EDITORIAL NOTES

THE POSTOFFICE DEPARTMENT announces a surplus of $2,840,271 for the fiscal year. Revenue was $18,838,400, and the expenditure $16,000,138. Revenue for the year increased by $5,811,760 as compared with 1914-15, while the cost of the postal service increased by only $47,947.

ONTARIO has gone dry at last. Many and many a time have we heard men say they would hold up both hands for prohibition. Now they have it in as perfect a form as it is possible for the provincial legislature to grant it, it is up to them to hold up the hands of the government in every possible way in the efforts of the powers that be to enforce it.—Oakville Record.

WITH CANADA ALL DRY excepting some 16 per cent. of the municipalities of Quebec, the slogan is now "On to Ottawa" for a Dominion-wide prohibition law. Such a measure is now proposed with much confidence. It certainly looks hopeful for a Canada in which the manufacture and sale of intoxicating liquor is entirely prohibited by 1920.

THE SOLDIERS who have been voting have woefully disappointed a number of people who have had a good deal to say about how great an injustice it is to deprive soldiers in training of liquor, and who have confidently predicted that the Canadian army when it returns home will make short work of prohibition. It seems that the votes of soldiers from British Columbia were recently taken by officials appointed for the purpose in England, Belgium and France, and these soldiers recorded a large majority in favor of prohibition.

OUT OF THE 363,000 men enlisted in Canada since the war commenced there are about 310,000 effectives left at the end of the twenty-fifth month. Of those, about 90,000 men, or four full divisions, are at the front, 120,000 are in England and about 100,000 in Canada. The remainder of the total enlisted casualties have totalled about 40,000. On August 31 the total was 37,861, which included 5,998 killed in action, 2,248 died of wounds, and 398 died of sickness, making a total of 8,644 died; 722 presumed died; 27,212 wounded; and 1,282 missing.

THE GUELPH HERALD puts the matter of the abnormal increase in the price of paper this way: "The public does not realize what such an increase in price means to the publisher. It simply makes absolutely necessary drastic action in every direction. Increase in subscription rates, in advertising rates and a reduction in the size of newspapers are likely to be general." The FREE PRESS has just received the following notice from the manager of the paper mill which has for thirty-eight years continuously made its paper: "Kindly note that on and after this date we are compelled to advance our present prices on all grades of paper." The increase means an advance of 90 per cent. since January 1st, 1916.

PTE. FRANK TAYLOR IS DEAD

As a Result of Wounds Received in Action on Sept. 17th.

LEFT ACTON THREE YEARS AGO

Mr. James H. Taylor received the sad news on Monday morning of the death of his brother, Pte. Frank Taylor, of the 43th Battalion C. E. F.

Private Taylor enlisted at Calgary, Alta., nearly two years ago. He went into the trenches with his battalion six months ago, and was in action on the Somme front. It was here he was wounded. He died on Sunday, 17th inst.

Private Taylor came to Acton with his brother James several years ago. Early in 1914 he went west, and while there he enlisted at Calgary and went overseas from that point last year. He was twenty-nine years of age and was highly esteemed.

NEWS FROM CAMP BORDEN

The 164th Battalion to be Inspected To-day as to their Fitness for Overseas

Sargt. H. R. Swackhamer is attending the P. S. I. to qualify for his certificate.

Sargt. A. J. Smethurst has passed his examinations at the P. S. I. and is now a fully-qualified sergeant.

The 164th has been on the ranges at musketry practice all the week. There are many good shots among our men.

The 164th Battalion is to be inspected to-day with a view to deciding upon their fitness for going overseas this fall.

The Band of the 164th Battalion gave a vocal and musical concert on Wednesday evening. It was a very fine event.

It is reported that the Halton-Dufferin Battalion will be put in the trenches a second time before long. This is fine training and no idea of real warfare.

Mr. W. R. Andrew of the Central Y. M. C. A. gave a splendid lantern lecture on Scotland on Tuesday evening. Beautiful views of scenes surrounding the life and writings of Bobby Burns were shown.

A large party from Georgetown visited Camp Borden last week and paid their respects to the Georgetown soldiers. Acton motorists would receive a welcome from the home places if they were to come up. We hope to see a contingent of them before camp breaks up.

A choir has been organized to assist at Sunday morning brigade services. Several of our Acton boys are members. J.P.B.

—Mr. Wm. Marshall, of Trafalgar Township, has purchased the lovely 100 acre farm on the base line being lot 1, con. 3, Township of Trafalgar, belonging to Mr. Wm. McLean. Sale was made by J. A. Willoughby, Georgetown.

FALL FAIR NOTES

Messrs. Johnstone & Co. made a very attractive exhibit of furniture, kitchen cabinets, etc.

Mr. C. C. Speight had a splendid exhibit of Gladiolas and played a liberal selection of popular numbers.

Acton Citizens' Band was greatly admired both for the splendid music rendered and their natty appearance.

The exhibit of cattle was very worthy of the Fair. The quarters prepared for them were taxed to accommodate the numerous entries.

Five pianos were on exhibition. The Bell exhibit, shown by C. W. Kelly & Son, Guelph, was the centre of admiring groups throughout the fair.

The "Help for the Wounded Club", the Daughters of the Empire and the Forestry Battalion booths did thriving business in refreshments and candies.

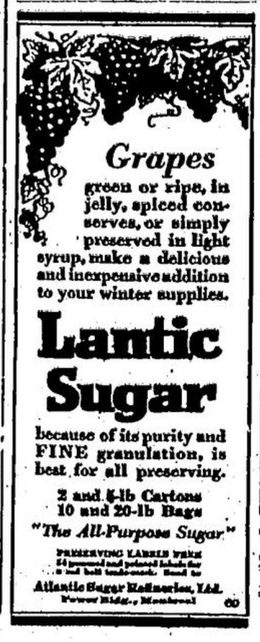
The poultry shelter erected for the fair was very favorably regarded by the exhibitors. There was the finest showing of poultry the fair has ever had.

The shower which fell at noon on Thursday laid the dust very effectively for the Fair. The afternoon was spent much more pleasantly in consequence.

Prohibition certainly worked its part with satisfaction at the Fair. Not a man the worse of liquor to be seen on the grounds during the two days. Not a man drunk on the street. What a contrast over some past years.

The shower at noon on Thursday, while dampening the ardor of fair visitors, was so welcome after the long drought that most people were very thankful for the half hour's down pour. The dust was effectively settled and warm autumn weather followed. The attendance was a trifle below last year's, but this was not very manifest.

The splendid parade of the Boy Scouts and school pupils received so much favorable comment that it will no doubt be repeated next year. Another feature which many fairs have introduced is a parade around the ring between four and five o'clock of all prize animals. This feature would be greatly appreciated by visitors as well as exhibitors.



VILLAGE OF ACTON

By-Law No. 447

A By-law to provide for the borrowing on debentures the sum of $25,000 for the purpose of loaning the same to The Reliance Shoe Company, Limited, to enable them to establish a plant in the Village of Acton for the manufacturing of boots and shoes.

Whereas the Reliance Shoe Company, Limited, of the first part and the Municipal Corporation of the Village of Acton, of the second part, have entered into an agreement, that in consideration of the said Corporation providing the said Company with a free site for a factory and lending them the sum of $25,000 repayable in twenty annual payments of $2,170.61 each.

The said Company agrees to erect on a site chosen by the said Corporation in the Village of Acton, a factory building costing not less than $10,000, and to instal in said factory all modern machinery and plant required in manufacturing boots and shoes, the total equipment including buildings, land and the said plant and machinery to cost not less than $25,000, being the amount agreed upon between the said Company and the said Corporation, and the said lands, buildings, plant and machinery shall be free from all liens, charges and encumbrances of every kind, other than the mortgage hereinafter mentioned.

The said Company shall complete the erection of the said buildings on the said property, and shall place the said machinery and plant therein and have the same in operation as a going concern by the first day of May, 1917, and shall during the term of twenty years from the first day of May, 1917, employ in the said business not less than sixty employees on the average in each working day of each year, in said term unless prevented by fire, strike or other unavoidable cause, the calculation as to the number of employees and the amount of wages paid to be made as hereinafter provided.

The said Company shall execute and deliver to the said Corporation, a first mortgage for the sum of $25,000 upon the said buildings, land and premises, plant and machinery, stock-in-trade, free from all dower, liens, charges and encumbrances of every kind and all other fixtures, machinery and plant to be subsequently placed upon said premises in connection with the said business, which said plant and machinery and fixtures now upon or subsequently placed upon said property shall for the purposes of the said security to be regarded as part of the freehold and the same to be of the total value of $30,000 as guarantee of good faith and for the faithful performance of all conditions and covenants binding upon the Company under this agreement until the discharge of the said mortgage as hereinafter provided, and to secure the Corporation against any possible loss, whatsoever, on account of the said Corporation loaning the said Company the said sum of $25,000.

The said mortgage shall be prepared and made, in pursuance of the Short Forms of Mortgages Act, and shall contain the usual statutory covenants, contained in such mortgages, and such others as the Corporation shall deem advisable for the security thereby intended, insurance to the extent of at least 75 per cent. of the cash value of the buildings, plant, machinery and stock-in-trade on the mortgaged premises shall be placed upon the same by the said Company and premiums paid therefor.

The said Company shall during the said term of twenty years, whenever required to do so, submit to the Corporation a statement as to wages paid and persons employed, by the said Company, such statement to be prepared and signed by a regular chartered accountant satisfactory to the Corporation and if required also verified by a statutory declaration to be made by the said Company.

The said Company shall concentrate all their manufacturing interests in the said Village of Acton, and shall not remove from the said Village of Acton, without the consent of the said Corporation.

And whereas it is expedient to pass this By-law and submit the same to the electors of the said municipality to authorize the said Corporation to borrow the sum of $25,000 on the debentures of the said municipality for the purpose of loaning the same to the said Company, to enable them to erect the said factory and to carry on the business of manufacturing boots and shoes in the said Village of Acton.

And whereas it will be necessary to borrow the said sum of $25,000 and to issue debentures of the Village of Acton therefor bearing interest at the rate of six per cent. per annum, which is the amount of the debt to be created by this By-law.

And whereas it is expedient to make the principal of the debt repayable in yearly sums during the period of twenty years, in such amounts respectively, that the aggregate amount payable for principal and interest, in any year shall be equal as nearly as may be to the amount so payable for principal and interest in each of the other years.

Whereas it will be necessary to raise the annual sum of $2,170.61 during the period of twenty years to pay the said principal money and interest as they become due.

And whereas the amount of the whole rateable property of the Village Acton, according to the last revised assessment roll thereof is $563,920.

Whereas the amount of the existing debenture debt of the said Village of Acton is the sum of $46,974.73 and no part of the principal or interest thereof is in arrears.

Therefore the Municipal Council of the Village of Acton enacts as follows:

1. The said sum of $25,000 shall be loaned to the said Reliance Shoe Company, Limited, for the purposes aforesaid and for the said purposes the sum of $25,000 shall be borrowed and debentures of the Village of Acton shall be issued therefor in sums of not less than $100 each, bearing interest at the rate of six per cent. per annum, payable yearly and having interest coupons attached thereto. Each of the said debentures shall be issued within one year from the day on which this By-law is passed and be dated on the day of issue thereof and shall be made payable in twenty annual instalments of the respective amounts set forth in Schedule "A" hereto attached, at the office of the Treasurer of the Village of Acton.

2. The said debentures and coupons shall be signed by the Reeve of the said Village and the Treasurer thereof and the said debentures shall be sealed with the Corporation Seal of the Municipality.

3. During twenty years the currency of the said debentures there shall be raised annually by special rates on all rateable property in the Village of Acton the sum of $2,170.61 for the purpose of paying the amount due, in each of the said years for principal and interest in respect of the said debt as shown in the Schedule "A" hereunto annexed.

4. The Reeve and Clerk are hereby directed and authorized to convey to the said Reliance Shoe Company, Limited, part of lot number twenty-eight in the third concession of the Township of Esquesing, now within the limits of the Village of Acton, as a site for their proposed factory.

5. This By-law shall take effect and come into operation on the day of the passing thereof.

6. The votes of the electors of the said Village of Acton, entitled to vote on this By-law shall be taken on Monday, the 16th day of October, 1916, commencing at the hour of nine o'clock in the morning and continuing until five o'clock in afternoon of the same day at the following places and by the following Deputy Returning Officers, that is to say:

1. Polling Sub-division No. 1, at the Town Hall with George Agnew, Deputy Returning Officer.

2. Polling Sub-division No. 2 at C. C. Speight's Shop, Main Street, with George Havill, Deputy Returning Officer.

7. On Friday, the 13th day of October, 1916, the Reeve of the Village of Acton shall attend at the Town Hall, Acton, at ten o'clock in the forenoon to appoint in writing signed by him, two persons to attend at the final summing up of the votes and one person to attend at each polling place on behalf of the persons interested in and desirous of promoting the passing of this By law and a like number on behalf of the persons interested in and desirous of opposing the passing of this By-law.

8. The Clerk of the Council of the said Village shall attend at the Town Hall, Acton, at ten o'clock in the forenoon of the 17th day of October, 1916, to sum up the number of votes given for and against this By-law.

Passed in open council this day of 191

Schedule "A" referred to in the By-law hereto annexed:

Amount of principal and interest required yearly to retire $25,000 debentures in twenty years at six per cent. per annum, payable by instalments as follows:

NOTICE

Take notice that the above is a true copy of a proposed By-law which has been taken into consideration, and which will be finally passed by the Council of the Corporation of the Village of Acton (in the event of the assent of the electors being obtained thereto) after one month from the first publication in the Acton FREE PRESS Newspaper, the date of such first publication being Thursday, the twenty-first day of September, 1916, and that at the hour, day and places therein fixed for taking the votes of the electors, the polls will be held.

And take notice that a tenant desiring to vote must deliver to the clerk not later than the tenth day before the day appointed for taking the vote, the declaration provided by sub-section 3 of Section 265 of the Municipal Act.

Dated the 8th day of September, 1916.

A. J. MACKINNON,
Clerk of the Village of Acton.
