The Perfection of Prepared Cocoa.

MARAVILLA COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS, LONDON.

THE COCOA (or Cacao) of Maravilla is the true Theobroma of Linnæus. Cocoa is indigenous to south America, of which Maravilla is a favored portion. Taylor Brothers have secured the exclusive supply of this invigorating cocoa, have, by the skilful application of their suitable machinery and manipulating processes, produced what it is universally acknowledged, the prepared Cocoa, that it has not only received the patronage of humanists and cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, upon trial, adopted the Maravilla Cocoa as their habitual beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 14 1866:

"Various Importers and manufacturers have attempted to attain a reputation for their prepared Cocoas, but we believe it is only of late that success has been achieved until Taylor Brothers discovered the extraordinary adaptation of Maravilla' Cocoa. After long trials and elaborate system of preparation to this end, of all species of the Theobroma, they have succeeded in arriving at a result, which, on examination, will be found to be superior to, or certainly equal to, any other Cocoa. Entire solubility, a delicate aroma, and a rare concentration of the purest elements of nutrition, distinguish the Maravilla Cocoa from all others. For Homœopathic and Invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Soluble Chocolate.

The success of this most delicious and unrivalled Condiment having caused certain dealers to apply the name of "Worcestershire Sauce" to their own inferior compounds, the public is hereby informed that the only way to secure the genuine is to

Ask for Lea & Perrins' Sauce,

and to see that their names are upon the Wrapper, Label, Stopper and Bottle.

Some of the foreign markets having been supplied with a spurious Worcestershire Sauce, upon the wrapper and labels of which, the names of Lea and Perrins have been forged, Lea and Perrins give notice that they have forwarded to the corresponsents with power of attorney to take instant proceedings against Manufacturers and Vendors of such, or any other imitations by which their right may be infringed.

Ask for LEA & PERRINS' Sauce, and see Name on Wrapper, Label, Bottle, and Stopper.

A Great Medical Triumph.

NEW PRINCIPLES IN PURGATION SECURED IN

DR. RADWAY'S

Perfect Purgative Pills.

1.—A Vegetable Substitute for Calomel and Mercury.

2.—Counter-Irritation, made perfect in Radway's Pills, that withdraws inflamation from Congested Blood Vessels, Nerves, Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious, corrupt humors and diseased deposits from the system.

3.—In these Pills a nourishing and nutritious principle is secured, by which the blood, juices and fluids of the system, become invested with the vigor of life—they are the only purgative medicine—that strengthens during the process of purgation. These Pills act as a solvent and tonic to the gastric juice, enabling this solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion, and the convertion of said substances into the proper constituents to make pure, rich and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion, Diabeates and many urinary difficulties, etc.

4.—They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ; by their action the Liver secretes its allotted proportion of bile—the Lungs, Carbon—the Skin, Sweat—the Kidneys, Urine, &c.

5.—The aged, and persons subject to Constipation, Costiveness, Paralysis and Weakness of the Bowels, Kidneys and Bladder, &c., that have to resort to injections;—by taking two or three of Radway's Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the bowels, Liver, Kidneys, &c., that may be worn or depleted by disease or age.

6.—In these Pills, a want that science has ever failed to supply is secured, and that is a thorough purgative that can be given in safety in cases of eruptive fevers, as Small Pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers—when the Mucous Membrane becomes ulcerated—now these Pills purge thoroughly, and heal ulcerated and excoriated parts.

7.—These Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills. Two of Radway's Pills will act quicker than half a dozen of the common drastic pills in general use

ELEGANTLY COATED—NO TASTE OR SMELL.

SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. MANDRAKE, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Baches, U. S. Pharmacopia). Mandrake, as a constituent of a purgative pill, for general or continued use is hurtful, and its introduction into a pill secures no new principle. Mandrake is inferior to the same drastic principle, in the official aloetic pill of the dispensatory; so there is nothing new in this agent although its principal advocate presents it to the public under Dr. Radway's official discovery, of a vegetable substitute for Mercury.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from Bilious complaints, if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittant and Intermittant Fever. In fact all animal and vegetable fevers are prevented and cured by RADWAY'S PILLS, assisted when required by the READY RELIEF.

TREATMENT.

As a prevention, when either of these maladies prevail, take one pill per day, this will regulate the liver, and supply any deficiency of the healthy condition of the gastric juice, the natural solvent of the system, and secure healthy digestion; Ten to twenty drops of Ready Relief, in water as a drink, this will secure invigoration and strength where there is weakness, lassitude and languor, and neutralize the poisonous acids, generated from the gases of indigested food, irritant and morbid humors, of the stomach, &c., and if seized with any form of fevers take the pills in large doses 4 to 6, every six hours, a few doses will cure a cure. I have cured the worst forms of Yellow, Typhoid, Marsh, Ship, and Bilious Fevers, in the West Indies, South America, and my treatment with the Ready Relief, and Pills, have met with the same success in the East Indies,—these fevers are all of one family, and will more readily yield in their milder forms as they exist in temperate climates; than in their more fatal types of the torrid zones.

ONE PILL

Taken when symptoms of dizziness, fullness, or pain in the head, nausea, of stomach, indigestion, costiveness, pain after eating, disturbed sleep, fretfulness, &c. appear, will soon cure them. Radway's Pills are unlike all other pills; each pill contains 3 grains of the active curative principle of extracts of the purest products of the vegetable kingdom—a marvellous result of the most careful and scientific research, and to be found only in these pills. In purchasing Pills, see that one of the labels is marked R. R. R. No. 3, and the fac-simile signature of Radway & Co. printed in Red Ink, and that the Proprietors name on the other label, there are 39 pills in a vial, neatly covered with sweet gum. Price 25 cts. per box. Sold by Druggists and Country Merchants.
