## News of Local Import.

**Any Delinquents in Acton?**

It is announced from Ottawa that all those who have failed to make the required returns of income are about to be prosecuted. There are thousands of defaulters. The penalty is $25 for each day of default.

**A Splendid Band Concert**

Acton Citizens' Band gave a highly creditable concert on the lawn of the Soldiers' Community House on Monday evening. The programme was lengthy and varied. Many kindly comments were expressed, especially by visitors who are holidaying in town. The closing vesper number "Abide with Me," was rendered with splendid effect.

**St. Alban's Sunday Services**

The Sunday services at St. Alban's Church will be conducted during the absence of Rev. Mr. Maunsell, the rector, on his holidays, as follows: Next Sunday Mr. James Martin, B.A., of Milton, will have charge. The following three Sundays the services will be held by Mr. Joseph Beaumont, J. P., of Glenwilliams, who is a very acceptable Lay Reader.

**Customs Officer McDonald Holidaying**

Mr. R. M. McDonald, collector of customs, is enjoying his annual holiday. He will visit relatives in Detroit. Mr. John Strachan, of the Guelph Customs Office, has been appointed relieving collector during his absence. He is in charge of the office and is enjoying his stay in town very much. Naturally most of his leisure is being spent on the bowling greens of Acton Athletic Association.

**Studying for the Priesthood**

Mr. John Holland, of Hamilton, spent a day or so in town last week. Mr. Holland is studying for the priesthood. He spent five years at St. Jerome College, Kitchener, and has been for two years at the Grand Seminary, Montreal. He is a bright young man and will no doubt make a name for himself in the future. It does not seem long since Johnny Holland was running about the streets of Acton in knee pants and in the primary class at school. The Free Press wishes him every success in his sacred calling.

**Splendid Sermons by Dr. McArthur**

Rev Dr. McArthur, of Moffat, preached two able sermons in the Methodist Church last Sunday. His themes presented the gospel in a way which demonstrated God's power over sin, and the great advantages of personal surrender to Him. In both congregations there were numbers of former parishioners of the Dr. and a number of the friends of his boyhood. In his introduction he remarked that he enjoyed greatly his visit to Acton, that he was a native of Halton County, had been the minister of four charges within the bounds of the county and after thirty years in the ministry, having been obliged to retire from the regular work, he had settled in the county of his birth.

**A Cemetery with Perpetual Care**

Mr. W. Stark, of Vancouver, B. C., has kindly sent the Free Press a descriptive booklet of the splendid Ocean View Burial Park, the new cemetery recently opened near Central Park, Vancouver. Uniform perpetual care has been adopted by the management, and no plot or grave is sold without this care being provided for. The cemetery throughout is kept like a city park, without extra cost. It must be consoling and add greatly to the peace of mind of those who have buried loved ones, to have the assurance that they are laid to rest in a beautiful cemetery which will be kept beautified all the time, whether you continue your residence in the community or not. Such a place will grow more beautiful from year to year and offers the most enduring and sacred form of Christian burial.

**St. Albans' Annual Garden Party**

Delightful weather and a good attendance helped make the annual garden party of St. Alban's Church, in the park last Thursday evening, a success. Owing to sickness two of the artists billed to appear were not present, but John A. Kelly came to the rescue and presented a number of selections which greatly pleased the audience. His numbers with the marionettes, as a ventriloquist, were exceptionally good. The Citizens' Band ably assisted with the programme and rendered a generous list of numbers. Rev. Mr. Maunsell, rector of the church, was the capable and efficient chairman. Miss Kathleen Duke, of Toronto, was pianiste and ably accompanied Mr. Kelly in his numbers. At the close an auction sale of work and the baking remaining unsold was held, with Mr. Kelly as the auctioneer.

**The Church Baseball League**

Four games of good baseball were played last week. On Wednesday the Baptists gave everybody a surprise by beating the Anglicans in a very tight game. The score was 7 to 6 with the Baptists on the heavy end. On Tuesday the Anglicans gave the Presbyterians one of their hardest games of the season, but the John Knox boys won by a desperate rally in the ninth, beating their rivals 9 to 8. On Wednesday the league leaders had another hard battle with the Baptists. The Baptists led for the first few innings but were defeated. On Monday the Anglicans beat the Baptists 10 to 6. The Methodists had a blank week having played no games. The standing:

| | Won | Lost | P.C. |
|---|---|---|---|
| Presbyterians | 9 | 2 | .818 |
| Methodists | 7 | 4 | .636 |
| Anglicans | 6 | 4 | .600 |
| Baptists | 2 | 11 | .153 |

**Mr. Plank Hobnobbing with Editors**

The Buckingham, Que., Post says: "Mr. W. C. Plank, of Acton, Ont., representing W. H. Storey & Son, Ltd., the oldest glove house in Canada, was in Buckingham on Tuesday, and gave The Post his usual call. Mr. Plank is always a welcome caller. A Liberal of the old school, with pronounced opinions on the issues of the day, Mr. [illegible] indulgent, never approaches the offensive [illegible] gesture, he is a regular gentleman in argument and demeanor. He never comes but he drops a gem of thought of some kind worthy of placing in memory's storehouse for future use in either conversation or paragraph. In rather indifferent health for a number of years that fact has little effect on his daily routine; his burden, which in others would engender depressing sensations, only nerves him to get through what is planned for the day and get in readiness for the duty of the morrow. His activity under the circumstances should be a stimulant to those suffering from imaginary or trivial ailments. The Post always forgets some things after his visits."

## The First Lot of Shoes Have Been Completed at the Shoe Factory by Messrs. Hewetson & Co., Proprietors

ACTON'S NEWEST INDUSTRY IS NOW TURNING OUT ITS SPLENDID PRODUCTS FOR THE CANADIAN MARKET

MACHINERY INSTALLED AND EMPLOYEES BEING GRADUALLY ENGAGED

The first pair of shoes manufactured at Acton's new shoe factory are on exhibition in the Free Press' window. They are the "Mother Hubbard" style of children's shoes, manufactured of Canadian made leathers, tan color, elk uppers and solid sewed soles.

The first engraving herewith shows the careful method of construction in the manufacture of the shoe, and the second the substantial character of the shoe when completed.

The factory is gradually speeding up, under the experienced direction of Mr. H. A Folkin, the superintendent. A large number of the numerous machines required have been installed and employees are being added as rapidly as the new organization can advantageously place them. Preference is being given to residents of Acton, and the experts who are being placed are looking for homes here.

The first pair of shoes turned out, which occupy the place of honor in our show window, are attractive and have already commanded the admiration of numbers of our citizens.

It is surely a satisfaction to all that our shoe factory has been secured by a firm of the enterprise and experience of Hewetson & Company.

Messrs. Hewetson & Co., the proprietors of the new shoe factory business here are specialists in the manufacture of children's shoes and have a large trade in their splendid products. Their trade slogan is the very happy one, "Shoe Manufacturers to Children," which their big sign on the factory exhibits. This naturally appeals to the parents who desire the best shoes obtainable for their little folk.

**Rev. Canon Rollit Dead**

A dispatch says: "In the death of Rev. Canon Rollit, at Montreal, on Saturday, the Anglican Diocese of Montreal, loses its doyen in point of service as a clergyman. He was in his eighty-first year and had behind him a ministry of over fifty-five years." Rev. Canon Rollit was father of Mr. A. A. Rollit, for some time manager of the Bank of Nova Scotia here.

**Oakville Defeated Milton 15-3**

The County Town heroes motored here on Wednesday evening and smeared off at our players with some degree of defiance. In the first innings, however, Oakville pounded out hit after hit until six runs were scored, and this naturally discouraged the visitors, so that, perhaps they did not do their best during the remainder of the game, which concluded with a score of 15 to 3.—Star.

**News of Interest Solicited**

The Free Press is always pleased to receive lists of visitors from our readers. During the summer holidays particularly there is much moving about. If you have friends in your home or if you are going away on a visit, let us know. It costs you nothing but a little effort, helps the newspaper, and is interesting to friends both here and elsewhere, where the paper circulates.

**Votes Pay to Members of Council**

Acton's Council at its last session voted a hundred dollars to the Reeve and fifty each to the four Councillors, to be payable at the end of the year. This is the first town or village Council in Halton to vote pay for its members, and in fact in few urban places in Ontario are Councillors paid. Townships nearly all pay an allowance by commission fees and in cities by a stated allowance. Should this instance prove satisfactory to electors many other places will follow the lead.—Oakville Star.

**Ex-Manager Pritchett in Trouble**

Last Thursday, at Oakville, Herbert Pritchett, ex-manager of the Georgetown and Glenwilliams Co-Operative Society, was committed for trial by Police Magistrate Shields. He is charged with making a false financial statement on which he induced shareholders to raise $2,000 on a note. He is out on $5,000 bail, to be tried by a jury at next Sessions, or before that by the Judge if he so elects. His "put one over" on the Globe, which had reported that he had been arrested, instead of summoned, as was the fact. He got the Globe to publish an apology. Though he was not arrested in the first place he was lodged in jail here last Thursday morning and kept there till about 10 p. m., when he was released after the arrival of his bondsmen.—Champion.

**A Happy Family Re-Union**

It is quite a number of years since Mrs. James Moore had all the members of her family at home together. Mr. [illegible] children are here from Edmonton, the other members of the family were home for the week-end. There were Mr. and Mrs. Charles H. Moore and Ruth from Dundas, Mr. and Mrs. Fred Funk and Mr. John S. Moore from Toronto. The company made a houseful, and they had a happy time together. The Moore boys are all in the newspaper or the printing business. Charles is President and chief owner of the Dundas Star Printing Co., Arthur is President of the Moore Printing Co., Edmonton, Alta., and John is superintendent of the printing department of Grand & Toy, wholesale stationers, Toronto.

## Council Proposes to Supply the G. T. R. 40,000 Gals. Water

A Special Meeting Will Discuss the Agreement with a G. T. R. Representative

NO CHIEF CONSTABLE ENGAGED YET

Council met in regular session on Monday evening. The Reeve and Councillors Bell, Cordiner, Denny and Mullin were present.

The fifteenth report of the Committee on Finance recommended payment of the following accounts:

| | $71 50 |

T. J. Taylor applied for the position of constable.

The matter was discussed but no action was taken.

The necessity for a dumping ground for the Corporation was referred to.

The Reeve and one or two Councillors were authorized to secure a site for dumping from Robert J. Wallace at $50.00 for five years.

The proposal to supply the Grand Trunk Railway with water, which has been repeatedly discussed, was again the topic of consideration.

It was finally decided to call a special meeting when a representative of the company would be invited to be present. It is understood the corporation is prepared to supply the Railway company with 40,000 gallons of water daily now, and to meet the requirements of the company within a year.

Complaint was made that the cellars of Woodhall & McKay, William Williams and the Wonderland Picture Show have water in them owing to a defective drain.

An inspection will be made and reported upon.

Council adjourned at 10.30 p. m.

**TO INCREASE BACON TRADE**

The value of bacon exports from Canada during 1920 was $34,000,000. A widespread effort is being maintained by the Dominion Department of Agriculture, in co-operation with the Provincial Departments, to increase this trade and incidentally to maintain the quality of Canadian bacon which years ago procured for it a steady market in Great Britain. Aggressive foreign competition for Britain's requirements is making such an effort of prime importance in Canada, according to an emphatic statement appearing in the Agricultural Gazette. The effort to increase the trade and maintain the quality of the bacon will be practically carried on through boys' and girls' pig clubs and through similar organizations. The Gazette notes that Great Britain annually requires 500,000,000 pounds of imported bacon

## Two Trophies Were Won by Acton Bowlers

Successfully Defended Mercury Trophy Thrice Against Guelph

WON WALLACE TROPHY LAST THURSDAY

The Guelph Mercury says: "Billy Gould and his Acton lawn bowlers are out after all the trophies they can lay their hands on this year."

Last Wednesday night a strong Guelph team of lawn bowlers came to Acton to try to take the Mercury Cup back to the Royal City. They were defeated by the Acton team with a score of 22 to 18. This is the second time this team tried for the cup last week. On Monday they played 11 ends, when the game had to be called off. On Wednesday night they started over again and played the 21 ends, the game being a close one all the way through, the score being tied five times during the play.

The Guelph players credit the Acton greens with being in splendid condition, and the Acton Club gave the visiting team a great reception, treating them in a very sportsman-like manner.

The teams and scores are as follows:

| Acton | Guelph |
|---|---|
| L. H. Shorey | H. J. Johnston |
| G. Hynds, Sr. | H. Howitt |
| G Hynds, Jr. | J. McGreggor |
| W. J. Gould, sk. | R. Aitken, sk. |

The score by ends:

| | |
|---|---|
| Acton | 103 012 010 102 043 100 030—22 |
| Guelph | 010 300 302 010 100 032 101—18 |

On Thursday evening Acton returned the compliment by going to Guelph to capture the Wallace trophy. They had to fight hard, however, in order to win out, as J. H. Huether's rink, which defended, was in good form, and it was not until the last bowl was played that the visitors were sure of victory. It was a keenly contested game from start to finish. At the close of the 19th end, with two ends to go, the rinks tied, but on the next end Skip Gould got four shots, and this just about put the trophy in Acton's grip. In the final end there were two shots for Acton lying about a foot from the jack and Huether had one bowl left. He tried to kill the end, but failed by about half an inch, the jack coming to rest on the side line and Acton counted one. A large crowd watched the progress of the game. The score:

| Guelph | Acton |
|---|---|
| W. T. Tanner | N. McDonald |
| A. A. Anderson | J. Leishman |
| R. Aitken | Geo. Hynds |
| J. H. Huether, sk. | W. J. Gould, sk. |
| Guelph | 011 500 003 002 120 105 000—21 |
| Acton | 400 011 230 210 002 040 141—26 |

It is safe to conclude that there is no place in the country where George Wallace, the donor of the trophy, would rather see the big cup than on the mantle in the club house of Acton Athletic Association, in his old home town.

A third competition for the Mercury Trophy was played on Monday night when another rink of skips from Guelph tried conclusions with Gunner Gould's skilled players. Again the defence was successful, the score being Acton 24, Guelph 17.

The players were:

| Guelph | Acton |
|---|---|
| G. McPherson | L. H. Shorey |
| C. Barber | G. Hynds, Sr. |
| Fred Smith | G. Hynds, Jr. |
| Jno. Easton, sk. | W. J. Gould, sk. |

The score by ends:

| | |
|---|---|
| Guelph | 010 030 000 101 100 301 500—17 |
| Acton | 104 202 142 010 011 100 011—24 |

Milton brought four rinks up on Tuesday evening for a friendly match. They won out in the aggregate and went home quite happy, and loud in their praise of Acton Athletic Association's fine premises. Inspector Denyes' remark: "This place is a dream," was quite sincere."

The several rinks and scores were as follows:

| Milton | Acton |
|---|---|
| J. Bayliss | James Mackie |
| G. A Hemstreet | J. Leishman |
| R. White | G. Hynds |
| J. F. Little, sk. 22 | J. Wood, sk. 23 |
| F. Durnan | T. Beardmore |
| W. Cepeler | D C. Russell |
| Col. Ptolemy | W. L. Worden |
| Jas. E. Bell, sk. 15 | G. Hynds, sk. 27 |
| D. McCallum | Joe Agnew |
| A. McNabb | A. Buchanan |
| H. Durham | R. McPherson |
| E. Graham, sk. 22 | Robt. Scott, sk. 12 |
| S. Orr | J. Mullin |
| Dr. Anderson | J. Dobbie |
| J. M. Denyes | N. McDonald |
| C. Turner, sk. 22 | J. Holmes, sk. 14 |
| | 82 75 |

The four rinks comprised some of the leading citizens of the County Town. There were Dr. Anderson, M. P., J. M. Denyes, County School Inspector, J. F. Little, ex-Warden, G. A. Hemstreet, Town Clerk, R. White, Editor Reformer, Col. Ptolemy, Archy McNabb, the U. F. O. man, and others.

**Police Magistrate for Peel County**

Robert Crawford, Police Magistrate of Brampton, has received the appointment at the hands of the Attorney-General, as Police Magistrate for the entire county, with power to sit in the different police villages and municipalities.

**Some of Halton's Aged Newspapers**

Halton newspapers are advancing in years and indeed some have reached a ripe old age with all the honors of having weathered years of stress and storm, but, of course, with few, if any, privations. The Acton Free Press has entered its forty-seventh volume in a canter, just the same as if only sixteen; but for real maturity the Milton Champion heads the list in its sixty-first year. The Georgetown Herald can hardly be called a kiddie at fifty-four. The Star comes along next, for in another week we enter our thirty-seventh year as the Star, and there were several predecessors, only under other names.—Oakville Star.

**Death of Editor of Harriston Review**

The death occurred on Sunday evening of D. H. Dewar, for thirty years editor of the Harriston Review. Deceased who was in his 69th year, had only been seriously ill for a few days. The immediate cause of his death was cancer. He is survived by one son, Bert Dewar, of Montana, his wife having deceased him some seven years ago. The late Mr. Dewar was a member of the Masonic Order, the Anglican Church and was a staunch Conservative in politics. Prior to settling in Harriston, where he founded the Review, he was in the newspaper business at Hillsburg, Erin, Arthur, and for some years was on the staff of the Guelph Herald.
