GARAGE SALES

Mississauga Halton LHIN

The **Mississauga Halton Local Health Integration Network (MH LHIN)** is seeking expressions of interest from local citizens interested in, and qualified for, service on its Board of Directors.

Board Chair and Board Directors (4 positions)

Four positions become available in 2011, two in January and one each in May and June, including the position of Board Chair. To apply, an application form quoting file number **PAS-1078 (for Board Director)**, or **PAS-1076 (for Board Chair)**, must be received by October 31, 2010.

As a member of the Mississauga Halton LHIN Board of Directors, you will be responsible for directing its affairs in accordance with applicable legislation, approved strategic and business plans, and the directions and policies established by the Ministry of Health and Long-Term Care. Candidates must have significant experience in Board governance and an interest in the health care system. As well, candidates with executive-level experience in one or more of business, primary care, CA or finance, health care (including health promotion and alternative medicine) will be given preference. Serving on a LHIN Board carries with it a big commitment of time, which often involves meetings and/or teleconferences during normal business hours. Candidates should consider their ability to make such a commitment as part of their decision to express their interest in serving on the LHIN Board.

Directors are appointed by Order-in-Council for a term of up to three years and are subject to renewal for one additional term.

In its consideration of applications for the position of Board Chair, the MH LHIN will be seeking individuals with specific skills. A Board Chair is the spokesperson for the LHIN. He or she must be an experienced leader with: a comprehensive understanding of the context in which the LHIN operates as well as an understanding of the government's objectives or the ability to acquire such understanding; superior group facilitations skills, consensual decision-making skills and experience in running meetings in an explorative, respectful manner; practical knowledge of the LHIN's constating legislation, regulations and the health care sector; understanding of government values and a commitment to working within government values and accountability structures; and understanding of sound financial and operational business processes and practices, and a knowledge of, and commitment to sound governance practices.

To find more details on the Mississauga Halton LHIN and the role profiles for a Board Director, or the Board Chair, we invite you to log on to **www.mississaugahaltonlin.on.ca** or contact Kitty Varley, Lead, Communications and Community Engagement at **kitty.varley@lhins.on.ca**.

Applications may be made on-line through the Public Appointments Secretariat (PAS) website at: **www.pas.gov.on.ca**, quoting one of the above-noted file numbers, or may be mailed to: **Public Appointments Secretariat, Room 2440, Whitney Block, 99 Wellesley Street West, Toronto ON M7A 1W4**. You may fax your application to: **416-327-2633**.
