufactured by F. J. Cheney & Co, Toledo, O., contains no mercury and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free.

Raising the Pavement Grade.

About 160 feet of the pavement at the Martin and Cameron properties on Church Street has been lifted. The grade will be raised about nineteen inches at the lowest point. This will greatly improve the pavement and will keep it from being overflowed during spring freshets.

Town Hall Improvements

The Chairman of the Town Hall Committee will earn the gratitude of citizens if he will this year secure more adequate seating accommodation, place matting on the stairways and secure a new stage curtain to replace the old one which has seen service for a quarter of a century.

Rev. Dr. Antliff to Preach

While at Conference at St. Catharines Rev. Mr. Draper arranged with Rev. Dr. Antliff, of Montreal, a former much-loved pastor, to preach the anniversary sermons of the Methodist Church on Sunday, 18th October. Dr. Antliff is just home from an extended visit with friends in England. He is enjoying exceedingly good health.

Fireman's Great Demonstration.

Acton Fire Brigade has arranged for a big Dominion Day demonstration. As a special attraction they have secured the 48th Highlanders Band for the day, which in itself will be a very drawing feature. There will be two base ball matches and a long list of athletic events. There will also be a calithumpian procession at 9.30 a. m.

Jacob Goldstein Acquitted

At his trial on the charge of stealing brass and copper from the tannery of Messrs. Boardmore & Co., at Milton last Friday Jacob Goldstein was acquitted. He took witnesses to prove he had purchased the brass and copper from employees who alleged it was given to them by the owners. Warrants were issued yesterday for two persons who are said to be implicated in the matter.

Continuation School Pic-nic.

The students of the Continuation School held a pic-nic in Mr. Wm. Brown's grove last Friday evening. Nearly every student was present and a very enjoyable time was spent. A special interest attaches to the fact that this was possibly the last association of the entire student body, as many of them will graduate, and Miss Howie, will serve her connection with the teaching staff. Mrs. W. H. Stewart was also present and rendered much aid in making the event enjoyable.

Methodist Pulpit Last Sunday

Owing to the fact that last Sunday was Conference Sunday the absence of the pastor, Rev. C. D. Draper, was necessitated from the Methodist pulpit. The supplies provided were, however, well chosen. In the morning Mr. Patterson, a Methodist student from Toronto, occupied the pulpit and in the evening the service, in charge of the Epworth League, was conducted by Messrs. A. T. Brown and J. L. Moore, the latter delivering the address of the evening. Both of these young men carried out their parts in a very creditable manner.

Methodist Ladies' Aid Meeting

The annual meeting of the Ladies' Aid of the Methodist Church was held last week. The officers for the year were elected as follows:

President—Mrs. N. F. Moore.
Vice-Pres.—Mrs. N. F. McLam.
Secretary—Mrs. Jno. Brown.
Visiting Com.—Mrs. H. P. Moore, Mrs. Geo. Soper.

Homecoming of Mr. Macpherson

Mr. Jas. A. Coleman, of Hamlota, Man., writing to his brother here, last week says: "I sure was surprised to see by the Free Press of Rev. H. A. Macpherson's death. I took the paper over to the pastor of Knox Church here and he was greatly surprised. When I was in Toronto last summer at the great assembly, "Mac" was the last man he spoke to on leaving at the Union Station. He came into the train with two men from the west and introduced them, saying that he had come down to find them "good company" to travel with. He knew Mr. Macpherson ever since entering Knox College and knew of him going to Acton, etc."

Women's Institute Summer Meeting

Under weather conditions that were ideal the annual summer meeting of Acton Branch of the Women's Institute was held last Saturday, in the park. There was a large attendance and the excellent programme, was enjoyed by all. Mrs. Geo. of Lindsay, the District President, was present and gave an address, taking as her subject, "Women's Institutes Past and Present." She dealt with her subject in a very lucid and interesting fashion. Unbounded commendation was given Mrs. W. Dawson, of Parkhill, for her magnificent address on "Universal Motherhood." Mrs. Dawson is the Government representative, and has attended all the meetings in this District. Her address bristled with helpful suggestions. Mrs. H. P. Moore and Miss Clara E. Moore also aided in the programme with appropriate readings. Upon conclusion of the programme lunch was served to all, and an enjoyable social hour was spent pic-nicing on the grounds.

Baseball Team Successful

Efforts to establish a baseball league between Acton, Georgetown, Rockwood and Glenwilliams have been successful and the first schedule games were played last Saturday. Acton Team played at the Glen and amid the usual pomp and ceremony the first ball was pitched. In the second inning Acton scored one run and a score of 1-0 was maintained until the seventh inning which indeed proved the lucky sevenths, when Acton scored four more runs. A few runs were scored in the remaining innings, resulting in a final score of 8-2 in Acton's favor. The local team is showing a marked improvement and is much strengthened by the advent of David Folster in the catcher's box. Acton line up were as follows: J. Clark, C. Leishman, Mac Smith, F. A. MacLean, S. Edmonds, D. Folster, S. Dunn, Arch. Allan, F. Williams. Batteries: Acton, Edmonds and Folster; Glen, Wain Brothers. The score in the Rockwood-Georgetown game 21-23 in Georgetown's favor.

More Good Roads to be Built

Reeve Hynds has quite extensive plans for construction of good roads this summer. He is arranging to have a new stone crusher placed at the north end of Main Street. This street will be completed to the limits of the corporation. It is also hoped that Queen Street will be macadamized to the third line this season.

Young Men Want Bar Abolished

At the convention of the Young Manhood Association in the new Parkdale constituency in Toronto, Monday night, E. J. Moore, B. A., was one of the electors of the riding nominated as an "Abolish the Bar" candidate for the Legislature. He retired in favor of Mr. Wm. McTavish, who on Tuesday evening was endorsed by the Liberal convention.

Pualinch has the Oil Fever

A carload of machinery, consisting of boiler, drills, cables, derricks has arrived in Puslinch township to be used in drilling for oil on Mr. Alex. Neubauer's farm. If the venture meets with success, there are other farms similarly situated upon which wells will be sunk. These farms give every evidence of oil and experts who have looked over the ground are very hopeful of the venture.

Gas Struck at Milton

Mr. Morgan Crowson writes the Free Press that the well he recently drilled at Milton is giving gas at a test of 180 lbs. to the square inch. The gas is being piped to the four residences of the members of the Company. Mr. Crowson is confident that with a few more wells he could secure sufficient to supply the whole town with gas. He has now a contract for drilling one or two wells near Hespeler for oil or gas.

Hamilton Conference

The annual session of Hamilton Conference at St. Catharines was completed yesterday. Comparatively few changes in the stationing of ministers were made in this section. Rev. W. F. Oaster, of Nova Scotia, goes to Norfolk street, Guelph, and Rev. J. D. Fitzpatrick goes to Hamilton. Rev. Dr. McArthur is stationed at Niagara-on-the-Lake, and Rev. J. Melvin Smith goes to Erin. Rev. W. R. Smith, B. A. is the new minister at Oakville.

Grain and Sheaf Competition

The prizes in this competition are $100 and medal each for Spring wheat, Fall wheat, barley, oats, Flint corn, Dent corn, beans and peas. All exhibits must be the product of the crop of 1913 or 1914 and must be sent through the Minister of Agriculture, Commissioner or Secretary of the Province or State, or Officer in charge of an Agricultural Department. The exhibit shall consist of two bushels of grain in sack, accompanied by one sheaf of the same grain. Sheaves are not required for exhibits of beans and peas.

Confirmation by Bishop Dowling

His Lordship Bishop Dowling, of Hamilton, visited Acton on Monday and at 10 o'clock administered confirmation to a class of twenty-one in St. Joseph's Church. The Rev. F. Wafer Boyle, S. J., Rector of the Church of Our Lady, Guelph, and Rev. Father Molloy, of St. Patrick's Church, Hamilton, accompanied the Bishop. Though advancing in years Bishop Dowling is in fine health and he exercised great care in questioning and instructing the children, dwelling especially on the duties of the child in the home, on reverence for the holy name of Jesus, and the great advantages of total abstinence. His Lordship gave the pledge to all the candidates for confirmation and asked a special share in their prayers. Mr. and Mrs. John Dunn acted as sponsors for those confirmed.

Greenock Garden Party

Greenock Literary Society held their annual garden party Tuesday evening, at Leslie's School. Weather conditions could scarcely have been better for such an event, and a large number took advantage of the opportunity offered for an evening's entertainment. The grounds were tastefully decorated. A refreshment booth was also provided, and liberally patronized. The programme was interesting, entertaining, and in all respects suitable for such an occasion. The ever-popular James Fax, comedian and impersonator, of Toronto, was present, and admirably sustained his reputation as a fine producer. The Laurie Boys, of Hamilton, were well received in their splendidly rendered Scotch selections. The Acton Methodist Sunday School Orchestra was present and rendered excellent instrumental music. Col. Craig, P. S. I., of Elora, spoke for some time on the development of our Dominion.

LIMEHOUSE

The many friends of Miss Newton are glad to see her home again and to know that she is gradually improving in health.

Mr. and Mrs. Shaw, of Barrie, are visiting their daughter, Mrs. G. E. Polkinghorne.

Mrs. W. Greig, of Brantford, who has been visiting her parents Mr. and Mrs. T. P. Ivens, returned home last week.

We are sorry to hear that Mrs. Pearce is not making much progress toward recovery, and may have to return to the hospital for further treatment.

Two colts belonging to Mr. R. Doughty were badly injured last week by running into a barbed wire fence and becoming entangled in the wire.

The annual Presbyterian Sunday School pic-nic is to be held at High Park, Limehouse, June 20th.

MASSAGAWEYA

The Municipal Clerk was instructed to notify the Supt. of C. P. R. that if the Railway Crossings on the highways of this Township were not put in proper condition by the 20th of June, an appeal would be made to the Dominion Board of Railway Commissioners.

Many a man has lost a good job get away from him because he harbored the delusion that no other man was smart enough to fill his place.

D. D. D. in Hospitals; Standard Skin Cure

How many hospital patients, suffering the frightful itch, the raw scorching pain of skin disease, have been soothed to sleep by a soothing fluid washed in by the nurse's hands?

That fluid is the famous D. D. D. prescription for eczema.

The Supervising Nurse of one of our prominent Catholic institutions (name of nurse and institute on application,) writes regarding a patient. "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."

How many eczema sufferers are paying their doctors for regular treatment and are being treated with this same, soothing, healing fluid.

Dr. Geo. T. Richardson frankly writes "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent."

To do the work D. D. D. prescription must be applied according to directions given in the pamphlet around every bottle. Follow these directions—and see!

And it certainly takes away the itch at once—the moment the liquid is applied. The skin is soothed—calmed—so thoroughly refreshed—delightfully cooled.

All druggists of standing have the famous specific as well as the efficient D. D. D. Skin Soap.

But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.
