BRITANNIA

LIFE ASSURANCE COMPANY.

Capital—£1,000,000 Sterling.

No. 1 PRINCE'S STREET, BANK, LONDON.

Empowered by Special Act of Parliament, 4th Vict. Cap. 9.

ASSURANCES PAYABLE DURING LIFE.

TABLES have been constructed for the use of persons who may be desirous of effecting a Life Assurance, for the benefit of their families in the event of premature death, on the largest possible amount which their yearly means will afford; and at the same time secure the advantage of having the sum assured made payable to themselves in the event of a prolonged life. The Tables shew the Annual Premium required for an assurance of £100 or more, payable to the assurer himself upon his attaining the age of Fifty, Sixty, Seventy, or Sixty-five, or to his representatives at his death, if that event should happen previously.

Every description of Life Assurance transacted.

Detailed Prospectuses, and every requisite information as to the advantages of effecting assurance, may be obtained on application to

The Perfection of Prepared Cocoa.

MARAVILLA

COCOA.

Sole Proprietors, - - - TAYLOR BROTHERS,

LONDON.

THE COCOA (or Cacao) of MARAVILLA is the true Theobroma or Chocolate Cocoa indigenous to South America, of which Maravilla is a favoured port. TAYLOR BROTHERS having secured the exclusive supply of this unrivalled Cocoa, have, by the skilful application of their double principle and elaborate machinery, produced what is so undeniably the perfection of prepared Cocoa, that it has not only secured the preference of thousands of cocoa-drinkers generally, but many who had hitherto not found any preparation to suit them, have, after one trial, adopted the Maravilla Cocoa as their constant beverage for breakfast, luncheon, &c.

"A Success Unprecedented."

See following Extract from the Globe of May 14 1868:—

"Various importers and manufacturers have attempted to obtain a separation of their preparations of Cocoa, but we doubt whether any thorough success had been achieved until Messrs. Taylor Brothers discovered the extraordinary qualities of 'Maravilla' Cocoa. Adapting their perfect system of preparation to this finest of all species of the Theobroma, they have produced an article which so greatly excels every other Cocoa in the market. Entire freedom from alkali, and a rare concentration of the active elements of nutrition, distinguish the Maravilla Cocoa above all others. For Homœopathic and invalids we could not recommend a more agreeable or valuable beverage."

Sold in packets only by all Grocers, of whom also may be had Taylor Brothers' Original Homœopathic Cocoa and Solid Chocolate.

R. R. R.

A Great Medical Triumph.

NEW PRINCIPLES IN PURGATION SECURED IN

DR. RADWAY'S

Perfect Purgative Pills.

1.—A Vegetable Substitute for Calomel and Mercury.

2.—Counter-Irritation, made perfect in Radway's Pills, that withdraws inflamation from Congested Blood Vessels, Nerves, Liver, Stomach, Bowels, Kidneys, and other viscera, and purging all excrementitious, corrupt humors and diseased deposits from the system.

3.—In these Pills a nourishing and nutritious principle is secured, by which the blood, juices and fluids of the system, become invested with the vigor of life—they are the only purgative medicine—that strengthens during the process of purgation. These Pills act as a solvent and tonic to the gastric juice, enabling this solvent of the system to properly dissolve the substances taken into the stomach, and aid digestion, and the convertion of said substances into the proper constituents to make pure, rich and wholesome blood, the deficiency of which is the cause of Dyspepsia, Indigestion, Diabeates and many urinary difficulties, etc.

4.—They regulate the organs of the system; restoring functional harmony and securing the secretion of the proper constituents of each organ; by their action the Liver secretes its allotted proportion of bile—the Lungs, Carbon—the Skin, Sweat—the Kidneys, Urine, &c.

5.—The aged, and persons subject to Constipation, Costiveness, Paralysis and Weakness of the Bowels, Kidneys and Bladder, &c., that have to resort to injections;—by taking two or three of Radway's Pills, will enjoy natural discharges, and by the occasional use of them have regular operations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the bowels, Liver, Kidneys, &c., that may be worn or depleted by disease or age.

6.—In these Pills, a want that science has ever failed to supply is secured, and that is a thorough purgative that can be given in safety in cases of eruptive fevers, as Small Pox, Erysipelas, Yellow Fever, Scarlet and Typhoid Fevers—when the Mucous Membrane becomes ulcerated—now these Pills purge thoroughly, and heal ulcerated and excoriated parts.

7.—These Pills are made from extracts—from new ingredients—entirely vegetable, superior in every respect to the ordinary powders and substances of the common advertised Pills. Two or Radway's Pills will act quicker than half a dozen of the common drastic pills in general use.

ELEGANTLY COATED—NO TASTE OR SMELL.

SCOURING THE INSIDES.

Persons who take Pills for the purpose of getting "a good scouring out" are perhaps not aware that they are wearing away their intestines, irritating the Mucous Membrane, and laying the foundation for Piles, inward Ulcers, Sores, &c. MANDRAKE, that is claimed by some to be a substitute for Mercury, will produce this effect; it will scour the bowels like any other drastic, and will wear them out (see page 666, Wood & Bache's U. S. Pharmacopœia). Mandrake, as a constituent of a purgative pill, for general or occasional use, is hurtful, and its introduction into a pill secures no new principle. Mandrake is inferior to the same drastic principle, in the officinal aloetic pill of the dispensatory, so there is nothing new in this agent, although its principal advocate presents it to the public under Dr. Radway's medical discovery, of a vegetable substitute for Mercury.

CHOWN & CUNNINGHAM.

Kingston, April 2, 1869.

FOR BILIOUS DISEASES.

Not one in a thousand would suffer from Bilious complaints, if Dr. Radway's treatment is observed, and all who may be seized with Bilious Colic, Bilious Fever, Typhoid Fever, Chills and Fever, Fever and Ague, Remittant and Intermittant Fever. In fact all animal and vegetable fevers are prevented and cured by RADWAY'S PILLS, assisted when required by the READY RELIEF.

TREATMENT.

As a preventive, when either of these maladies prevail, take one pill per day, this will regulate the liver, and supply any deficiency of the healthy condition of the gastric juice, the natural solvent of the system, and secure healthy digestion; Ten to twenty drops of Ready Relief, in water as a drink, this will secure invigoration and strength where there is weakness, lassitude and languor, and neutralize the poisonous acids, generated from the gases of indigested food, irritant and morbid humors, of the stomach, &c., and if seized with any form of fevers take the pills in large doses 4 to 6, every six hours, a few doses will ensure a cure. I have cured the worst forms of Yellow, Typhoid, Marsh, Ship, and Isthmus Fevers, in the West Indies, South America, and my treatment with the Ready Relief, and Pills, have met with the same success in the East Indies,—these fevers are all of one family, and will more readily yield in their milder forms as they exist in temperate climates, than in their more fatal types of the torrid zones.

ONE PILL,

Taken when symptoms of dizziness, fullness, or pain in the head, nausea at stomach, indigestion, costiveness, pain after eating, sleeplessness, bad dreams, &c., appear, will soon cure this disease. Radway's Pills are unlike all other pills. Each pill contains 3 grains of the active curative principles of vegetables of the rarest products of the vegetable kingdom. The ingredients some of them never before used in medicine, and to be found only in these pills. In purchasing Pills, see that one of the labels is marked R. R. R. No. 3, and the fac-simile signature of Radway & Co. printed in Red Ink, and that Radway's Regulator on the other label, there are 30 pills in each box
