—Toronto is under Daylight Saving time now. Remember this when you visit the city.

—Mr. A. E. Cripps, expressman, has supplanted his team vehicles with a fine motor drayage.

—Next Tuesday—Twenty-fourth—the oldest and most appreciated summer holiday we have.

—Abundance of bloom on the wild raspberry bushes gives promise of an abundant crop this season.

—Cheese is selling in Northern New York markets at 14 cents, a pound, the lowest in six years.

—Work in the garden is not only interesting and healthful, but the contact with the soil and plant gives man, woman and child renewed vigor of mind and instills qualities for better work in life.

—Half a day with the road grader, followed with the steam roller, would greatly improve Bower Avenue's roadway. John, Willow, Frederick and Guelph Streets would also profit by a similar treatment.

—Mr. A. B. McLean has installed one of the latest type of automatic electric heaters for his barber shop equipment. It is connected with the waterworks system and gives a continuous supply of hot water.

—The streets are gradually being put in shape again, and the irregularities created by the installation of the waterworks system, are being obliterated. There are a good many cement crossings and roadway depressions still to be repaired though.

First, Last and Always

We are FIRST to reduce prices, LAST to advance them and ALWAYS at your service. We take great pleasure in announcing the reduction to 50c per lb of all our 60c chocolates, including our famous Hand Rolls. Although the reduction in the tax from 13% to 3% on the wholesale price does not fully warrant such a large reduction in the retail price we expect that the increase in our sales will make up for the smaller percentage of profit. Think of it—we are back to pre-war prices. Although we have not reduced the wages of one of our employees we are able to sell our best chocolates at 50c per lb. The reason is we are selling more candy to-day than we have ever sold before.

We thank you for your very liberal patronage in the past.

We are First, Last and Always—Yours for better service.
