NEW POST OFFICES.

The following new Post-offices were established in Canada on the 1st December, 1865.—Belgrave, county of Huron; Burgoyne, county of Bruce; Coningsby, county of Wellington, S. R.; Costwold, county of Wellington, N. R.; Northfield, county of Stormont; Point Petre, county of Prince Edward; Zephyr, county of Ontario, E. R. The name of the Lippincott Post-office, county of York, W. R., has been changed to 'Brocton.'

New York, Dec. 23.—A delegation of Mississippians, being the committee appointed by the Legislature of their state to petition the President for the pardon of Jeff. Davis, called at the Executive Mansion yesterday, and the petition was presented, but no formal reply was given by the President.

The Herald's Richmond correspondent says the people of Richmond are in a high state of excitement in apprehension of an outbreak among the negroes during the approaching holidays. It is reported that preparations for a gigantic insurrection have been made by the extensive gathering and secretion of arms, and from fear that the negroes will attack and rob the trains.

The superintendent of the Richmond and Danville railroad has issued a notice that no freight will be carried over it between the 21st instant and the 5th of January. The apprehension is believed to be groundless.

The aggregate force recently ordered to be mustered out of the military service is 30,000 men.

Chester, Pa., Dec. 23.—A circle of the Fenian Brotherhood was formed here last night numbering 85 members. Resolutions were passed unanimously sustaining O'Mahony.

The Butchers Stalls.—The stalls in the new Market Shambles were yesterday given over to the Butchers, who occupy them in the same order as in the old Shambles before the fire, and at the same rent until the first of May next. The Hucksters were posted under the south verandah, pursuant to the resolution of the Council. The Stalls will not be occupied till the new year, the rent only counting from the first of January.

Police Court, Friday.—(Before the Mayor.) Thomas Tabbot, drunk, fined $1. He was the only prisoner before the Court.

The New Emigration Agent at Toronto.—For nearly two years, Mr. John O'Donohoe—formerly Alderman for Saint David's Ward—has been an invalid. During that time he had suffered the amputation of one of his legs. This affliction would greatly interfere with the successful practice of the legal profession, upon which he was about to enter. We are happy, therefore, to find in the Globe the announcement that Mr. O'Donohoe has been appointed by the Hon. Mr. McGee to the vacancy in the Immigration Office in this city, caused by the death of Mr. Mackay. The Minister of Agriculture has done nothing in long time that will meet with so much general approval.

Propeller Frozen up.—A propeller, whose name we did not learn, has been frozen up at Baptiste Creek Creek, north of the Thames. She has eight horses and a good deal of freight on board, which will have to be got out over the ice. The vessel will have to lie where she is till spring.—London Free Press.

The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. WAGGONER,
Madrid, N. Y.

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 21, 1865.

Dear Sir:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
