THURSDAY, SEPTEMBER 13, 1917

BRIEF LOCAL ITEMS

—Acton Fall Fair is coming. Get ready.

—Sunday night's frost was the severest so far this fall.

—New pavements are now talked of for Victoria Avenue.

—Fall seeding is pretty general in this section this week.

—The good old summer time weather has been very scarce lately.

—Beechnuts are very plentiful. The beech trees have a big crop.

—Fall is gradually approaching. The foliage is putting on autumnal tints.

—The Woman's Institute will have a refreshment booth at Acton Fall Fair.

—This is the season for meadow mushrooms. They are plentiful in some places.

—Hannocksburn School looks well since it received a new coat of paint both inside and exterior.

—Liliuokalani, former Queen of Hawaii, has sent to the American Red Cross a contribution of $100.

—Don't forget the social at St. Alban's Parish Hall this Thursday night, Sept. 13th, at 8 o'clock sharp.

—David Anderson, Toronto, has bought the Milton Foundry and will shortly reopen the premises.

—There'll be no $5.00 potatoes in this section this fall. It looks now as if $1.00 or less will be the price.

—The pretty golden rod, now in full bloom, brightens the roadside in the country in all directions.

—Another car of hard coal was delivered this week. A good many citizens now have their winter's supply stored.

—The directors of Georgetown Fall Fair are hustling to make the 71st fair, on October 3rd and 4th, the best ever.

—The few wild ducks on Fairy Lake have been given a hot time by the amateur shooters since the open season came in.

—Judging from the many stacks of grain and hay to be seen outside many of the farmers' barns are filled to overflowing.

—A By-law to provide funds for patriotic purposes, amounting to $5,000, payable in ten years, passed at last meeting of Milton Town Council.

—Tax Collector Reid received between $2,000 and $3000 of taxes on Saturday—the day the first instalment was due. Considerable additional cash has since been paid in.

—Wm. Cosbey, J. P., Erin; Lieut. Col. John Matrie, Rockwood, and John Carmichael, J. P., Hillsburg, have been appointed to re-cohort military service tribunals in their respective localities.

—The cement pavement on the east side of Elgin Street from Mill Street alongside Mr. J. C. Hill's property is to be extended to Bower Avenue, past the residence recently purchased by Dr. McNiven.

—Milton Council has prohibited the coasting by boys with express wagons on the streets. The thoughtless lads do make themselves an annoyance sometimes, and people are obliged to take the roadway to escape being run over.

—A motorist named Stevens, of St. Catharines, while driving through Oakville the worse for liquor, was nabbed by Constable Hunter. He was fined $10 and costs for being drunk and $200 and costs for the half bottle of Liquor found in the car.

Catarrh Cannot Be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

"My Paper!"

Mine, because it fills a very real place in my daily life.

Through it, the whole world's events are described, pictured, and commented upon in such a manner, that by reading it every day I keep well informed upon every topic that a good citizen and man of the world should know about.

My experience has proven its news service quick and reliable, its special articles the work of the leaders of thought upon each subject; its features, whether of sports, home matters, or humorous cartoons, clean and up to date.

My children may read it with understanding and profit, and with the comfortable knowledge on my part that nothing offensive to morals and good taste will ever meet their eyes.

Hence I am glad to count myself among the tens of thousands of people who regard The Toronto Daily Star in all sincerity and earnestness as "MY PAPER!"
