

Help out the Town's work crews

As I write this, we have had little snow compared to what has fallen around us—touch wood!

We know snowstorms will come, so we have to be prepared. The Town public works crew will do their very best and you can help. Please don't shovel your driveway's snow onto the road. If you have a fire hydrant near or on your property, please shovel the snow around it so, in case of an emergency, firefighters will be able to find it to perhaps save you or your home.

Congratulations to Georgetown Figure Skating Club, Georgetown Globe Musical Productions, Lorne Scots Canadian Army Cadets and Roxy Community Music Place which recently had successful applications for Trillium grants. They have been collectively awarded \$251,700. These funds will go a long way to these organizations improving the quality of life in Halton Hills.

Farewell to Halton Hills planner Bruce MacLean. After serving the Town for more than 30 years, Bruce has decided to hand in his planning maps for a well-earned retirement. Bruce was instrumental in many planning initiatives over the years. Best of luck to Bruce and enjoy your retirement in good health. Also, a very happy retirement to Rob Ustrzycki in our bylaw department.

...

Congratulations to Regional Councillors Jane Fogal and Clark Somerville as they were recently elected by their regional peers

During the holidays, it is also a time to reflect and be thankful for all of the essential services such as police, fire, ambulance and our own public works department in keeping our community safe.

...

No rest for the wicked. Council will resume work immediately after the holidays as budget deliberations begin January 4.

Congratulations to the following stores which opened in the past month: The Bergamot in Acton and Young Dentistry in Georgetown.
