COMMERCE AND MARINE.

WEDNESDAY MORNING, DEC. 27, 1865.

MONTREAL MARKETS.

Montreal, Dec. 26, 1865.

[Special Telegram to the British Whig.]

William Nivin & Co., Commission Merchants, Corner of St. Nicholas and St. Sacrament Streets, Montreal, report:—

Wheat—Canada, nominal; Western, nominal. Oats, 32 lbs, nominal. Barley—per 48 lbs, nominal. Butter—Dairy, 20 a 22c; Store Packed, 19 a 20½. Ashes—Pots, firsts 6,75. Gold in New York at 12 o'clock, 145¼ a ½. Market prices nominal; very little doing.

AMERICAN INVOICES.—The Official Gazette of Saturday last announces that the authorized discount on American Invoices is declared to be 31 per cent., which percentage of deduction is to be continued until next weekly notice, and applies to all purchases made in the United States during this week.

THE WEATHER.—The weather is very unsettled, a thaw having set in on Sunday. The snow had all nearly disappeared on Christmas Day, and there was positively no sleighing, and very indifferent skating on the Rinks. As far as nature goes there was not a merry Christmas. The prospects are that navigation will not be closed the present year, there being clear water in the harbor except above the bridge.

LOCAL NEWS VIA NEW YORK.

We have an item of local news to-day via the New York Herald. A correspondent of that paper telegraphs from this city that an agent of the United States Post-office department and the United States consul in Toronto have recently found in bond, in the custom house here $10,000 worth of United States three-cent postage stamps, of the consignment of which to a house here by the rebel agents in Liverpool, the Federal government received information in August last. It is supposed the stamps were captured by the privateer Florida. An injunction on them has been taken out, and it is expected the question of their proprietorship will be shortly argued before a Canadian court.

POLICE COURT, Tuesday.—(Before the Mayor.) Susan Brickwood, drunk and vagrant; she was let off on Saturday, and could not again be trusted, so she was committed for 60 days in gaol. John Yough, charged with drunkenness, and also with breaking an ornamental tree in front of Dr. Yates' house, on King Street, and John McDowall, charged with vagrancy, were discharged on promise to leave the city.

GOOD EXPORT.—Large quantities of staves are being shipped from Quebec to Europe via Portland. No doubt there must be a very good demand at home for this article as freight by this route is enormous. Messrs. Dunn & Holmes are the principal shippers.

The Coburg Sentinel says that the party of American capitalists who visited the Marmora iron region returned on Monday last, and expressed themselves fully satisfied with the prospects. A party of miners are to be employed immediately to take out a few tons of ore for the purpose of being more fully tested; and if it prove satisfactory, of which there appears to be no doubt, the work of building the Marmora branch will be proceeded with at once. The complete restoration of the Coburg and Peterboro' railway, and the extension to Mud Lake, will also be immediately carried out, so that we may expect stirring times here next summer.

The propeller Bruno, which was sunk on the bar opposite Ogdensburgh, a week since, was got off on Thursday last, and proceeded on her way to Montreal.

To all who desire it, he will send a copy of the prescription used (free of charge), with the directions for preparing and using the same, which they will find a sure cure for Consumption, Asthma, Bronchitis, Coughs, Colds, &c. The New York Tribune says, "the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are always made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size.—At least twenty imitations and counterfeits have sprung up. They impose upon the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are recommended by the best physicians, and are warranted to produce an immediate beneficial effect. Facts are stubborn things.

"* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.

REV. W. H. TAGGONER,
Madrid, N. Y."

"* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefitted by their use.

Thy Friend, ASA CURRIN,
Philadelphia, Pa."

"* * * I have been a great sufferer from Dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.

REV. J. S. CATHORN,
Rochester, N. Y."

"* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.

SYKES, CHADWICK & Co.,
Proprietors Willard's Hotel,
Washington, D. C."

"* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.

G. W. D. ANDREWS,
Superintendent Soldiers' Home,
Cincinnati, O."

"* * * The Plantation Bitters have cured me of liver complaint, with which I was laid up prostrate and had to abandon my business.

H. B. KINGSLEY,
Cleveland, O."

New Bedford, Mass., Nov. 24, 1863.

DEAR SIR:—I have been afflicted many years with severe prostrating cramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine-glassful after dinner.—Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.

Respectfully,
JUDITH RUSSEL."

"* * * The Plantation Bitters have cured me of a derangement of the kidneys and the urinary organs that has distressed me for years. It acts like a charm.

C. C. MOORE,
254 Broadway."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one half of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq., of 159 West 14th St. N. Y., says, "he has three children, the first two are weak and puny, his wife having been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them.—They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Every bottle for exportation and sale out of the United States has a metal cap and green label around the neck.

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles.

Sold by principal dealers throughout the habitable globe.
