"Unquestionable the best sustained work of the kind in the World."
HARPER'S MAGAZINE.
HARPER'S MAGAZINE, *apart from the illustrations, contains from fifty to one hundred per cent. more matter than any similar periodical issued in the English language.*
CRITICAL NOTICES OF THE PRESS.
The most popular Monthly in the world.—*New York Observer.*
We must refer in terms of eulogy to the high tone and varied excellences of HARPER'S MAGAZINE—a journal with a monthly circulation of about 120,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American people; and the popularity it has acquired is merited. Each Number contains fully 144 pages of reading-matter, appropriately illustrated with good woodcuts; and it combines in itself the racy monthly and the more philosophical quarterly, blended with the best features of the daily journal. It has great power in the dissemination of a love of pure literature.—TURNER'S *Guide to American Literature, London.*
It is one of the wonders of journalism—the editorial management of HARPER'S. * * * All the periodicals which the Harpers publish are almost ideally well edited.—*The Nation, N. Y.*
We can account for its success only by the simple fact that it meets precisely the popular taste, furnishing a variety of pleasing and instructive reading for all.—*Zion's Herald, Boston.*
SUBSCRIPTIONS.—1870.

The New Remedy for Worms in Children or Adults.
BARKER'S
WORM SYRUP.
GREAT difficulty has been experienced in obtaining a medicine that can be administered to young Children in a convenient form. Lozenges, Candy, &c., have not been found to answer the purpose, on account of children refusing to eat them; also on account of the bombastic worthless preparations now before the public. Thousands of lives are sacrificed to the use of such and similar medicines."
The want of a convenient, and at the same time an effectual medicine, has been long required. This WORM SYRUP will supply that want, and having paid particular attention to its preparation, the Proprietor can with confidence recommend it to the public as a certain, safe and sure remedy for destroying Worms in Children or Adults. It can be administered with perfect safety to the most delicate children, and on account of its pleasant taste children will take it freely. A large number of certificates have been received from parties who have used this Syrup with the greatest success; also from several Physicians, recommending its use.
The symptoms of worms are so well known that it is not necessary here to describe them; but it is a well known fact that thousands of children are hurried to an early grave for want of proper attention.
