Gold in New York at 12 o'clock, 145. Markets exceedingly dull; everything nominal. Rained here this morning.

AMERICAN INVOICES.—The Official Gazette of Saturday last announces thay the authorized discount on American Invoices is declared to be 31 per cent., which percentage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

POLICE COURT, Tuesday—(Before the Mayor).—Alexander Sutherland, disorderly, remanded from yesterday, admonished and discharged. It does not appear that the boy did anything to cause him to be locked up. He called after a Policeman 'Peeler.' Well, if he did, what harm in it? Policemen should be a little more careful whose children they lock up improperly. Henry King, charged with writing threatening letters, to find sureties to keep the peace. John Brison, drunk and vagrant, discharged.—Ann O'Brien, vagrant, remanded for 24 hours. James Waugh, drunk and vagrant, discharged.

THE ABSURDITIES OF THE USURY LAWS—POSSIBLE WITHDRAWAL OF THE CAPITAL OF THE BANK OF MONTREAL FROM UPPER CANADA.

The Montreal Witness quotes with approval certain remarks of the Globe, on the consequences which may possibly arise from recent decisions in our Courts in Upper Canada as to usury:—

The suits against the Bank of Montreal for usury in charging a half per cent. on drafts made payable at other branches, and the view taken of the law by Chief Justices Draper and Richards, would render nine-tenths of the paper discounted of doubtful validity. Under these circumstances the Globe says:—

The Bank of Montreal has it seriously in contemplation to withdraw all its capital from Upper Canada. With the law in such a state there would be strong inducements to other banks to follow the example of the Montreal institution. It would be quite impossible to supply the capital withdrawn in that way, without first amending the law. To leave nearly all the paper discounted by the Banks liable to the taint of usury, and to consequent repudiation, would be the readiest way of depriving the country of the banking capital which is now employed here. We must, therefore, have the law amended as soon as possible.

This, the Witness says, is a fresh illustration of the absurdity of the usury laws.

The fall of gold in New York within the past ten days is noticeable. From being 148½ it is now only 144½.

New York, Dec. 11.—The Commercial says:—The money market shows less stringency from the withdrawal of currency paid for gold into the treasury than was expected, a fact which may be to some extent accounted for from the banks having now a considerable amount of payments falling due to them. The offerings of paper continue large. The prevailing impression that credit is being extended with undue rapidity, however, checks investment in this way, and the demand is very much limited to first class names.

NEW YORK MARKETS—DEC. 12.

Flour receipts are 35,000 bbls; market heavy, unsettled, and 10c a 20c lower; at 6,85 @ 7,20 for superfine state; 7,75 a 7,85 for extra state; 8,00 a 8,25 for choice do 6,75 a 7,35 for superfine western; 7,50 a 8,00 for common to medium extra western, and 8,40 a 8,60 for common to good shipping brands extra round hoop Ohio. Canadian flour dull, 10c lower; 7,80 a 8,00 for common, and 8,05 a 11,00 for good to choice extra. Money on call at 7 per cent. Gold opened 144½, and closed 145.

Chicago, Dec. 11.—Flour dull. Wheat moderate and 1c higher; sales at 1 22½ a 1 23½ for No. 1 and 83½c a 87 for No. 2. Corn firm, at 43c for No. 1, and 41 for No. 2. Oats firm at 26c. The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

New Bedford, Mass., Nov. 24, 1862.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

* * * The Plantation bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. G. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an imposter. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
