The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or CACAO) of MARAVILLA is the true THEOBROMA OF LINNEUS. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their soluble principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the "patronage of homœopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

[See following Extract from the Globe of May 4 1868.]

"Various importers and manufacturers have attempted to attain a reputation for their prepared cocoas, but we doubt whether any article of cocoa had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this based of all species of the Theobroma, they have produced an article which far excedes every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the nutritive properties, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

"A Repository of Fashion, Pleasure, and Instruction."

HARPER'S BAZAR.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight, and occasionally an elegant Coloured Fashion Plate.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calender paper, and is published weekly.

CRITICAL NOTICES OF THE PRESS.

Harper's Bazar contains, beside pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has besides, good stories and literary matter therein. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its publishers have filled the demand.—New York Evening Post.

Whether we consider its claims as based upon the elegance and superiority of the paper, its typographical appearance, the taste and judgment displayed in the engravings, or the literary contributions contained in its pages, we unhesitatingly pronounce it to be superior in each and every part cultural to any other similar publication here or abroad.—Philadelphia Legal Intelligencer.

We know of no other English or American journal of fashion that can pretend to approach it in completeness and variety.—New York Times.

To dress according to Harper's Bazar will be the aim and ambition of the women of America.—Boston Transcript.

WONDERFUL IMPROVEMENT IN

RADWAY'S READY RELIEF.

Dr. Radway's newly discovered process for securing medicinal extracts (in vacuo), from vegetable substances, adds greatly to the improvement of the Ready Relief.

IN AN INSTANT it stops and cures the most violent PAINS, ACHES, CRAMPS, SPASMS, with electrical velocity.

It removes every Ache, Cramp, Spasm, or Pain that may exist in the INSIDE or OUTSIDE of Man, Woman, or Child.

HOW TO APPLY IT.

Rub the part of the body where pain exists freely with the Ready Relief; soak a flannel in the Relief, and lay it across the parts where there is a pain or Inflammation. If the parts are too sensitive for rubbing, bathe the body with the Relief with a sponge. Pain the most excruciating will subside in a FEW MINUTES.

CONGESTION OF THE LUNGS.

Bowels, Kidneys, Bladder,—and in all cases where there is inflammation, the Relief should be applied freely, either with the hand by rubbing, or a sponge by bathing, or by a flannel soaked with Relief, and laid across the painful parts. In a few moments all pain will cease, and the cause that occasions the pain removed.

TAKEN INTERNALLY.

Ten to 20 drops in half tumbler of water, will in five minutes, stop Pain, Cramps, Spasms, Colic and Inflammation of the mucous membrane of the internal viscera, this dose repeated every 15 minutes, will cure the worst forms of

Canada Cholera, Cholera Morbus, Diarrhea, Dysentery, and all painful discharges from the Bowels.

communicating its curative properties, through the BLOOD, SWEAT, URINE and other fluids.

One tea spoonful in ordinary cases is a dose—Two tea spoonsful in chronic diseases that have afflicted the patient for years.—It is a powerful Remedy, but is innocent of harm.—It is unlike all preparations of Sarsaparilla:

Therefore, always ask for Dr. Radway's Sarsaparillian—
