Women's Institute Meeting

Come and enjoy a pleasant afternoon at the regular meeting of the Women's Institute on Friday, November 5 at three o'clock at the G. W. V. A. Home. The meeting will take the form of a "Thimble Tea."

Meeting of Acton Hockey Club

A meeting will be held in the Council Chamber, Friday evening, November 5, at 7.30 p. m. sharp, to organize hockey teams, seniors and juniors, for the coming season. If interested in hockey, whether you play or not, you are urgently requested to attend and help make this meeting a success.

Sacramental Services Next Sunday

Quarterly sacramental services will be held in the Methodist Church next Sunday. The Love Feast will take place at 10 a. m. in the school room. The pastor will preach at 11 a. m. and 7 p. m. and the communion will be administered in connection with the evening service. There will also be a reception of new members in the evening.

Big German Gun for Burlington

Through the efforts of Dr. R. K. Anderson, M. P. for Halton, the town of Burlington has received from the director of war trophies at Ottawa a 77 M. M. German gun weighing 5,000 pounds. The souvenir of the great war arrived in Burlington last week. Acton would appreciate similar successful efforts on their behalf by Dr. Anderson.

New Books for the Public Library

The chairman, secretary and librarian of the Public Library spent a day last week with the book publishers of Toronto in selecting an addition of books for the library. A very fine selection was secured and includes the lastest works in fiction, natural history, biography, mechanics and juvenile books. These will be catalogued and placed on the shelves as soon as possible. Readers will appreciate this new list.

The Hallowe'en Festival

The boys and girls in town had a real good masquerade time last Saturday evening. Hundreds of them paraded the street in all sorts of disguises. False faces, masks, "coilled possums," and fantastic facial pencillings put most of the youngsters entirely out of recognition. Added to this were their variety of costumes. Dad's old clothes and mother's fancy things all played their parts. A favorite disguise of some of the girls was to wear their soldier brother's uniforms. The youngsters were boisterous, but for the most part respectful. They called from house to house and were treated by kindly-disposed citizens to candy, pop corn, apples, doughnuts and so forth. Moorecroft was honored with calls from eighty-seven of the boys and girls during the evening, from 6.30 to 10.15 p. m., and no doubt numbers of other homes in town had as many or more.

King's Orderlies Bible Class

A meeting of the members of the King's Orderlies Bible Class was held at the Methodist Parsonage last Wednesday evening for re-organization for the year. Mr. Neil McDonald, the President, occupied the chair. Brief addresses of encouragement were made by Rev. I. M. Moyer, pastor; H. P. Moore, the Sunday School Superintendent, and N. F. Moore, Vice-President. The officers of the year were elected as follows: President, N. F. Moore; Vice-President, George Soper, Jr.; Secretary, Morley Ramshaw; Treasurer, Ray Agnew; Teacher, Rev. I. M. Moyer; Assistants, R. H. Wansbrough and N. F. Moore. The K. O. B. C. hope to arrange for a series of social evenings for the winter months, with programmes instructive and entertaining. There will be a special effort to increase the membership and attendance of the class. At the close of the business proceedings Mrs. Moyer entertained the members to dainty refreshments.

Distressing Motor Accident

Acton has been singularly free of motor accidents where personal injuries were sustained. But on Sunday afternoon Mr. W. F. Mooney and family had an experience which was most regrettable. Mr. and Mrs. Mooney and children and Mr. Smith, the plumber, were motoring to the home of Mr. Mooney's parents on the Brampton Road near Guelph. They had proceeded to the first line and were near Mr. James McMillan's farm gate, when Mr. Mooney essayed to fasten a flying side curtain and asked Mr. Smith to hold the steering wheel as he did it. In a second the car made a lurch and before he could get hold of it to steer back to the road the car was into the ditch and capsized against the fence. Mrs. Mooney sustained a fractured right arm at the wrist and was bruised about the face and body. The children were bruised, and Mr. Smith had his thigh painfully bruised. Mrs. Mooney is a plucky little woman and makes no complaint of her injury. It is hoped she will have a speedy recovery.

Long-Resident Citizens Removing

Seventy-two years ago the late Thomas Overton, with his wife and their two children, William and Ann, arrived in Acton from England. Mr. Overton was a blacksmith in the old land and when he settled here he opened a smithy on the lot where N. F. Moore's residence now stands. In the course of time Ann Overton and Thomas Ebbage, son of Capt. Ebbage, fell in love and were married. A large family grew up in the home, and the father and mother were among our busiest residents. Grandfather Overton and his worthy wife passed away, the Ebbage sons and daughters scattered to other places and established homes until only Mr. and Mrs. Ebbage and their youngest daughter, Miss Clara, were left at home. After a long and painful illness Thomas Ebbage departed this life about four or five years ago. Since then Mrs. Ebbage and Clara have lived alone in the family residence. Lately it was decided to move to Toronto where May and her family reside and accept a home with them. This week they remove to the city. Thus we lose the last members of a most highly esteemed family, whose residence here dates back nearly three-quarters of a century. Mrs. Ebbage and Miss Clara have been closely identified with the Methodist Church and its activities. Even through the years of her father's illness and her mother's declining health, Miss Clara has found time to devote to her Sunday School class and to the Epworth League. They will be greatly missed in the old home and the old home church, but they carry with them the best wishes and earnest prayers of their hosts of friends here for comfort and happiness in their city home.

ACTON'S MEMORIAL MONUMENT

Tribute Erected to Honor the Memory of Our Soldier Heroes Who Fell in the Great War

This magnificent monument has been erected by the people of Acton and vicinity to commemorate the memory of the brave men who went from Acton at the call of King and Country, and who fell in the great war. It will be unveiled with appropriate and impressive ceremonies on Armistice Day, November the 11th, at 2 o'clock in the afternoon.

To attend this important historical event a cordial invitation is extended to the entire community, to the soldier comrades of the fallen heroes, and to their friends.

The monument is a massive structure. It is 7 feet 6 inches by 6 feet at the base, and the column is some sixteen feet high. It is skilfully carved and moulded and the face bears the names of the fallen soldiers and the regiments to which they were attached. On the sides are engraved the names of the famous battles in which they fought.

The memorial is of gray Stanstead granite and the wreath surmounting the maple leaf is a weather proof alloy of copper and bronze, from Canadian mines.

The monument occupies a commanding site on Mill Street, in the centre of the town, on a part of the lawn of the Methodist Church, which was donated to the Committee of Five for the purpose and deeded by the Church Board, with permission of the Conference, to the town. A sodded terrace two feet high, and thirty-six feet square surrounds the monument.

The work was executed and erected by the McIntosh Granite Company, of Toronto, and reflects great credit upon the chaste and classic designing of the firm's artists and the skill of their granite cutters. The design gives a massive and permanent appearance, and is withal of an artistic and appropriate style.

This splendid memorial, which weighs about twenty tons, stands upon a solid concrete foundation six feet in depth. The value of the monument as it stands is $3,000.

Senator Harding Is New President of United States

Landslide for Republicans from Coast to Coast of that Vast Country

GOVERNOR COOLIDGE IS VICE-PRESIDENT

New York, November 3—The most stupendous political victory in the history of the United States was won to-day by the Republican national ticket, when Senator Warren G. Harding was swept into the Presidency by a popular plurality far beyond the high-water mark established by Theodore Roosevelt in his memorable 1904 triumph over Alton B. Parker.

Governor James M. Cox has suffered a defeat more crushing than even the most sanguine Republican prophet had predicted. Aside from the ten states of the solid south, with 114 electoral votes, and possibly Kentucky and Maryland, the Democratic party has been buried under an overwhelming landslide that erased the word "doubtful" from the political lexicon and restored to the G. O. P. a dozen or more states that had swung to Wilson in the 1916 overturn.

In the next Senate the Republicans will have, according to indications, a majority of from six to eight, and in the House of Representatives a load of nearly 70.

Governor Coolidge defeated Franklin Roosevelt for the Vice-Presidency.

In view of the pre-election attitude of the new President-elect, on the great question of the League of Nations, it is difficult to conclude what the outcome of the election of the Republican ticket will be. This was perhaps the great issue of the election. It is well known, however, that millions of Republicans desire that the United States should take her place beside the other great nations in an effort to keep the peace won at so great a price. The great leaders of the party are in favor of the League, and may be counted upon to do their best to have the next President and Senate assent to a ratification of the Peace Treaty. The United States is needed at this great climax in the world's history. That she should remain in an insular position at this world's epoch is unthinkable.

Address to Leaguers

Rev. G. S. Cassmore, B. A., of Nassagaweya, gave a very helpful and interesting address at the Epworth League on Monday evening in which the possibilities and opportunities for Christian service by the young people was vividly illustrated.

Ladies' Auxiliary G. W. V. A.

The euchre will start at 8 p. m. and the dance at 11 p. m. First-class music will be provided. Refreshments will be served. Gentlemen 50c, ladies 25c. Mrs. T. McIlvoy, President. 19-2

A SUCCESSFUL BAPTIST CONVENTION

The Representative Baptists of Ontario and Quebec Meet at Brantford

The representatives of the Baptist Associations of Ontario and Quebec brought their week's convention at Brantford to a close last Thursday, when Rev. Carter Helm Jones, D. D., of Philadelphia, delivered the parting inspiration address.

The convention was one of the most successful on record, and the business was carried out according to schedule. One of the most important matters from a doctrinal standpoint, was the resolution on the work of the Lambeth Conference, sympathy for the object of which was expressed, but fundamental differences were pointed out between the Baptists, in the matter of baptism, and the Church of England, which the report stated "made enthusiastic co-operation difficult if not impossible to conscientious souls." Liberty of conscience, the independence of the local church, the relations of church and state and other matters made organic union doubtful of achievement.

Mr. W. C. Senior, secretary of the convention plan of finance, presented his annual report. The convention plan, though used only by one half of the churches, had satisfying results. It was hoped that the churches generally would take up the plan. The apportionments of the convention plan had been met by 72 per cent. of the churches.

Under the plan of finance for 1919, an income of nearly $1,000,000 was received. This had been apportioned out for various causes. The percentages of the expenditure was pastors, local churches, 34; expenses, 26; improvements, 11; local Sunday school work, 4; home missions, 7; foreign missions, 8; Western missions, 3; Grand Ligne, 1.6; Christian education, 1; superannuation, church edifice, and Sunday school board, 1; other objects, 4.4; Western, Elgin and Owen Sound had shown the greatest comparative increases in funds during the convention year. Guelph association had reached a figure nearer its allotment than any other association. The convention budget for the past year was placed at $300,000; $200,000 of which was laid directly upon the churches. This was done by first making allotments to each association, and then through local budget committees apportioning the allotments suggestively among the churches. The church contributed $145,779.08. This is $14,800.84 more than last year, and $36,848.98 more than two years ago.

The members of the committee for the coming year are: Foreign missions, Rev. H. E. Stillwell; home missions, Albert Matthews; Western missions, H. Mellain; Grand Ligne, Rev. E. Bosworth; Christian education, Rev. S. S. Bates, D. D.; board of Sunday Schools, Rev. G. T. Webb, D. D.; church edifice, Rev. E. Hodson; superannuation, Rev. E. T. Fox; social service, Rev. M. C. Maclean; together with the general treasurer, Mr. R. D. Warren, the secretary of the convention, Rev. C. E. McLeod, and the secretary of the plan of finance, W. C. Senior.

—A card party in the basement of St. Joseph's Church will be held this (Thursday) evening. A cordial invitation is extended to all. The hostess will be Miss Leona Holmes.

The report was adopted.

A representative of the Maloney Electric Co. was present quoting prices on transformers for the pumping stations at the reservoir. Action on the estimates on these transformers was deferred.

A communication from the Memorial Committee requested the Council to remove the two trees in front of the monument on Mill Street; that the Council close Mill Street between High and John Streets on Armistice Day between the hours of 2.30 and 4 o'clock; also that the Council request the merchants to close their places of business between the above mentioned hours.

Moved by H. A. Cole, seconded by E. J. Hassard, that the Memorial Committee be given liberty to remove the two trees in front of the civic memorial plot; also that Mill Street between High Street and John Street be closed to vehicle traffic between 2.30 and 4 p. m. on November 11, during the memorial service, also would ask the merchants to close business places during the service.—Carried.

The question of disposing of the remainder of the waterworks bonds was discussed and it deemed advisable to appoint agents to dispose of the few remaining.

Moved by W. J. Arnold, seconded by E. J. Hassard, that the Reeve and Council wait on the Esquesing Council re the annexation on November 15.—Carried.

Chief Cooney requested that the Council have a book of contract forms printed for the rental of the Town Hall, and that it contain the rates and regulations governing the use of the hall.

Moved by E. J. Hassard, seconded by W. J. Arnold, that the fee for the use of the auditorium be $12 for all local organizations and $15.00 for outside organizations, these prices to include lights, heat and piano and be paid in advance at time of engagement.—Carried.

It was moved and seconded that the Council issue a writ against H. A. Gourlay to recover the $500 with interest that he owes to the Corporation of Acton.—Carried.

Council adjourned at 11.45 p. m.

Fatal Tragedy at Erin Village Monday Night

Dr. Hugh Milloy, of Detroit, Commits Suicide at His Boyhood's Home

HE WAS 30 YEARS IN DETROIT

A sad tragedy occurred in Erin village on Monday night. With his throat cut from ear to ear, the dead body of Dr. Hugh Milloy, 62 years of age, dentist of Detroit, was found on Tuesday morning in the garden of the home of his sister-in-law, Mrs. James Milloy, with whom he had been visiting for several days.

Deceased was a former resident of Erin, but after graduating as a dentist over 30 years ago, he removed to Detroit.

The cause of the rash act is attributed to ill health.

Among the 153 graduates of the Law School, Toronto, who were sworn in as barristers-at-law at the close of the session, were James McCraney Glidehouse, Alexander Harvey Lightbourne and Goldwin Gregory, son of W. D. Gregory, of Oakville.

Mr. and Mrs. J. E. Biger, Ald. and Mrs. Edward Hats, and Mr. and Mrs. Weber and son, of Kitchener, motored down on Sunday and were the guests of Rev. and Mrs. I. M. Moyer. Incidentally they visited the Methodist Sunday School and Messrs. Biger and Weber, who are both experienced superintendents, spoke encouraging words to the school.
