The Perfection of Prepared Cocoa.

MARAVILLA

COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS,

LONDON.

THE COCOA (or Cacao) of MARAVILLA is the true TRIMMED NUT OF LINNÆUS. Cocoa is indigenous to south America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having procured the exclusive agency of this unrivalled Cocoa, have, by the skilful application of their great scientific and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of households and confectionery generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 4 1868.)

"Various linguists and manufacturers have attempted to attain a reputation for their preparations, but we doubt whether any though success has achieved what Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adopting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which commends itself to every class in the market. Rich, healthy, a delicate aroma, and a rare preservation of the purest elements of nourishment, the Maravilla Cocoa shows all other Cocoas to disadvantage and invalids would not recommend a more agreeable or valuable beverage."

Sold in 1-lb packets only by all Grocers, of whom may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

HARPER'S BAZAR.

A supplement containing numerous full-sized patterns of useful articles accompanies the paper every fortnight, and occasionally an elegant Colored Fashion Plate.

Harper's Bazar contains 16 folio pages of the size of Harper's Weekly, printed on superfine calender paper, and is published weekly.

CRITICAL NOTICES OF THE PRESS.

Harper's Bazar contains, besides pictures, patterns, etc., a variety of matter of especial use and interest to the family; articles on health, dress and housekeeping in all its branches; its editorial matter is specially adapted to the circle it is intended to interest and instruct; and it has, besides, good stories and literary entertainment. It is not surprising that the journal, with such features, has achieved in a short time an immense success; for something of its kind was desired in thousands of families, and its subscribers have filled the demand.—New York Evening Post.

We think we consider its venture as based upon the energy and superiority of the paper, its typographical appearance, the taste and judgment displayed in the engravings, or the literary contributions, even should its success be astonishingly pronounced to be superior in each and every part out-Herod Herod, and to any other similar publication here or abroad.—Philadelphia Legal Intelligencer.

We know of no other English or American journal of fashion that can pretend to approach it in completeness and variety.—New York Times.

To dress according to Harper's Bazar will be the aim and ambition of the women of America.—Boston Transcript.
