Knox Church Anniversary

The anniversary services of Knox Church will be held on Sunday, 7th February. Rev. A. J. MacGillivrary, M. A., D. D., of Guelph, will preach morning and evening.

Patriotic Meeting of the Ladies

A meeting of all ladies interested in Red Cross work and Belgian Relief will be held in the Council Chamber on Friday, January 29th, at 3.30 p.m. There is urgent need of more socks for the soldiers. Yarn can be secured from Mrs. Geo. Chapman for the socks.

Be Loyal! Be Patriotic!

Give your trade to the merchant who keeps store the year round, and not to stray pedlars or men with rigs from outside cities. Buy from the man who stands at your side when the tax collectors is on the warpath. Buy from the man who is your neighbor, your acquaintance, your friend. Buy from the man who is a factor in the town you live in and who helps to make a market for the things you have to sell.

Nearly a Five-Ton Load

One day last week William A. Frank hauled from his father's farm, lot 20, con. 1, Esquesing, to Anderson's wood yard, Young Street, Acton, a load of green maple wood which weighed 9,920 on Hill's scales. This big load proves that Mr. Frank has an exceptionally good team and that he knows how to handle them.

Esteemed Citizen's Critical Condition

Mr. Joseph McClure was taken to the hospital in Guelph last week suffering from gangrene in his right foot. The trouble had developed rapidly and it was decided that amputation was the only hope. The affected limb was removed at the ankle. A few days later it was found that a further amputation would be necessary and it was severed at the knee. The old gentleman, who is in his seventy-sixth year, is in a very critical state but it is hoped he will yet recover.

Doing Business as Usual

As practical evidence that Acton is "Doing Business as Usual," notwithstanding the war and consequent hard times in many towns, Mr. H. S. Holmes, G. T. R. agent, informs the FREE PRESS that last week no less than forty-three full cars of freight were unloaded at Acton station. In addition to this there were about ten cars of general merchandise. During the same period 10 cars were loaded and shipped from Acton to outside points.

The Belgian Relief Fund

The young ladies in the country have collected $34.15 for the Belgian Relief Fund, as follows:

Miss Viola Sprowl, on town line..	$ 4.00
Miss Jessie McGregor.....	25.00
Miss Mullholland	7.00
Miss Margaret Watson.....	5.00
Miss Stalker.....	10.50
Miss Lynn	2.15

Mrs. Awrey collected $13.10. This was put in the Red Cross Funds. The Red Cross Aid Society are grateful to the young ladies for their assistance and to the people who donated to this fund. The proceeds of the concert last week were $38.70.

Garments for Belgian Refugees

The regular monthly meeting of the Woman's Institute will be held in the Council Chamber, Friday, February 5th, at 3 o'clock. All the ladies who are making garments for Queen Mary will kindly bring them to this meeting and the bale will be packed there. Each lady is requested to put her name and address on the articles so those who receive them will know who made them. The bale will be sent to the Bank of Montreal, at Montreal, and by them forwarded to England and distributed by Queen Mary to the refugees from Belgium and France. No further announcement of meeting will be made next week. There will be readings and special music in connection with the programme.

Annual Meeting—Knox Church

The annual meeting of Knox Church was held last Thursday evening and was an occasion of much interest. The annual financial reports of the various organizations of the church were presented and were very encouraging. The suggestion of an every-member canvass made at the men's missionary banquet a few evenings before was authorized by the meeting and seventeen men appointed. They will canvas every member and adherent of the church to receive their subscriptions for current expenditure and schemes of the church for 1915. The Church budget places the sum of $1000 as the allotment for schemes of the church. The congregation will have no difficulty in reaching that amount.

Presbyterian Guild's Sleigh Ride

Despite the fact that the weather conditions were very unpropitious, the Presbyterian Young People's Guild had a very enjoyable sleighride and evening's entertainment, when visiting the Young People of Boston Church last Friday evening. The party utilized six large sleighs, exclusive of single outfits, and numbered about seventy-five individuals. An interesting and instructive programme was presented by the Acton society. Mr. Cockburn and Miss Jessie McDonald sang well-rendered solos, and Miss Meta Wills read a scripture lesson. A topic, "Ten Points of a Good Society" was splendidly presented by several of the young people. Miss J. Renwick presided very efficiently. Following the programme a dainty and bountiful lunch was served by the Boston young people.

Sons of England Officers Installed

On Friday evening, January 15th, the local lodge held their annual installation of officers. The following were installed, Bro. A. Littley, Supreme District Deputy for the Guelph District, being the installing officer:

Past President—Bro. J. P. Scarrow.
President—Bro. E. Tyler.
Vice-President—Bro. S. E. Barnes.
Chaplain—Bro. J. Smith.
Secretary—Bro. S. C. Gunton.
Treasurer—Bro. G. Cook.
1st Guide—Bro. S. Boutchings.
2nd " —Bro. V. Gunton.

After the installation the members adjourned to the Parish Hall where an excellent programme was given. Songs were rendered by Bros. A. Littley, D. D., E. Tyler, S. Barnes, J. Smith, Vicar, F. Nutley, Messrs. Cockburn, B. Mackie, J. Smith, Miss Smith and Mr. Holloway. Musical numbers were rendered by Miss Smith and Mr. J. Smith, the accompanists being Misses Williams and Smith. During the evening Bro. A. Littley, D. D., on behalf of the members of the lodge, presented Bro. J. P. Scarrow with a Past President's jewel. Bro. Scarrow thanked the members for their kind recognition of his services. Bro. E. Tyler occupied the chair.

Telephone Company Wins Appeal

George Garfield Till was electrocuted in the Murray Hotel, Oakville, last year, and at the trial $6,000 damages were awarded the municipality and the holes against the Bell Telephone Company, but the Appellate Court has dismissed the action as against the Bell Co.

Good Place to Start a Home

You will find our town a good place in which to live. Its people are charitable, law-abiding, genial, clever and accommodating. You will find it a cheap place in which to live. Sharp competition in all branches of trade has so fixed prices that everything in the mercantile line can be had at the very lowest figures going and in view of this Acton has become the trading mart for a wide radius of the surrounding country.

Halton's Only Brewery Closed

The Hornby brewery having gone out of business, the big barrels that were used to deliver beer to the hotelkeepers in the different towns and villages in the county have been hauled in to Milton and are being disposed of. We are told that these barrels originally cost about $15 each, but can be bought now for $2 apiece. During all these years, however, that they have been in commission, they have probably paid for themselves many times over.—Reformer.

The Year's Statutory Holidays

The present year will have fifty-three pay days—Saturday coming that many times during the year. The various holidays of 1915 are as follows:

Good Friday—April 2nd.
Empire or Victoria Day—Monday, May 24th.
King's Birthday—Thursday, June 3rd.
Dominion Day—Thursday, July 1st.
Labor Day—Monday, Sept. 6th.
Christmas—Saturday, Dec. 25th.

Ash Wednesday comes on February 17th, and Easter Sunday on April 4th.

Patriotic Meeting at H. S. Literary

The Acton High School Literary Society held a patriotic meeting last Friday afternoon. The following papers were given: Germany before the War, Percy Ault; The Causes of the War, Mr. Stewart; The War in Belgium and France, Harvey Rath; The Navy, Bert Mowat; The Trouble in Africa, Clara Brown; Weapons used in the War, Max Smith. Current events were given by Harold Mowat after which the Gazette was read by Jean Wilson. Candies were passed around by some of the girls after which the meeting closed by singing God Save the King.

Good! For the Farmers

A "Farmer Party" was recently held in Chicago, the invitations reading: "Please come like farmers and wear farmers' clothes." The hostess who hadn't been near a farm for twenty years thought that the guests would ride to the party in ox carts and wear overalls or other working clothes. To her great surprise, they came in automobiles and wore regulation dress clothes. All of which goes to show that it is a great compliment nowadays to be called a "farmer." It is reported that half or more of the farmers about Acton have already placed orders for automobiles to be delivered in the spring.

The Business Man's Cyclopaedia

The sixty-eighth annual issue of the Canadian Almanac, by the Copp, Clark Company, Limited, Toronto, is the most comprehensive and useful number ever issued. The Canadian Almanac has become indispensable to every up-to-date office and library in Canada. Many of the lists it publishes are not found elsewhere and much valuable information respecting Canada is contained in its 528 pages. Its parliamentary, municipal, legal and clerical lists of the Dominion are in themselves worth the price of the volume. All post offices and railways are listed. The synopsis of the new Workman's Compensation Act is also given.

Stole $73 of Patriotic Money

Harry Wilson, a hired man in the employment of Mr. Thomas Williamson, first line west, near Brampton, has been sentenced to six months in the Central Prison with hard labor for theft of $73 from his employer. The theft was perpetrated on Sunday night at the house of Mr. Williamson who was one of the collectors for the Belgian Relief Fund in the township of Chinguacousy. He received $73 in bills and a cheque for $4.50, which he left in his trousers pocket in his bedroom, taking the precaution, however, to lock the bedroom door before the family went to church. On Monday morning he discovered that the money had been stolen.

Milton's Shoe Factory Again

We understand that the two men who were to take over and operate the shoe factory, and to whom the town voted to advance a loan of $15,000, repayable in twenty years, have, to use a common expression, "backed down," the inducements held out by the Town of Tillsonburg, where they are at present located, being such that they have accepted them and therefore will not carry out their agreement with the town. We understand, however, that they are willing to recoup the town for the expense it has been put to in submitting the by-law to the ratepayers.—Reformer. It is rumored that a Toronto firm is now negotiating for the shoe factory.

Checker Match at Milton

A team of members of Acton Checker Club went to Milton last Thursday afternoon to have a game with Milton players. The result was an even score for both sides as follows:

WON	ACTON	DRAWS	MILTON	WON
1	A. H. McLean	2	J. Robertson	3
2	A. Laishman	3	D. Hutchison	1
4	H. S. Holmes	-	J. Irving	2
2	A. E. Nicklin	-	J. Galloway	4
2	Neil Patterson	1	C. Robinson	2
-	S. M. Lathy	3	J. Stewart	1
3	Geo. Barber	-	W. Clements	1
1	John Harvey	1	Rev. McKay	4
18		10		18

A very pleasant afternoon was spent and the hospitality of the Milton Club was much enjoyed. In the two matches played last year Milton won by eight and three points respectively. It looks as if the next match may result in a victory for Acton.

Toronto Military Men at Milton

The people of Milton were rather startled Tuesday morning to see between 35 and 40 uniformed officers from Toronto marching through the town. We learn that they consisted of practically the entire administrative staff and all the officers commanding units at the Exhibition camp, and were out here on a route tour and practice in tactics held in the neighborhood west of the town, the day's work consisting of a tactical scheme in which the officers were ranged on two sides for attack and defence purposes, and in addition were examined singly in route readings from maps. The section of country selected for the work was of a hilly character, giving excellent opportunities for carrying out such a scheme. The route tour occupied the entire day and was declared to have been a great success, this practice for the officers being highly important.—Reformer.

A BELATED BANK DRAFT

Made in Victoria, B. C., in 1870, in Favor of Postmaster Matthews, Presented on Tuesday for Collection

Mr. F. A. MacLean, manager of the Merchants Bank, received quite a jolt on Tuesday afternoon when Mr. James Matthews, Postmaster, presented a draft on the Bank of British North America in his favor, for $100, made nearly forty-five years ago.

While looking through a number of files of old papers in the old post office Mr. Matthews came across a bank draft of which the following is a copy.

BANK OF BRITISH NORTH AMERICA
Victoria, B. C. Branch,
$100 No. 63 20 Aug., 1870

At three days' sight of this Second of Exchange (First being unpaid) pay to the order of James Matthews, One Hundred Dollars, for value received, with or without advice.

HENRY A. TEGO, Manager.
ROBERT BURRELL, Accountant

To the Manager of the
Bank of British North America
at Toronto, Ont.

As will be seen the draft was in favor of Mr. Matthews. It was purchased in Victoria, B.C., on August 20th, 1870, by his brother in-law, the late John Burns, who was at that prospecting for gold in Cariboo, and sent to Mr. Matthews. In some unaccountable way he overlooked the draft and never presented it for payment. It is in a very good state of preservation.

It was presented at the Merchants Bank for collection and has been forwarded to the Bank of British North America, Toronto. If the amount of the draft had been placed on deposit the interest compounded for forty-five years would make the sum about $400.

SUCCESSFUL CHOIR CONCERT

The Methodist Church Choir Provided a most Enjoyable Programme, Sacred and Popular

AND WERE WELL PATRONIZED

The concert given in the town hall on Tuesday evening by the Choir of the Methodist Church was enjoyed by a large audience. The programme was both sacred and popular and its versatile character added interest to the excellent repertoire.

The fact that the programme was prepared and carried out entirely by the members of the Choir, both in the matter of instruction and conducting is certainly creditable to this much appreciated organization. For the success of the event special credit is to Rev. C. D. Draper, leader; Mr. J. C. Hill, musical director, and Miss Vera Brown, pianist.

The continued practice for the past few weeks has given the choir a new interest in their work and this will no doubt be manifest in the praise service of the church at the regular services.

The solos by Miss Bertie Smith and Mr. Ben Mackie were much enjoyed, as were also the quartettes by the ladies, and the mixed quartette and the men's numbers. Mrs. A. T. Brown contributed a splendid reading in her usual superb manner, and the instrumental numbers by the Misses Mason elicited generous applause.

The following is the personnel of the choir and committees:
