MONTREAL MARKETS.

[Special Telegram to the British Whig.]
Montreal, Oct. 7, 1865.

William Nivin & Co., Commission Merchants, Corner of St. Nicholas and St. Sacrament Streets, Montreal, report:—

Flour—Superior Extra, 7,25 a 8,50; Extra, 7,75 a 8,00; Fancy, 7,30 a 7,40; Welland Canal Superfine, 5,90 a 6,00; Superfine No. 1 Canada Wheat, 6,40 a 6,50. Gold closed in New York at 12 o'clock, 146½. Markets—very little doing.

WEEKLY REVIEW OF THE KINGSTON MARKETS.—The Saturday's market was the fullest of any market day this year. The line of waggons extended for a block in each direction farther than usual. Every thing of course was in excellent supply and buyers were active. The grain market was very lively, and a great quantity changed hands. Quotations are much higher than last week. Spring Wheat is quoted at $1,10 and Fall (scarce) at $1,20 a $1,30 per bushel. Barley, good supply, at 70 a 72c. Rye, not coming in quantities owing to falling in quotation, fetching 52 a 55c; Peas, 65 a 70c, and Oats 30 to 35 per bushel; both in fair supply. The prices in the meat market are unchanged. Beef 8 a 10c per lb., with limited supply.—Mutton and Lamb 6 a 8c per lb. There is scarcely any Pork brought into market at all, and what comes in is quickly snapped up at $8 a $9 per 100 lbs. Chickens, good supply, at from 20 to 35c per pair. Fowls per pair 50 to 60c. Turkeys each 75 a 80c. Butter has again fallen; good lots sold for 24c, and prices range from 22 a 24c. Packed, by the tub, was offered at 21c per lb. Eggs were very scarce; none in market. Home-made Cheese 9 a 10c. Potatoes 40c and onions 70 to 80c per bushel. Tomatoes almost out of market; $1,60 per bushel. Cooking Apples, on the market, 60 to 70c per bushel. R. Town retails—American Apples $2,50 to $3,50 per barrel. Peaches $2,50 to $3,50 per crate.—Table Pears are selling at $3 per bushel. Quinces, $1,50 per bushel. Grapes, 15 a 20c per lb. The Wool and Hide market is very firm; Wool can be disposed of readily at 35 to 37½c per lb; Hides $5; Sheep Skins 75 to $1,00; Calf Skins 10c per lb.

Exports from the Port of Kingston for the United States quarter ending 30th Sept. Butter, 224,365 lbs; eggs 40,150 dozen; wool 7,742 lbs; number of horses was 669; sheep 3,828; pigs 217. The Export of wheat 6,322 bushels; barley for the month of September 67,468 bushels.

MARINE ITEMS.—Business in the harbor on Saturday was quite brisk. A strong gale blew all day on the lake, and a heavy sea ran outside. The Royal Mail steamer Champion was detained eight hours by the gale, and did not reach port, going downwards, till twelve o'clock. The Magnet arrived up in the evening at the usual hour. The American Express steamer Ontario passed up on Friday night, and the Bay State down yesterday morning, on time. The steamer St. Helen, from Montreal to Trenton, arrived in the morning, but remained over the greater part of the day, having a heavy load and not wishing to face the wind. The steamer Ottawa, of Jaques, Tracey & Co.'s line, arrived in the morning, bound upwards, and remained over all day also. The barque Mary Jane, with 22,000 bushels of corn from Chicago, arrived on Friday afternoon, and discharged at Chaffey's. She is loading salt for Chicago. The barque Cambria, from Milwaukie with wheat, arrived on Saturday morning, consigned to G. Chaffey & Bros. The schooner Jefferson, from Chicago with 16,057 bushels of corn, for E. Berry & Co.; schooner Anna Craig, from Detroit with oak timber, for Calvin & Breck, arrived on Friday night, and discharged on Saturday.

VESSEL AGROUND.—The barque Cambria heavily laden with grain, grounded on Saturday morning while swinging into Chaffey's wharf, a little abreast of the dock. The tug Advance endeavored to tow her off, but without avail, and some part of her cargo had to be discharged before she was relieved. The lowness of the water is a great source of trouble to vessel captains, but it is to be hoped that the fall rains will raise it to its former level.

THE PROPELLER AVON.—This steamer, reported as sunk at the mouth of the Lachine Canal, is safely in port at Montreal. The accident, which the Montreal Gazette puts down as a sinking affair, was simply the breaking of the rudder of the propeller, through which she was disabled.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

" * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y."

" * * Then will send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

" * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

" * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

" * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

" * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

" * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

O. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has cured and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.

AYER'S PILLS.

ARE you sick, feeble and complaining? Are you out of order with your system deranged and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They stimulate the functions of the body into vigorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and deranges its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly and many of them surely cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure, such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses.

They are Sugar Coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

AYER'S AGUE CURE,

For the speedy and certain Cure of Intermittent Fever, or Chills and Fever, Remittent Fever Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fevers, indeed, for the whole classes of diseases originating in biliary derangement, caused by the malaria of miasmatic countries.

This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Ague medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce quinism or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions.
