Le Canadien announces that the stock of the Union Bank of Lower Canada was subscribed for within sixteen days, and that the amount taken in Quebec and Montreal exceeds $600,000; and says, the rapidity with which the stock was subscribed is without precedent in Canadian banking annals, and bears evidence of the confidence of the public in the projectors of the institution.—The head office will be in Quebec.

THE GRAND TRUNK RAILWAY.

The half-yearly meeting of this company was held on the 26th ult., at the London Tavern, Mr. T. Baring, M.P., in the chair.

The Chairman said the meeting was held pro forma to adjourn the proceedings until the president returned from Canada, and any explanations which the proprietors might require would be afforded at the adjourned meeting in November.

Mr. Adams said that several gentlemen, designated as merchant princes, were at present in America on railway business and as he strongly suspected there was something in hole, he thought it would be desirable that the shareholders should see the agreement with regard to the International bridge before the meeting came off.

The Chairman said they would have a report embodying everything that would come under discussion at the meeting.

Mr. Adams said he would be satisfied if the agreement were given with the report.

The Chairman had no doubt the subject would be introduced in the report.

The motion for adjournment was seconded by Mr. K. G. Hodson, M. P., and agreed to, when the proceedings terminated.

The Java, which reached New York on Friday is a new ship belonging to the Cunard line, and this is her first passage across the Atlantic. She is a splendid vessel equal to the Persia.

ASHORE.—The schooner George Worthington, loaded with coal, went ashore at Racine early on Sunday morning, while attempting to make the pier. The cargo is consigned to Mr. Hill, at that place.—[Milwaukie Sentinel, 6th.

THE LEWIS CASE.—This vessel, which we noticed last week as having struck a sunken rock near the mouth of Green Bay, has run ashore near Grand Traverse, and will probably prove a total loss.—[ib.

SCHOONER SUNK AT PORT BRUCE.—VESSEL AND CARGO A TOTAL LOSS.—We regret to learn that the schooner Britannia has been wrecked on Lake Erie and the vessel and cargo a total loss. The Britannia was bound from Oswego with a cargo of 946 barrels of salt, from the Canada Salt Company, to Port Stanley, consigned to Messrs. F. Smith & Co. On the night of Wednesday, 8th, a violent gale arose, and the vessel endeavored to make Port Bruce. In doing so she struck one of the pier-heads, and immediately filled and sank. The value of the cargo was $1,50. We understand that Messrs. Smith & Co. have three or four cargoes of salt on their way to London, from the same company, so that this loss will not interfere with their stocks.—The order for 2,000 barrels extra was immediately telegraphed.

It is thought that the schooner Maggie, ashore at Gull Point, will be floated off.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
