The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or Cacao) of MARAVILLA is the true Theobroma or DIVINE FOOD. Cocoa is indigenous to South America, of which Maravilla is a favoured portion. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their double principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of homœopaths and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

(See following Extract from the Globe of May 14 1868.)

"Various Importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we doubt whether any success has been achieved until Messrs. Taylor Bros. discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which so exceeds every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopaths and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

The success of this most delicious and invigorating Condiment having caused certain dealers to apply the name of "Worcestershire Sauce" to their own inferior compositions, the public is hereby informed that the only way to secure the genuine is to

Ask for Lea & Perrins' Sauce,
