EDITORIAL NOTES

Mr. Proudfoot has introduced a bill to amend the Truancy Act, making the compulsory school age sixteen instead of fourteen, and also placing truant officers under the jurisdiction of school trustees instead of the municipality. In this bill women are made eligible to act as truant officers.

The daylight saving bill was signed on Tuesday by President Wilson. It puts all clocks in the United States forward one hour on the last Sunday in March and turns them back again the last Sunday in October. In all probability a bill providing for similar action in Canada will be passed this week in the House of Commons.

Several amendments are made to the Ontario Temperance Act for the purpose of co-operating with the Dominion Government's order-in-Council. The indirect delivering of liquor into the province is banned and the use of ... of ginger as a substitute for ... ic drinks will be stopped. DR. L. L. BENNETT

Another of Georgetown's old and respected citizens has passed away in the person of Dr. L. L. Bennett. Deceased was in his 76th year. He was born in Nelson Township and was the youngest son of the late Thomas Bennett. He studied and practiced dentistry with the late Dr. Zimmerman and passed his examination before an Examining Board at Toronto before the Dental College was established. He came to Georgetown in 1864 and has resided here continuously since that time. He was a life long Methodist. At the time of his death he was a member of the High School Board, Methodist Trustee Board, Methodist Quarterly Board and was also one of the Stewards. He was an ardent temperance worker and took deep interest in the moral welfare of the community. In politics he was a Conservative. Dr. Bennett was twice married, his first wife being Sarah Moore, who is survived by two children, Mrs. H. T. Arnold, Georgetown, and Mr. Clarence Bennett, buyer for the T. Eaton Co., of Winnipeg. His second wife was Jemima Powell, who with two children, Mrs. E. B. Grinyer, of Guelph, and Miss Lillie A. M. Bennett, of Cleveland, Ohio, survive. In the passing of Dr. Bennett a good and worthy citizen has been removed from our midst. The funeral on Thursday afternoon to Greenwood Cemetery was very largely attended.—Herald.

America's Oldest Postmaster

POSTMASTER AND MRS. JAMES MATTHEWS

WHO CELEBRATE THEIR DIAMOND WEDDING ANNIVERSARY THIS WEEK

Rarely is it the happy experience of husband and wife to spend sixty years together, but this is the unique history of Mr. and Mrs. James Matthews. They have spent the whole of their wedded life in Acton. Both have reached their eighty-third year, and their birthplaces were both within twenty-five miles of the town which has been their home for three-score years and more.

Mr. Matthews was born near Elora, on April 6, 1835, and Maria Graham, his wife, had her birthplace at Streetsville, on June 22, in the same year. James Matthews was the son of the late Abram Matthews, who was born near Niagara Falls, in 1804. His father, Roswell Matthews, was born in Vermont in 1774, and he was the son of the first man of the name of Matthews to cross the Atlantic.

The Matthews family were pioneer settlers of the Elora and Guelph districts. Abram Matthews is reputed to have cut the first tree on the townsite of Elora, and he and his father are given the credit of building the first house in Guelph, which is still standing on the bank of the Speed River. The father, Roswell Matthews, met an accidental death and was the first person to be buried in the first cemetery in Guelph.

Postmaster Matthews came to Acton with his father in 1845, and the family settled on the farm on Main Street, which Ex-Councillor Bailey has just sold to Mr. Switzer, of Georgetown. In 1852, when acting as clerk with his uncle, the late Robert Swan—Acton's first postmaster, and who named the place for his old home near London, England—he succeeded him and has been for sixty-five years in continuous and faithful service as Postmaster of Acton. This record excels that of any other postmaster in America. Documentary evidence has been secured from the Post Office Department both at Ottawa and Washington in support of this. The postmaster who comes nearest to this lengthened period is Silas Hatch, of Hatchville, Barnstable County, Massachusetts, who was appointed to this office in 1858, three years after Mr. Matthews. The fine new $35,000 Post Office Building erected here four years ago may be regarded in some respects as a monument to Postmaster Matthews' long and faithful service. Fifty-seven years ago he was appointed agent of the Montreal Telegraph Company and also holds the record for service in this capacity.

ACTON'S FINE POST OFFICE

James Matthews and Maria Graham were married in Acton on March 24, 1858, by Rev. Samuel C. Philp, Sr. Both have spent an unusually active life, have enjoyed exceptionally good health, and even now are hale and hearty and in possession of all their faculties. Their children and grandchildren regard them with the most filial affection and the community honors and esteems them for their upright Christian character and good citizenship. All the surviving children will be here to celebrate the auspicious anniversary this week with the exception of the eldest son, Albert, who occupies a very high and responsible position with the Colorado Fuel and Iron Company at Denver, Colorado, and is unable to be with them.

The Free Press heartily congratulates Mr. and Mrs. Matthews. It was founded in Matthews' Hall, forty-three years ago, and for the first four years of its career was published under Mr. Matthews' roof.

OAKVILLE

A war bonus of $50 each has been granted to the school teachers of the town.

C. H. Cross, fue. controller, has resigned.

A Plymouth Rock hen belonging to Mrs. J. Brady has laid 98 eggs in 99 days.

The highway is now in good condition for motoring.

The High School students will debate on the subject: "Resolved that India is of more value to the British Empire than Canada," on Friday evening.—Star.

GEORGETOWN

There were twelve applicants for the position of Municipal officer, and salaries were asked ranging from $75 per month to $1,250 per year. Alex. Reith, of Lucan, was engaged at $75 per month.

Mr. Thomas Lake has returned home after spending the winter with his son George, at Timmins, New Ontario.

Mr. D. Reid, of Glenwilliams, left last week to visit his brother, Mr. F. P. Reid, Mobeetie, Texas.

The fire on Monday morning totally destroyed H. Corke & Co's woollen mill. Although this industry had only been established a little over two years, a large and prosperous trade had been built up and the demand for its products were steadily increasing. It is hoped Mr. Corke may be able to secure a suitable building in which to continue his industry until he can rebuild.—Herald.

CREWSONS CORNERS

The sleighing is almost gone, the roads being covered with water in many places.

Mr. Fred Cleave is moving to Mr. A. B. Murray's farm this week. Mr. and Mrs. Cleave will be cordially welcomed here.

The death occurred last Thursday at his home, 1st con. Esquesing, of Mr. Robert Bilton, a former resident of this place, in his 83rd year.

Another death that cast a gloom over the community last week was that of Wesley Kingsbury, who passed away at his home here early Wednesday morning in his twentieth year. Wesley had been in poor health for a number of years from a malignant growth. About eighteen months ago he had a very bad attack with hemorrhages and for many weeks his life was despaired of, but he revived and was able to go out this winter for the first time in many months. His complete recovery was never looked for and about three weeks ago he took ill again and gradually sank until death released him from his suffering which he had borne with Christian resignation. He was a general favorite with all his companions, a dutiful and loving son and brother. He was a regular attendant at the church and was for a number of years secretary of the Sunday School. He will be greatly missed in his home where his cheery disposition was ever uppermost despite his suffering. To his bereaved parents, brothers and sisters the sympathy of all is extended. The funeral on Friday to Acton cemetery was followed by a large concourse who desired to show their love and esteem for the one who had gone. The pallbearers were six companions, Orrie Lamb, John Dennis, Alex. Near, Neil Gordon, Rolly Farries and Ross Paterson.

Mrs. J. Dennis, Guelph, visited with friends here last week.
