SPECIAL NOTICE.

THE GREAT AMERICAN HAIR TONIC,
Bogle's celebrated Hyperion Fluid,

For the Growth and Preservation of the Hair, is well known to be without a rival on this Continent—Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair Restorative, and their doom been sealed, whilst Bogle's Hyperion Fluid, with a popularity never attained by any other article, goes on "conquering and to conquer." There is no malady that can effect the hair but can be cured by this incomparable preparation. To ladies it is invaluable, and on children's heads it lays the foundation of a good head of hair. It is now patronised by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe.

BOGLE'S AMERICAN ELECTRIC HAIR DYE, Converts Red or Grey Hair into a beautiful Black or Brown, the moment it is applied, literally dyeing the hair without staining the skin, and leaves the hair soft and glossy, without injuring its texture in the least—a decided superiority over all other Hair Dyes.

THE SUBSCRIBER wishes to inform the Public that the time for his advertised lecture is drawing near, which was stated to be in the beginning of April, but will be further on, as he has to go to New York or Philadelphia for a Mannikin, Skeletons, and Charts, that he will require, in order to give an experimental lecture on Anatomy, Physiology, and Biology, to the entire satisfaction [he is confident] of all who will do him the honor of hearing him. The lecture on that occasion, will be such as perhaps was never before delivered in this City. It will be instructive to young and old, high and low, rich and poor. From which they will get information that will serve them for life. They will thereby know that they need no more foreigners to come here to be giving mock lectures on these sciences. He also promised to reveal the abuses practised in the Homœpathic and other systems of medicines and will also give a synopsis on the real Philosophy of Health. The time will be mentioned, and charges moderate.
