ASSURANCES PAYABLE DURING LIFE.

The Tables show the Annual Premium required for an assurance of £100 or more, payable to the Assurer himself upon his attaining the age of Fifty, Fifty-Five, Sixty, or Sixty-five, or to his representatives at his death, if that event should happen previously.

Every description of Life Assurance transacted.

Detailed Prospectuses, and every requisite information as to the mode of effecting assurance, may be obtained on application to

The Church Union.

THIS paper has been recently enlarged to mammoth proportions. It is THE LARGEST RELIGIOUS PAPER IN THE WORLD. In the leading organ of the Union Movement, and opposes ritualism, close communion, exclusiveness and church caste. It is the only paper that publishes HENRY WARD BEECHER'S Sermons, which it does every week, just as they are delivered,—without qualification or correction by him. It advocates universal suffrage; a union of christians at the polls; and the rights of labor. It has the best Agricultural Department of any paper in the world; publishes stories for the family; and for the destruction of social evils. Its editorial management is impersonal; its writers and editors are from every branch of the church, and from every grade of society. It has been aptly termed the freest organ of thought in the world.

Such a paper, offering premiums of Sewing Machines, Dictionaries, Appleton's Cyclopedia, Pianos, Organs for Churches, etc., makes one of the best papers for canvassers in the world.

Every Congregation may obtain a communion Service, an Organ, a Melodian, a Bible, or a Life Insurance Policy for its Pastor, or almost any other needful thing, by a club of subscribers.

Send for a copy, enclosing 10 cents, to HENRY E. CHILD, 41 Park Row, New York.

"A Repository of Fashion, Pleasure, and Instruction."

HARPER'S BAZAR.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight, and occasionally an elegant Coloured Fashion Plate.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calender paper, and is published weekly.

CRITICAL NOTICES OF THE PRESS.

Harper's Bazar contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has, besides, good stories and literary matter of merit. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its publishers have filled the demand.—New York Evening Post.

Whether we consider its claims as based upon the elegance and superiority of the paper, its typographical appearance, the taste and judgment displayed in the engravings, or the literary contributions contained in its pages, we unhesitatingly pronounce it to be superior in each and every part called to any other similar publication here or abroad.—Philadelphia Legal Intelligencer.

We know of no other English or American journal of fashion that can pretend to approach it in completeness and variety.—New York Times.

To dress according to Harper's Bazar will be the aim and ambition of the women of America.—Boston Transcript.

HIGH ENDORSEMENT FROM THE MEDICAL COLLEGE OF PRUSSIA.

DR. RADWAY

Is in receipt of an important official document signed by the PROFESSORS OF THE MEDICAL COLLEGE OF BRESLAU, PRUSSIA,

Embodying the result of an analysis of

RADWAY'S REGULATING PILLS,

Instituted for the satisfaction of the Prussian Government and people. It appears that the great popularity of the pills throughout Germany, as an aperient, tonic, nutritious and alterative medicine, had provoked the enmity of the apothecaries, who caused a report to be circulated that the ingredients were poisonous Therefore, a scientific inquisition as to their nature and properties was ordered, the issues of which was a most triumphant vindication of the sanitary value of the Pills.

The Faculty of the College state in their report that *after a careful and minute examination*, they have the honor to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favourably upon the nervous system," &c., &c. They state, further, that the injurious rumours set afloat by the Prussian apothecaries originated "in a mean spirit of trade jealousy, excited by the great celebrity attained by the Pills within a very brief period."

Signed in behalf of the College,

DR. HEISE, DR. PHIL. THEOBALD WERNER,
First assistant. Director of the Polytechnic Bureau.

DR. RADWAY'S Pills are sold by Druggists and Country Merchants everywhere. Principal Depot for the New Dominion of Canada, 439 St. Paul, corner of St Francois Xavier street, Montreal, P. Q., D. C.

The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNÆUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa have, by the skilful application of their soluble principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

[See following Extract from the Globe of May 4 1868.]

"Various importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which surpasses every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

WONDERFUL IMPROVEMENT IN

RADWAY'S READY RELIEF.

Dr. Radway's newly discovered process for securing medicinal extracts (in vacuo), from vegetable substances, adds greatly to the improvement of the Ready Relief.

IN AN INSTANT it stops and cures the most violent PAINS, ACHES, CRAMPS, SPASMS, with electrical velocity.

It removes every Ache, Cramp, Spasm, or Pain that may exist in the INSIDE or OUTSIDE of Man, Woman, or Child.

HOW TO APPLY IT.

Rub the part of the body where pain exists freely with the Ready Relief; soak a flannel in the Relief, and lay it across the parts where there is a pain or inflammation. If the parts are too sensitive for rubbing, bathe the body with the Relief with a sponge. Pain the most excruciating will subside in a FEW MINUTES.

CONGESTION OF THE LUNGS.

Bowels, Kidneys, Bladder,—and in all cases where there is inflammation, the Relief should be applied freely, either with the hand by rubbing, or a sponge by bathing, or by a flannel soaked with Relief, and laid across the painful parts. In a few moments all pain will cease, and the cause that occasions the pain removed.

TAKEN INTERNALLY.

Ten to 20 drops in half tumbler of water, will in five minutes, stop Pain, Cramps, Spasms, Colic and Inflammation of the mucous membrane of the internal viscera, this dose repeated every 15 minutes, will cure the worst forms of Canada Cholera, Cholera Morbus, Diarrhea, Dysentery, and all painful discharges from the Bowels.

communicating its curative properties, through the BLOOD, SWEAT, URINE and other fluids.

One tea spoonful in ordinary cases is a dose—Two tea spoonsful in chronic diseases that have afflicted the patient for years.—It is a powerful Remedy, but is innocent of harm.—It is unlike all preparations of Sarsaparilla.

Therefore, always ask for Dr. Radway's Sarsaparillian—take no other—see that the word Sarsaparillian is on the label of each bottle—and R. R. R. Resolvent.

THE GEM OF HEALTH BOTTLED UP IN RADWAY'S SARSAPARILLIAN RESOLVENT,

The Properties of its Ingredients.

SARSAPARILLIAN.—The properties of this wonderful ingredient (which is the only true curative principle of Sarsaparilla), cleanses the blood of vitiated humors, and expels from the system the taint of corruption—rapidly removes from the flesh PIMPLES, BLOTCHES, PUSTULES, TETTERS, ACNE, BLACK SPOTS, WORMS AND INSECTS, imparting beautiful clearness to the skin, and the roseate hue of health and beauty to the complexion. A few doses will make a remarkable change.

LIXIVÆ FUCI.—This extraordinary agent, associated with SARSAPARILLIAN, cures effectually, with astonishing quickness, all varieties of uncured Syphilitic Ulcers, Nodes, Tumors, Swellings, Fever Sores, Mercurial Sores, Rheumatism and Wandering Pains, and the worst forms of Skin Diseases. As a Specialty, it is king of remedies for these complaints, and its association with the other ingredients in the Resolvent places a cure beyond the possibility of a doubt.

PAREIRA BRAVA.—This marvelous agent, like a new sun, shines with such effulgent light upon the medical world as to cast in the shade all other roots supposed to possess similar properties. Extolled by the most eminent practitioners of Europe as a diuretic, diaphoretic, alterative, Ethnontriptic, superior to Buchu, Dandelion, Juniper, Turpentine, Copaiba, Cubebs, &c., it cures the worst forms of Kidney, Bladder, and Urinary Diseases, its effects in Gravel, Stone in the Bladder, Suppression or Retention of Urine, Diabetes, Chronic Catarrh, Tenesmus, Inflammation of the Bladder, it relieves almost instantly, and in cases where catheters have been used it will procure a quick discharge of Urine. Its association with Pod-Sarsaparillian, and other ingredients, restores functional harmony to the secreting vessels of the kidneys, and secures the secretion of the proper constituents of urine from the blood. Persons when urine is thick, cloudy, morbid; turbid, depositing brick dust, albumen, and fiber deposits, will after a few doses, witness the disappearance of these signs of terror, and their water changed to a clear amber and healthy color. Bear in mind that the Resolvent is the only remedy that contains Sarsaparillian and the pure Pareira Brava.

NEWLY DISCOVERED ROOTS.—The properties of these roots excite a powerful action on the skin, augmenting the action of the excreting orifices and vessels, to expel retained excrementitious humours that, by irritating the skin, cause sores, pimples, spots, &c. These, combined with other agents, secure a quick expulsion of all humors from the system.
