R. L. GREGORY

Dear Madam:-

The warm days that are to follow in quick succession, are beckoning you to prepare for summer comfort, by donning apparel of fabrics that are as cool and light as a breeze. In this connection, we wish to remind you that our stocks are the most comprehensive we have assembled for the past few years.

Summer Dress Fabrics that Woman Will "Just Love"

Because they are so pretty, dainty, and cool-looking. Prices, too, are much lower than similar fabrics have been for several years.

Lovely Blouses Ready

Blouses developed of such fabrics as georgette, crepe de chine, satin, tricollete, messaline, organdy and voile are in high favor at present. They are bewitchingly smart in style and appearance, their colorings cover practically the whole range of the kaledoscope and their prices are marked lower than they have been for many seasons.

Delightful Summer Frocks

There has seldom been a season when so many various sorts of dresses have been developed up to the point of perfection as the models now being shown here. From the simple morning model to the most elaborate styles for afternoon and evening wear, they are delightfully pretty and becoming and surprisingly moderate in price.

The New Millinery

Is most strikingly attractive. Their shapings are numerous, varied and distinctive. Their bright colorings and smart trimmings add to their beauty. Prices are in a range to fit all purses.

May we not help you in the selection of the apparel that best suits your individual style and at the same time comes within the limits of your purse?

In Guelph—at MacDonald's—highest Possible Qualities at lowest possible prices—broadest assortments in this vicinity.

The report was adopted.

Mr. Geo. Benton complained of the dumping of refuse opposite his residence on Church Street. The Clerk was instructed to notify all teamsters that dumping of rubbish on this street must cease.

The heating equipment and installation of the hoist at the shoe factory came in for considerable discussion. The Council favored the tender of the Roelofson Elevator Co., of Galt, for the hoist equipment and instructed the Reeve to make arrangement for a meeting to go over the plans at the factory with a representative of the firm. The contract price on this part of the factory was $1,485.00.

In the matter of the heating system it was deemed advisable to engage a competent heating engineer to draw up plans and specifications for the system to be installed and to oversee the work.

The following official notice of the registration of the route of the Provincial Highway was received by the Clerk and read to the Council:

Toronto, April 27, 1921.

H. N. Farmer, Esq.,
Municipal Clerk,
Acton, Ont.

Dear Sir:

In pursuance of the provisions of Section 5 of the Provincial Highway Act, we are depositing in the Registrar's Office of the County of Halton, a preliminary route plan showing the location of the road within the Townships of Esquesing and Nassagaweya which is to be acquired as a Provincial Highway in accordance with the Provincial Highway Act, and notice is hereby given in accordance with the requirements of Section 5 of the said Act that such highways shall become and be vested in the Crown and under the control of this Department at twelve o'clock noon on the 4th day of May, 1921.

Yours truly,
K. A. COCKBURN.

The matter of repairing Mill Street was also discussed and the Clerk was instructed to order a carload of crushed stone and six barrels of road cement for patching.

Chief R. M. McDonald of the Fire Brigade waited upon the Council requesting that arrangements be made for the Brigade to try out the new fire pumps and the reservoir. The regular practice was scheduled for Thursday night. The reservoir had not been filled and it was thought advisable to leave the test for a week until the tank had been filled and cleaned.

Council adjourned at 10.15.

EPWORTH LEAGUE ELECTION OF OFFICERS

Annual Meeting Held Last Week—And Officers to Assume Responsibilities May 15

The Epworth League of the Methodist Church at their annual meeting last week elected the following officers for the year which begins May 15:

Convenor of Christian Endeavor Committee—Mr. A. T. Brown.

Convenor of Missionary Committee—Miss Minnie Z. Bennett.

Convenor of Social and Literary Committee—Mr. Earl H. Vincent.

Convenor of Citizenship Committee—Miss Clara E. Moore.

Superintendent of Junior League—Miss Muriel Fleury.

Recording Secretary—Mr. Thos. Savage.

Corresponding Secretary—Miss Hazel McDonald.

Treasurer—Mr. George Soper.

Pianist—Mrs. Ada Ostrander.

Asst. Pianist—Miss Olla Armstrong.

Convenor of Music Committee—Miss Lottie V. Mason.

The past year in connection with the League work has been one of much interest, many of the meetings being of a special nature. There has also been a good increase in the membership.

Laurier Monument Fund

To date there has been subscribed towards the Laurier Monument Fund the sum of $34,913.87. This represents the voluntary subscriptions of tens of thousands of people, for the largest amount accepted from any one person is $5.00, and in hundreds of cases sums of $1.00 and less have been sent in without names or addresses. The work is now well under way and anybody desiring to subscribe may do so by forwarding an amount to the Honorary Treasurer, Mr. P. C. Larkin, Toronto.

Women's Institute Annual Meeting

The annual meeting of the Women's Institute will be held at the home of Mrs. John Mowat, Main Street, on Friday afternoon, May 6, at three o'clock. A full attendance is requested.—E. E. Graham, Secretary.

A Fine New Motor Hearse

Messrs Johnstone & Co. have added a fine new motor hearse to their undertaking equipment. Mr. Johnstone made his first trip with the new hearse to St. Catharines last Friday where he conveyed the body of the late William Hipple, Mrs. Moyer's father. This entailed a journey of 140 miles.

Accident to Mrs. W. H. Stewart

Last Monday Mrs. W. H. Stewart had a nasty accident at her home on Court Street. While in the garden she slipped and fell over a seed bed, covered with glass. One of her arms went through the glass and was cut. An artery was severed and there was a great flow of blood, but it was checked by an emergency tourniquet until a surgeon arrived and dressed the wound.—Champion.

Annual Spring Street Cleaning

The spring street cleaning operations on Mill Street were commenced on Monday. The two lower blocks have been scraped clear of the winter's accumulation and it is to be hoped that operations will proceed on the section from John Street to the Grand Trunk crossing. Possibly these upper blocks will be thoroughly cleaned after the waterworks contractors have finished their clean-up.

A Halton Farmer's Cow Makes Record

Samuel Crosier, a prosperous farmer living six lots south of Milton in the township of Trafalgar, has a Durham cow which gave birth to 4 calves last Thursday. Several breeders state that they have known of many cases where twins were born and several cases of triplets, but this was the first case they know of where a cow has given birth to quadruplets. Two of the calves were alive and two dead.

New Partnership Formed

Mr. Fred Blow who has conducted the Acton Machine Shop for the past five or six years has taken into partnership Mr. Hartley Harrison. The new firm will instal a number of new lathes and other equipment essential to a first-class machine shop. They will go in for supplying wholesalers with piston rings, axles, etc., in large quantities and follow up the line of business Mr. Blow had embarked upon only a much more extensive scale.

Trout Fishing Season Opens

The trout fishing season opened on Sunday but of course all Acton fishermen refrained from going after the elusive ones until Monday. There will be some real fish stories floating around in a day or two, for the trout are said to be very plentiful this season. Mr. Neil McNabb, who is always one of the first to get a catch when the season opens brought in a couple of speckled beauties to tempt the appetite of the sick in the editors' household. He apologized for the size and quantity saying he hadn't very good luck the first time, but no apology was necessary for they were fine ones.

Guelph Preacher Given a Car

Rev. H. E. Abraham, who has been pastor of St. Andrew's Presbyterian Church, Guelph, for the past nine years was on Tuesday afternoon honored by the men of the congregation when they met at the church and presented him with a handsome Ford sedan, fully equipped and ready for use. Accompanying the car was a purse amounting to $120 and two robes. Short addresses of appreciation were delivered by Col. John Davidson, J. L. Fielding, Mr. Campbell, George Chapman and others. Mr. Abraham, in accepting the car, thanked the men of the church in a most hearty manner.

Mrs. Thos. Chisholm Dies

Susannah B. Spiers, widow of Thos. Chisholm, died at her home in Esquesing on Sunday after a lingering illness. She was 80 years of age, and one of Halton county's oldest and most highly esteemed residents. Born in Trafalgar township, she lived in Esquesing for the past 52 years. Her husband died seven years ago. Mrs. Chisholm was a faithful member of the United Presbyterian Church at Mansewood. Three sons survive: Alex. B., of Milton; Richard H., of Buffalo, N. Y., and Wm. H., at home. The funeral took place on Tuesday afternoon to Evergreen Cemetery, Milton.

Interesting Lecture on Gardening

"Gardening" was the timely and instructive subject dealt with at the Epworth League meeting in the Methodist Church on Monday evening. Professor J. W. Crowe, of the Ontario Agricultural College, Guelph, was the speaker of the evening and gave much information that will be very helpful to those who were present, in the raising of vegetables for family use, together with an address on "Decorative Gardening" that created a desire to put forth larger efforts to beautify our surroundings with flowers and shrubs. Professor Crowe illustrated his address with lantern views showing the beauty and attractiveness that can be added to the surroundings of our homes by the adding of inexpensive and hardy flowers and shrubs. The Professor also spoke of our native trees, their beauty and the need of the present age to preserve these trees and plant others to help in beautifying our country as well as for a lumber and wood supply for the future.

Funeral of Mr. William Hipple

A beautiful funeral service was held at the Methodist Parsonage on Thursday evening in honor of the late William Hipple, father of Mrs. (Rev.) I. M. Moyer. The service was conducted by Rev. W. L. Findlay, B. A. of Knox Church, assisted by Rev E. R. Maunsell, M. A., of St. Alban's Church, brother minister of Rev. I. M. Moyer. Rev. Mr. Findlay's address on the 90th Psalm was a most comforting message. The choir of the Methodist Church led the singing. Friends from a distance were present as follows: Mr. and Mrs. Joseph McCallum, of Guelph; Mrs. J. E. Bilger and Mrs. D. B. Deitweiler, Kitchener; Mrs. (Rev.) L. H. Wagner, Regina, Sask., a former friend of Rev. and Mrs. Moyer, who was attending Conference at Kitchener; and Mrs. Sheldon Moyer, Toronto. A motor funeral to St. Catharines was held on Friday. A large number of former friends there attended to pay their respects to the memory of one who was highly esteemed among them. Rev. Donald Tait, B. A., B. D., of Pt. Dalhousie, conducted the funeral services there.

Camp at Niagara in Six Weeks

In six weeks' time the summer militia camp will open at Niagara, and consequently local militia units are redoubling their activities, in view of the near approach of the annual training period. The local unit is drilling twice in week now.

Ladies' Aid Election of Officers

The Ladies' Aid Society of the Methodist Church met on Tuesday afternoon in annual meeting when the following officers were elected for the ensuing year: President, Mrs. M. T. Thetford; Vice-President, Mrs. N. F. Moore; Secretary, Miss Lottie E. Speight; Treasurer, Mrs. Margaret

New Kitchener Terminal

The Grand River radial cars did not enter Kitchener on King Street on Sunday for the first time since its construction nearly twenty years ago. The company has completed a new line from Preston road, about a mile from the city limits, which runs along private property, through the South Ward to Queen Street where a new depot has been erected.

New Normal School at Guelph

The sum of $50,000 has been placed in the estimates of the Provincial Legislature for the construction of a new Normal School at Guelph. It will be located on the grounds of the Ontario Agricultural College. The present Normal Schools at Stratford, London, Hamilton and Toronto are overcrowded and there is ample need for another Normal School for western Ontario.

Auto Hit Waggon

As Mr. J. W. Guy, who resides on the Eramosa Road, was about to drive with his milk waggon from Quebec Street to Macdonnell Street by way of the little hill alongside the City Hotel on Monday afternoon, he was struck with an auto driven by Jas. Cheevers. The waggon and Mr. Guy were thrown over into the road but he escaped with a cut on his knee.—Guelph Herald.

Georgetown Auto Hits Guelph Boy

An automobile owned and driven by Mr. J. L. Fisher, of Georgetown, struck the five year old son of Mrs. Simmons, 33 Oliver Street, on Monday afternoon, but fortunately the little fellow was not seriously injured. The boy and his brother were about to cross the road on Ontario Street, and apparently did not see the auto until it was right on top of him. He was picked up from under the car, but escaped with a couple of nasty bruises on the face.—Guelph Herald.

Guelph Vocational Office Closes

The Guelph Soldiers' Vocational Training Branch, which has been in operation for the past three years on Quebec Street, east, Guelph, is being closed. Of the staff of twenty or more the majority has been allowed to go, though a few have been transferred to London, which is the headquarters of that building district. A few of the employees are still being retained for a few days until the furnishings have been disposed of. Then the office will be closed.

Shower in Honor of Mrs. A. R. Speight

A very pretty miscellaneous shower was last Monday given by the Junior members of the I. O. D. E. to a recent bride, Mrs. A. R. Speight (Cora Vanatter) of Georgetown, a former member of the club. The gifts were both beautiful and useful. Later in the evening the boys accompanied by Mr. Speight, joined the young ladies and a most enjoyable evening was spent in music and games, after which a dainty lunch was served. The function was held in the new Moffat store.

Nassagaweya Nurse Dies in Guelph

Miss Mary Ann Anderson, oldest daughter of the late Mr. and Mrs. Joseph Anderson of Nassagaweya township, died Monday at the Homewood Sanitarium, Guelph, where she had been a nurse for two years. About six weeks ago she underwent an operation and was doing well until yesterday, when she died of heart failure. Two brothers and two sisters survive: Robert and Albert Anderson, both of Nassagaweya; Mrs. W. Walker, of Nelson, and Mrs. John Hardy, of Milton, from whose residence the funeral will be held to-morrow to Evergreen Cemetery, Milton.

J. W. Freeman's Death

The funeral of J. Wesley Freeman, of Toronto, took place in Burlington on Monday, burial being made at "The Plains" Cemetery. He was a son of the late Joseph Freeman, a pioneer of that district. He was born at Burlington in 1840 and was in business at Freeman, near Burlington, for a quarter of a century. He was one of three brothers, the remaining two still residing in Burlington. He was a Methodist and for years a prominent Sunday School worker. He was a delegate to the World's Sunday School Convention at Jerusalem in 1904. His son, Roy D. Freeman, is on the staff of the Dominion Bank, Toronto. His only daughter, Mrs. W. Dalton, died five years ago.

Splendid Debate at Norval

The Young People's Union of the three churches of Norval entertained the Ashgrove Young People's Society recently at the Presbyterian Church and incidentally Norval's crack orators won a clean-cut decision over the debaters from Ashgrove. The subject was a decidedly interesting one, "Resolved that the Indian has suffered more at the hands of the white man than the negro." Arthur Ruddell and Miss Horne upheld the affirmative for the Ashgrove society, while the negative was very ably taken by Harry Hunter and Miss Sutherland, Norval. The attendance was estimated at over two hundred, including many visitors from the Union and Mt. Pleasant societies. Refreshments were served to the large gathering at the close.

Rev. J. D. Morrow Dies

Rev. John D. Morrow, better known to sportsmen all over Canada as "Jay Dee" and "Johnny" Morrow, former chaplain of the Sportsmen's Battalion passed away this week in California, from pernicious anemia. He contracted the disease while overseas. He built Dale Church, the Athlete's Church, in Toronto, practically single-handed, despite strenuous opposition from the Presbytery and collected the money by personal appeals. His athletic figure was often seen at race-tracks, prize fights, wherever sportsmen were wont to gather, and "Jay Dee's" habit of going without a hat became famous. He vowed not to wear a hat until his church had a roof and he kept his vow. When Col. R. H. Greer formed the Sportsmen's battalion, Rev. Mr. Morrow went over as chaplain and won the whole-hearted respect and admiration of the men. Rev. Mr. Morrow was a nephew of the late Mrs. Joseph McClure, of Acton.

In Memoriam

MRS. ROBERT ROOT

Following a stroke a few days previously, Mrs. Robert Root peacefully passed away at the home of her daughter, Mrs. Henry Leslie, Eden Mills, last Friday. Mr. Root died 23 years ago last August at Wiarton. Of late years Mrs Root has been living alternately at the home of her son, Robert H. Root, and her daughter, Mrs. Henry Leslie. Mrs. Root was the daughter of the late Henry Reid. She was a member of the Baptist Church and was a fine type of Christian mother. Three children survive, Mrs. Leslie, Eden Mills; Robert H., of Guelph, and Clayton, who is a druggist in Toronto. Of Mrs. Root's ten brothers and sisters the following survive: Rev. J. Gray Reid, Essex; Rev. Joseph E. Reid, M. A., Toronto; Mrs. William Kerr, Toronto; Mrs. Alex. Ferguson, Guelph; Mrs. James Leslie, Ospringe; Dougald, of Toronto, and George of Guelph. The funeral on Monday afternoon was conducted by Rev. John Little, of Rockwood. Interment was made at Eden Mills Cemetery.

Funeral of Judge J. M. Hayes

The body of Judge L. M. Hayes, who died on Friday in Guelph after a short illness, was buried in the family plot in the Roman Catholic cemetery Monday morning. The funeral was from his home, 38 Suffolk Street, at 10 o'clock. Solemn High Mass was celebrated at the Church of Our Lady by Rev. Father Doyle, with Rev. Father McCaffrey as deacon, and Rev. Father Quirk as sub-deacon. The pall-bearers were: Judge Spotton, of Guelph; Barry F. Hayes, Toronto; E. T. B. Pennyfather, Ottawa; Judge Huycke, R. M. Hamilton and G. H. Popham, Peterboro'.

Each Rural User Bonused by $250

Estimating the cost of a transmission line at $1,500 per mile, and the farm population at three per mile, the decision of the Ontario Legislature to bonus transmission line construction up to 50 per cent. means that each rural power user is bonused by the Government to the extent of $250. Contrary to the general understanding of the legislation which passed the House, the amount of the Government bonus is 50 per cent. In Committee of the House, upon the suggestion of U. F. O. members the 33 per cent. bonus figure was amended to read 50 per cent.

Wellington County Press Association

The Wellington County Press Association met at Mount Forest on Friday. A luncheon was held at the Empress Hotel, at which Mayor G. P. Allen gave an address of welcome to which President R. E. Mills, of Elora, replied. All the publishers of the county will now be members of the Canadian Weekly Newspaper Association. A resolution was passed opposing the idea of establishing a Government printing bureau at Toronto. The following officers were elected: Hon. Past President, Rixon Rafter, Arthur Enterprise; R. E. Mills, Elora Express, President; J. C. Templin, Fergus News-Record, Vice President; A. H. Gardiner, Harriston Review; B. J. Garbutt, Drayton Advocate, Secretary-Treasurer; A. W. Wright, Mount Forest Confederate and Representative. Regret was expressed at losing Mr. H. E. Bywater, who has sold out the Palmerston Spectator, and a welcome was extended to his successors, Messrs. R. A. Treleaven and G. R. Shibley, all three being present.

Social and Personal

Mr. Lloyd Kenney, of Toronto, was home over Sunday.

Miss Bertie Smith was home from Toronto for Sunday.

Miss Jeane O'Brien was home from Albion over the week-end.

Miss Jean McLeod, of Weston, visited in town during the week.

Mr. J. M. Warren, of Toronto, visited in Acton during the week.

Dr. W. G. C. Kenney was home from Toronto over the week-end.

Mrs. Ida Shanks, of Pettapiece, Man., spent a day or so last week at Moorecroft.

Mrs. Robert Denny left last week for Montreal to visit Mrs. G. T. Coleman.

Mr. and Mrs. Ira Vanatter, Georgetown, were guests of Acton friends last week.

Miss Nellie Williamson, of Toronto, visited at the home of Mr. A. T. Brown during the week.

Rev. M. M. Bennett and Mrs. Bennett, of Yorkton, Sask., visited at Mr. Robert Bennett's during the week.

Mr. Robert Bilton, Jr., who has been very ill for several weeks, is now gradually recovering.

Mr. Fred T. Hunter, of Kitchener, visited his son, Mr. Fred W. Hunter, Victoria Avenue, over the week-end.

Mrs. Geo. W. Loree, of Bellevue, Pa., who recently lost her husband, has been visiting her mother the past week.

Mr. George Agnew, Jr., has been promoted from the teller's cage at Ford to the position of accountant at St. George.

PRAISES CAMPBELLVILLE'S PROGRESS

The Community Spirit and Resulting Conditions Please Agricultural Editor

Farm and Dairy, of Peterboro, has apparently had a reporter in Halton County recently. In any event we are glad to see the following well deserved comment in a recent issue:

The little village of Campbellville and the country adjoining, in Halton County, Ont., has gone further than most communities in furnishing recreation has carried its activities one village church has always had a live and popular young people's organization. A couple of years ago an Athletic Association was organized and a field adjoining the village was rented for a ball ground. The grounds have since been purchased and the Campbellville baseball team is one of the best in the county and the pride of the community. This winter the Association had carried its activities one step further. A big, new, general store was erected last summer with a large hall in the second storey intended for public gatherings. The association promptly rented the hall for the winter season and equipped it for basketball. Now the young men play basketball three nights a week and the young ladies—and some of the older ladies, too—fill in the remaining evenings. There is no lack of clean, healthy sport for the young people in and around Campbellville.

A particularly pleasing feature of the activities of this athletic association is that it is on a strictly independent basis. Expenses are all met out of membership fees, gate receipts at ball games and other such sources. The young people, along with some older who still retain a lot of the enthusiasm of youth, are paying for their own entertainment and enjoying it all the better on that account. Grants to rural community halls and playgrounds as provided by the Ontario Government may have some justification but self help, as exemplified in the Campbellville Athletic Association is far better. Other rural communities may be doing just what Campbellville is doing. We mention this particular case only as an illustration. Why cannot the young people of other rural communities, where recreation facilities are now lacking, organize similarly for their own enjoyment?

MARQUIS WHEAT BEST IN WORLD ?

So Says U. S. Expert, and Advises us to Stick With It

"Repeated baking tests have shown that Marquis wheat makes a loaf of very much finer quality than any other of the wheats; that the Durums will make a loaf fairly large in volume, but yellow in color and coarser in texture.

"As the rust menace spreads there will be great temptation for Canadian farmers to grow a so-called 'rust resistant' wheat. The worst of these is probably Red Durum, which was introduced in North Dakota at a time when rust was making very serious inroads on the world's wheat. This variety is rather prolific, and has a heavy kernel, but should not deceive the farmer because this wheat will not make bread or macaroni, and its only merit is that it is heavy and may be used in export to improve the weight of light and chaffy grains," says Mr. Bert Ball, director, Spring Wheat Crop Improvement Association.

"The Canadian Northwest grows the best spring wheat in the world, and flour made from it always sells for a superior price. If Canadian farmers will breed quality, and market only their finest wheat, mills will always pay a premium for fancy cars."—Globe
